AGGIE 'GRID' TEAM IS BEING REBUILT FOR THANKSGIVING

With Captain Crippled and Best Men Gone Hopes of Victory Go Glimmering.

PIPAL TO RECONSTRUCT

While Coach Works to Get Capable Men, Students Believe Aggie Spirit Will Rise to Victory Point.

Oregon Agricultural College, Corvallis, Nov. 21.—With the torn ligaments received by Captain Newman in the game at Seattle last Saturday barring him from participating in any more contests on the football field this year, with the loss of Joe Britton to the navy last week, and the probability of Rose, another of Pipal's best back-field men, entering the army instead of continuing his work here, Aggie hopes of a victory over Oregon next week were smashed to a minus quantity, with not even a bare hope that they may again rise.

The final shattering which the varsity has just received, has forced Coach Pipal to reconstruct his entire team, and to scour the campus for available material for the weak varsity positions. In case Rose should return to college, the Grey Fox is planning to shift him over from right-half to Newman's place at full, and to shift Hubbard over to fill the position at half.

The squad worked out Tuesday night for the first time since the Washington encounter, and Pipal will begin the big attempt of remolding his available material into a semblance of a college eleven.

In spite of the havoc wrought in the devastated Beaver squad, the students here, fully realizing the fix they are in, are facing the coming game with a confidence very similar to that shown by Oregon prior to the California game last Saturday. The Aggie do-or-die spirit will be a tremendous factor in the Thanksgiving day game, and the Eugene folk, confident since the contest there last week, may be very disagreeably surprised when they find out what an Aggie team can do when it is up against a seeming impossibility.

Columbia university football players closed their 1917 season Tuesday afternoon on Multnomah field with a 36 to 0 victory over the Hill Military academy eleven. The Columbians scored two touchdowns in the first period and counted two more in the second. Captain Knapp registered a touchdown, a goal and a field goal in the third period.

The cadets did not show up as good as was expected. They failed to make yardage once during the game, this being due to injuries to Horton, the cadets' crack halfback.

Take Advantage of Tumble

Columbia received the kick-off but lost it on a fumble by Shipley, who recovered the ball on the next down when Churchill, the H. M. A. quarterback, fumbled. The university boys then marched down the field for a touchdown, making yardage in two and three downs. Hodler carried the ball over for the first touchdown, while Shipley scored the second touchdown.

In the second period, Shipley made a 35 yard run for a touchdown. Allen scored the second touchdown of this period.

Tucker Loses Credit

The final points were made in the third period. Tucker carried the ball over for a touchdown, but Captain Knapp received credit for the points because Tucker did not touch the ball to the ground. Knapp converted and later made a place kick from the 20 yard line.

MULTNOMAH TO HAVE A STRONG TEAM SATURDAY

Murphy Brothers to Be in Lineup Against Engineers; Preliminary Schedule.

Multnomah will place its strongest line-up in the field for Saturday's clash with the Fourth Engineers' team of the Vancouver Barracks.

Gene Murphy, the club quarterback, will be back in the game, and Johnny Murphy, who has been missing from the line-up for the past couple of weeks, will again don his uniform. Eddie Duffy will take his place among the backfield players.

Due to the fact that a number of players were still feeling the affects of the hard contest at Camp Lewis last Saturday, Tuesday night's practice was called off. A hard practice is billed for Thursday night.

The Fourth Engineers' team is working hard and is confident of beating the club eleven. Captain Bonfils has been putting the players through hard workouts every afternoon and the soldiers will be in great shape for the battle.

A preliminary game between the second teams of Lincoln high and Columbia university will be staged at 1:15 o'clock. The Multnomah-Soldiers game will start promptly at 2:30 o'clock.

Second Division In Command of Schaefer

The second division of players in the three cushion billiard tournament being played at the Waldorf parlors now seems to have a sure winner in the person of S. H. Goodland, who defeated E. A. Schaefer last night. Goodland has won five games and lost one and holds the high run record in his division. Last night George Warren, in the first division, defeated George Hart in an interesting contest and W. E. McAllister defeated M. Ruven in the second.

Tonight's games will be between Wilhelm and Pierce, Ryan and Talbot, and Cruikshank and Boalt.

Last night's results were:

	H'd'c'p.	Score.
George Warren	32	32
George Hart	28	21
E. A. Schaefer	26	11
S. H. Goodland	26	26
M. Ruven	26	24
W. E. McAllister	26	26

Chemawa Expects to Make Good Showing

Salem, Or., Nov. 21.—The Chemawa Indian school football team will go to Camp Lewis at American Lake, Saturday, to play the Ninety-first division army team, according to announcement made at the school Tuesday.

The Indians, while comparatively light in weight, are speedy, and Coach W. J. Warner says they will make a good showing against the army team. They recently played the Multnomah Athletic club team to a tie and defeated the army engineers at Vancouver.

