

AD CLUB MEN WAX ENTHUSIASTIC AT BIG STOCK SHOW

Circus Parade Uptown of 2000 Head of Stock Suggested as Publicity Feature for the Industry.

University of Idaho Wins First Prize in Stock Judging Contest — Delegation Due From Central Oregon.

Today in Ad club day at the Pacific International Livestock exposition and Portland advertising experts laid aside their wily schemes to catch the public's eye long enough to hobnob with western cattlemen and to hound the hazy circus-like rings in the exhibition tents.

There were few points in cattle judging that the Ad men admitted they did not know. Each, it appeared, was farm born and bred, had deserted the plow for the opportunity of the city.

Rotarians, railroad people and others for whom a special day had been set aside, came and went and enjoyed the spectacle of a couple of thousand head of the finest cattle in the land in a mildly enthusiastic and interested way.

Circus Parade Suggested

But before the ad men had been on the grounds long enough to pluck a piece of hay from one of the bales and chew one end of it they had floated all kinds of publicity for the show.

"What would the best circus in the world be without its banners?" one of the ad men asked Superintendent Tenant. "Why don't you banner the grounds up?"

Another ad man suggested that a huge parade of all the 2000 head of livestock through the main streets of the city would be a good advertising feature.

The parade, he said, could be headed by the grand champion bull of the show and each pig could happily and patriotically carry a banner saying "I'm to be food for the allies."

Four championships were awarded during the morning and early afternoon to the entries of Congdon & Bates of North Yakima. This firm took these high awards with Aberdeen-Angus bulls and heifers.

Causes Which Led To War Analyzed

Representative Hawley Tells Why U. S. is Fighting Germany in Address Before Six O'Clock Club of Salem.

Salem, Or., Nov. 21.—Speaking for more than an hour, Congressman Hawley Tuesday night delivered before the Six O'Clock club at the First Methodist church, what is termed one of the strongest, clear-cut war addresses heard in Salem.

He analyzed causes and movements which led to the war and which finally brought the United States into the conflict.

Describing the German superman and superstate theories, he said that it would be impossible for this nation to live if those theories should become supreme through Germany's success in war.

Rockefeller's Cash Needed in Cleveland

Cleveland, Ohio, Nov. 21.—(I. N. S.) John D. Rockefeller Tuesday wired County Auditor Zangerle from New York, protesting against being placed on the tax list for \$5,000,000. He declared he was a resident of New York and not of Cleveland.

"Rockefeller's telegram shows he lacks civic pride," said Zangerle. "By traveling through and residing for a short time in different states, he is escaping taxation on billions. The East Cleveland schools need his money very badly."

Los Angeles Votes To Close Saloons

Los Angeles, Nov. 20.—(I. N. S.)—Los Angeles voted the saloons out of business, beginning April 30, 1918; restricted the sale of intoxicating beverages to cafes, restaurants and hotels between the hours of 7:30 o'clock in the morning and 9 o'clock at night; fixed the quantity of alcohol in any drink at not more than 14 per cent, and made

harbor district "bone dry" in a special election Tuesday.

Returns received at a late hour gave the "dry" a majority of more than 15,000 on proposition No. 1, the "dry" ordinance. Six hundred precincts complete gave a vote of 44,721 for the measure and 29,248 against it. Should this ratio hold it means a "dry" victory of at least 25,000.

Dr. D. M. Gandler, superintendent of the Anti-Saloon League of California, credited the victory to the women voters and workers at the polls.

Steers in Car Lots

The only other entry to win a prize in this division was the Washington State college senior heifer calf, Enright's Queen, which took third place.

Results in judging of feeding steers in car lots give high honors to the entries of Lloyd B. Pierce of La Grande. His car lot won championship in feeders, while the Allan farm at Wallula took first place with its entry in feeding and grand champion.

In car lots of 2-year-old steers and heifers, S. S. Stearns & Son of Prineville took first award. The Portland Feeder company of Buhl, Idaho, was third with its entry.

Ed Cole of Haines, Or., walked away from all other exhibitors with the high awards in car lots of cattle in a year old and under 2. His herds won the championships of the fat stock exhibits.

Some close competition was witnessed in judging the blooded horses entered by A. C. Ruby of Portland and S. Metz & Sons of Pendleton. Ruby's Shire mare in the 4-year class was awarded the senior and grand championships, and the Metz 4-year-old stallion entry took the senior and grand championship from all rivals in that division.

Swiss Sales Attract

A. G. Ruby won second in the 4-year stallion class among the Shires and Ruby & Bowers of Davis, Cal., took third. Ruby's entries also won first awards in the 2 and 3-year-old stallions.

In the sales of hogs attracted considerable attention of hog raisers, both professional and so called amateurs or fanciers, a total of \$2010 was brought for 24 head, making an average of \$83.75 for each.

A Poland China sow entered by A. L. Wilson of Greenleaf, Idaho, commanded the highest price of any, \$150 being paid for this animal by S. M. Mears Jr. of Woodland, Wash.

