War-Zone HOME for Our Boys "Overthere"

TO THE YOUNG MEN'S CHRISTIAN ASSOCIATION has been delegated, by the U. S. Government, the great work of taking care of our boys "over there." If it is not done by them it will not be done. The Y. M. C. A. has been "drafted" by the Government to save both time and money, for the association is a thoroughly competent organization already existing.

"To Keep the Home Fires Burning" in the hearts of our soldier boys, the Y. M. C. A. has pledged its service to your Government in this great and good work. At least \$35,000,000 is needed to maintain this work to July 1, 1918. Titanic giving is required.

as her quota for relief and betterment work in the trenches, in cantonment life and for base work.

REMEMBER THAT IT'S YOUR WAR AS WELL AS THE BOYS' "OVER THERE."

Think of the mothers and fathers who have so loyally and uncomplainingly given their sons that you might continue to breathe the pure air of "liberty."

For years Portland has never been more prosperous than at this time. **GIVE WHAT YOU CAN AND WITH THE FULLNESS OF YOUR HEART.**

PORTLAND AND OREGON HAVE CONTRIBUTED LOYALLY TO THE LIBERTY LOAN AND THE RED CROSS, BUT THEIR WORK HAS REALLY JUST BEGUN

President Wilson has said: "May I not express the very high value I have attached to the work accomplished by the Y. M. C. A., and my sincere personal interest in the large plans of the war work council for the work still ahead of the association?"