Get Married on Skates

Chicago, Nov. 21.—(I. N. S.)—A wedding on wheels was solemnized here last night. Leon Kimm, former world's champion roller skater, and Miss Katherine Desmond of Virginia, were married on roller skates. Bridesmaids, flower girls and other attendants also were on rollers.

Morton's Team Wins Game

Bob Morton's aggregation of basketball players defeated Clayton Sharp's team in Tuesday night's game of the Multnomah clubhouse league, 15 to 13. The game was close from start to finish, Stinson starring for the winners by shooting several baskets in the second half.

LOCAL MAN TO BE ARMY 'Y' DIRECTOR

George Dewey

George Dewey, former all-round athletic star at the Oregon Agricultural college, will resign his position as football and basketball coach at the Franklin high school to become Y. M. C. A. physical director at Camp Lewis. Dewey will leave for the American Lake cantonment December 3.

Dewey's resignation will leave Franklin without a basketball coach. Principal Ball is undetermined as to who will be appointed to fill Dewey's shoes. The former Aggie has fought an uphill battle in the Interscholastic league, taking the Quakers three years ago and nursing them along until this season, when his players have rewarded him with seven straight victories without having their goal line crossed. Franklin plays Jefferson Friday for the league championship.

Centralia Boy Plays Football In English Camp

Centralia, Nov. 21.—An account was received in Centralia yesterday of a football game played "somewhere in England" for the benefit of English officers, in which P. D. Sprenger, a former Centralia high school athlete, participated. The game was played on October 27, between two teams picked from members of an American aero squadron and was won by a score of 6 to 0 by a team captained by E. D. Truett of Chehalis.

Other members of Truett's team besides Sprenger were E. S. Menard of Fresno, Cal.; Harris Twist of Chehalis, Wash.; Norman Pride of Pomona, Cal.; Clarence Smith of Angelo Camp, Cal.; E. T. Scoggins of Fresno, Cal.; Theo. C. Llewellyn of Colorado; Morton M. Davenport and K. G. Drew of Butler, Pa., and Jack Allen of Marietta, Ohio.

Goullet Refuses to Pair With Old Rider

New York, Nov. 21.—(U. P.)—Two more teams for the annual six day bicycle race were announced today. They were Bobby Walthour and Paul Suter, and Tom Bello and Vincenzo Madonna. Promoter Wellman still is casting about for a man to pair with Frank Kramer. Alfred Goulett refused to race with Kramer, figuring the veteran could not last through a six day grind.

RED TAPE GIVEN HOOK BY A. A. U. FOR WAR PERIOD

Amateurs May Meet Professionals in Army Cantonments Without Fear.

Chicago, Nov. 21.—(U. P.)—The A. A. U. will eliminate the red tape for which it has been noted in concentrating its energies to boost athletics at military camps.

That was the declaration today of Charles A. Dean of Chicago, newly elected president of the organization.

"My effort at present will be to raise money and encourage athletics in the 32 camps," said Dean. "We want the money for equipment and the activity for the good of the boys who are preparing to go to the front."

Dean declared the competitions promoted by the A. A. U. will be free-for-alls, "with no questions asked about amateur standing or fees demanded."

"If an amateur should find himself opposed by a professional he will not be haled before a critical committee," he said. "He will be as lily white at the finish as at the start."

Benny Leonard Will Battle Gene Delmont

St. Paul, Minn., Nov. 21.—(U. P.)—Benny Leonard, New York world's lightweight champion, has been matched to box Gene Delmont at the Auditorium here December 5. The battle will go ten rounds at 135 pounds weight at 3 p. m. the afternoon of the bout.

Leonard will come here from Denver, where he meets Sailor Kirk on November 28. The stop here and at Denver are his only western stops. The match is to draw $15,000.

Del Baker Is to Join U. S. Naval Reserve

Del Baker, catcher of the San Francisco baseball club, who would have reported to the Detroit Americans next year, yesterday passed a perfect physical examination for the United States naval reserve, and is awaiting orders from the commandant at Bremerton navy yard. Dr. E. K. Scott, the naval recruiting surgeon in Portland, says Baker is a splendid specimen of manhood.

Del is not the only member of the Baker family of baseball players to enlist, as his brother, Glen, one of the best semi-pro catchers in the Northwest, also enlisted for the same unit. Glen, who is known among baseball players as "Chuck," had a trial with the Portland club last fall, and made such a good impression that Nick Williams wanted him to join the Spokane catching staff, but he figured he could do better by himself at the Baker ranch at Sherwood and remained out of baseball. Glen also passed a splendid examination.

They expect to report at Bremerton immediately.

Outfielder Schick To Report to Army

Chicago, Nov. 21.—(U. P.)—Morris Schick, outfielder of the Chicago Cubs, has received 24 hours' notice to report at a United States cantonment. He has played with Omaha in the Western league and Evansville, Ind., in the Central league.

