change in price and the reasons. It Beginning November 16, 1917, our prices for milk and cream will be as follows:

Milk—1 quart or more, 12½ cents straight; 1 pint, 7 cents.

Cream—Priced based on 22 per cent; 2 pint, 7½ cents straight; 3 pint, 7½ cents straight; 3 pint, 7½ cents.

Whipping cream—16 pint or more.

Whipping cream-1/2 pint or more, This becomes necessary at this time order to meet the emergency and, f possible, avoid the milk famine Portnd has been facing for some The situation was so keenly felt that the mayor appointed an emergency ommission to investigate and make recommendations, with the result that these prices were advised for Octo-

Surplus Becomes Shortage

Less than two weeks ago Portland had a surplus of about 20,000 pounds of milk going daily to the condenseries; today that has faded away and there is a shortage. these are the conditions with which we are confronted. The condenseries are reaching out for milk that should

come to Portland, and while we are asking you to pay more, we hope to make it possible for you to continue to get your supply. At this time another advance in prices soon seems inevitable. Both the bables and grown-ups need milk, and if you will stand by us we will stand by you.

The prices have been established by a joint action of the Oregon Dairymen's league and the Portland Milk Producers' association, in compliance

'We will now never make any plan affecting the price of milk delivered in Portland without taking the public into our confidence and showing that what we do is necessary. ## CHRISTMAS PACKAGES FROM THE DALLES TO BE SENT TO SOLDIERS

Full Quota of 410 Is Expected to Be Ready Today for Shipment to the Troops.

The Dalles, Nov. 15 .- Twenty-four dozen Christmas packages have been packed ready for shipment by the local Red Cross, and by Thursday it is expected that a total of 440 kits will be in readiness for our soldiers across the water. A total of \$235 has been contributed to the cause by citizens of The Dalles, and more is coming in

each day. The quota of Christmas kits for The Dalles was first announced as 250 but a later call raised the number to 440 and indications are that this number will be supplied. Besides the regulation kit as announced by the Red Cross headquarters, each package going from this city will contain a large slice of home made fruit cake, donated

by women of The Dalles. The third of the weekly rummage sales by the Girls' Honor Guard of this city brought the total to \$60, all of which will be turned over to the local Red Cross chapter. Each Saturday the guard holds a sale of articles contributed to them by citizens of The Dalles, and at each sale the sum taken in exceeds that of the week before. The sales are becoming very popular.

Mrs. C. P. Johnson Dies The Dalles, Nov. 15. — Mrs. C. P. Johnson died Monday at the home of her mother in this city after an illness extending over several months. She is survived by her husband, three sons and a daughter, who are Dr. V. L. Johnson of La Grande, W. W. Johnson of Ione and Rolla and Hazel Johnson of The Dalles. Mrs. Johnson was born in Canyon City, Or., in 1872 and has always\_made her home in this state. Funeral services were held Tuesday afternoon at the Methodist church, burial following in the Odd Fellows' cemetery,

# How to Send Parcels to France PORTLAND'S SALES TO

There are two ways to get Christmas presents to the American troops in France. The postoffice department will take Christmas presents up to seven pounds in weight when they have been inspected by the postmaster and certified to contain no dangerous or other prohibited articles. Such mail should be addressed to the soldier, the regiment and company or other unit to which he belongs, and "American Expeditionary Forces," and must be conspicuously marked "Christmas Parcel." These articles addressed to individual soldiers will be delivered through the postal service to the mail orderlies with the troops in France. All Christmas parcels sent through the postoffice department must be deposited in the mails not later than November 15, 1917.

In addition to the postal service the war department will take Christmas boxes weighing up to 20 pounds if they are packed in strong wooden boxes not to exceed two cubic feet in volume, well strapped and with a hinge or screw top, so that they can be easily examined by the military authorities. These boxes must contain no inflammable, explosive, or other prohibited matter. Such articles as will pass the military authorities will be delivered by them to the troops abroad. They should be sent through parcel post, addressed to the soldier, his regiment and company or other unit to which he belongs, and "Care of Commanding General, Port of Embarkation, Hoboken, N. J., Pier 1." These packages must be marked "Christmas Parcel" and the name and address of the sender must be plainly marked on the outside of the box. Packages sent by express are governed by the same rules. All Christmas parcels sent through the war department must reach the port of embarkation not later than December