The entire hog sale included three Berkshire, two Duroc-Jerseys, four Chester Whites. The rest of the 34 were Poland Chinas.

The highest average in prices was paid for the Berkshires, which are said to have composed an entry of exceptionally high standard.

Swine breeders declare that the exposition this year has proved to be most timely in that it brought together and resulted in an interchange of ideas and raises at a period when the hog industry is most vital as an economic factor in the prosecution of the war.

Breeders' Association Elects

The meeting of the Northwest Swinebreeders' association in the Portland hotel Tuesday evening was one of the most successful of any in recent years.

Pertinent talks on the industry were given by Robert Nelson of North Yakima, Judge Scott of Salem, R. W. Hogg of Salem, W. F. Howard of Parma, Idaho, Harry Summers of Roseman, Mont., and A. L. Wilson of Greenleaf, Idaho.

The entire personnel of the present officers of the association was reelected. It is as follows: C. M. Talmadge, Newport, Or., president; H. W. Hogg, president; Moscow, Idaho, vice president; J. A. Simonson, North Yakima, vice president; Peter J. Meloy, Townsend, Mont., vice president; E. E. Paville, Portland, secretary-treasurer; Edward Sweet, Grangeville, Idaho; A. H. Poston, Spokane; Harry Summers, Roseman, and C. M. McAllister, Portland, executive committee.

Swine sales were begun Tuesday and some excellent prices for the blooded stock were brought. The sales were under the direction of R. W. Hogg of Salem, and J. W. Hughes of Forest Grove.

University of Idaho First

The University of Idaho team won first place in the stock judging contest, with Oregon Agricultural college second and Washington State college third. Prizes of \$75, \$65 and \$55 were given.

J. Gregory Paul of the Oregon Agricultural team was given first award for individual sheep judging by the American Shropshire association.

Individual point winners in the university judging contest are: Troy Lindly, Washington State, first; Alvin McCormack, University of Idaho, second; and Maurice Davidson, Oregon Agricultural college, third.

Plenty of Airplanes And Fliers for U. S.

Washington, Nov. 21.—(I. N. S.)—The airplane program is being rapidly worked out, it was said in official quarters, and there is no lack of aviators to operate American machines, as feared by Lord Northcliffe. America has a large number of men qualified for pilots now, but few machines for them.

Liberty motors and planes soon will be ready by thousands, however. Deliveries are to start at an early date, the standardized production will increase of its own momentum as time passes.

Draft Is Cause of Deaths of Three

San Francisco, Nov. 21.—(I. N. S.)—Two drafted men are dead by their own hands today and the mother of a third succumbed to worry because she feared her son would be called to join the Liberty army. The dead:

Frank Irving Fletcher, Los Angeles. Joseph F. Crampton, who sent a bullet into his brain because he had conscientious scruples and feared he would be called.

Mrs. Margaret A. Dougherty, who dropped dead in the street as the result of worry.

Fletcher was seen acting queerly in a rock quarry last evening, running around and apparently striking at boulders as though he imagined he was indulging in bayonet practice. When the police arrived, he was found dead, a bullet in his head. His draft registration card was found in his pocket.

Crampton telephoned the police to come and get his corpse, as he was cheating the kaiser. When they arrived, he answered the door bell in person, admitted them, and then drew a pistol and shot himself.

To Build Up, To Brace Up, To Tone Up

If your general health is not as good as it should be, begin today a course of **Pepto-Mangan**.

Have you suffered loss of appetite and weight? Is your sleep dream-disturbed and unrefreshing? Do you lack the energy to work well and to play well? Are you nervous? Is your color bad, and have you many "off-days"? These (in the absence of some organic disease) are some of the indications of weak, watery blood, poor in iron and red cells.

Gude's Pepto-Mangan

"The Red Blood Builder"

Every organ of your body—heart, lungs, brain, kidneys, liver, stomach—draws its power to perform from the blood; if the fuel is scant and weak, the engine cannot run well.

Pepto-Mangan builds, braces and tones you up because it strengthens the very source of life and strength. It charges the blood with iron. It creates thousands of new, rich, red blood cells.

The reinforced blood, glad in its new vigor, courses through all the body, scours out the poisons and waste tissues, which are usually responsible for the constant half-sick condition, and paves the way for the easy return of good health.

Because it restores the health by enriching the blood and thus builds on a scientific foundation, **Pepto-Mangan** is a valuable tonic for the anemic, the run down and overworked, the invalid, the convalescent, the pale, puny child, and the aged. It will agree with the most delicate stomach.

Friendly Warning:

The confidence of the medical profession and the friendship of the millions it has helped during the quarter century of its existence, has caused many counterfeits to be foisted upon the unsuspecting. Gude's is the one genuine **Pepto-Mangan**. It is sold by all druggists only in the form pictured in this advertisement—never in bulk. Read the circular around the bottle.

Pepto-Mangan is made only by J. L. BREITENBACH COMPANY, Manufacturing Chemists, New York