Jesse Barnes, right handed twirler for the Boston Braves, writes from his home in Circleville, Kas., that he is listed in the next draft.

Dreadnoughts Win at Polo

The Dreadnoughts won Tuesday night's game of the Multnomah club water polo league from the Destroyers by the score of 5 to 2.

Cline Trains for Leonard

Philadelphia, Nov. 21.—(U. P.)—Fight fans expect a spectacular fight when Irish Patsy Cline comes here December 12, for his scheduled scrap with the lightweight champion, Benny Leonard.

Athletics "Made" Mike Mitchell

Col. Mike Mitchell

At the age of 24 years Ivan "Mike" Mitchell died this week in a London hospital of the fourth wound received in duty on the firing line in France. He was the first hockey star in the Pacific Coast league to respond to his country's call, and he gave his young life willingly that freedom might be preserved to the world. He left a wife and baby at home to enlist in the Canadian overseas forces.

He took into the Canadian army a clean mind and a strong body, a heritage of his athletics. He won a commission as second lieutenant before he left Canada. "Over there" he showed the stuff that was in him. With a brain quickened by the fastest game man plays, he was able to win the confidence and respect of his superiors. When he died at the almost immature age of 24 years, he wore the insignia of colonel of one of the fiercest fighting bodies of soldiers ever assembled on a battle field.

Mitchell was one of those quiet fellows who love the home life. Although he played goal on the Portland Rosebuds for two years, he was, perhaps, least known of all the Canadian hockey players out here. He never obtruded. When the game was over, he folded up his athletic uniform, put away his stick and went home. But withal he was popular and a grand goal tender.

Singularly enough, few of the professional hockey players followed the example set by Colonel Mitchell and voluntarily faced the German liquid fire and poisonous gas, a situation in contrast to the intense zeal and fine patriotism of the college and amateur athletes of Canada.

EARLE SHEELY IS REJECTED AFTER REACHING ARMY

Medical Examiners at Camp Lewis Will Not Pass Baseball Player.

Spokane, Nov. 21.—(I. N. S.)—Earl Sheely, first baseman in the Salt Lake City club of the Pacific Coast league, this season, has been rejected by the medical examiners at Camp Lewis, American Lake, Wash., where he was sent to join the National army, according to word reaching his home here today.

Sheely was given an extension of time when he was drafted, on application to President Wilson by the governor of Utah and the mayor of Salt Lake. He left here for Camp Lewis November 4. His home is on an apple ranch east of this city.

An overzealous exemption board at Spokane almost had Sheely posted as a deserter, when he failed to notify it that he had been at American Lake for three weeks prior to the final date for reporting. Sheely broke his leg while playing with Walla Walla in the Inland Empire league about four years ago. The fracture was in the ankle, which was improperly set. As a result Earl has been limping around for two seasons with Salt Lake and not being able to do full credit to his terrific hitting. He couldn't run without limping and fans were wondering how he passed the board's examination for the army.

Fowler to Meet Stahl

San Diego, Cal., Nov. 21.—(I. N. S.)—Monk Fowler, the Los Angeles lightweight, will meet Jake Stahl, a local boy, at Dreamland tonight for four rounds. Eddie Huse and "Red" Crow will also box. Welterweight Champion Ted Lewis will box Ray Neal, San Diego's favorite, November 30.

They are named for the Suburban, which will be the first time the trio of stars has been pitted against each other.

Campfire, champion 3-year-old of 1916, also was nominated for this event.

Sun Brier is entered in all three events. Papp, which was one of the best of this year's horses, will run in the Metropolitan and Toboggan.

PELRA CARA HAS HIGHEST TAG AT NEW YORK SALE

Sister of General Watts Brings $250 on Auction Block.

New York, Nov. 21.—(U. P.)—Better prices began to show up for horses offered at the Old Glory auction at Madison Square Garden here yesterday afternoon, as the auctioneers began to place better horses on the block.

The top mark of the sale so far was reached when Pelra Cara, a trotter, by Peter the Great, with a mark of 2:13¼, was knocked down to W. H. Lease of Brooklyn for $2555. Other prices ranged from $100 to $600.

Mistle Thrust, 2:19¼, went to Henry Korine of Lexington, Ky., for $600. Paul Kuhn of Terre Haute, Ind., bought two youngsters, Grace Constance, a half sister of the famous General Watts, for $250. He also picked up Peteress Burton, a trotter, 2:09¾, for $425.

Harry Blanchard and William Zartell, well known trainers, were bidding in every colt placed on the block and picked up several for training purposes.

St. Louis, Nov. 21. — (I. N. S.)—President Branch Rickey of the Cardinals today denied the report from Chicago that he would trade Roger Hornsby and Frank Snyder for Larry Doyle and Fred Merkle of the Cubs. "I wouldn't trade either Hornsby or Snyder for the entire Cub ball club."
