All great men not only know their business, but usually know that they know it; are not only right in their main opinions, but they usually know that they are right in them; only, they do not think much of themselves on that account; they do not expect their fellow-men therefore to fall down and worship them; they have a curious under-sense that the greatness is not in them, but through them.—Buskin.

### DELUSIVE PEACE

RESIDENT WILSON again takes a stand against a compromising peace. The war must go on until the world have a peace that will last. can To hush up the trouble, salve the bleeding wounds, blur over the rotting evils that caused this war would mean only new wars to come. feel yet the seriousness of the war. or something over half the distance It has only begun to taste of suf- to Puget Sound. fering and sacrifice. DWINDLING ESTIMATES

\_

NEWS dispatch in the Oregonian says:

Washington, Dec. 3.-Represen-done the Northwest on river and are not more than one sixth the normal unts asked, the estimates for most southern and eastern rivers are close land. to normal.

In view of the fact that Oregon is ntributing more liberally than bany other state toward the cost of iming at all, he insists this discrimination is unjustifiable and will fight for inreased appropriations.

The congressman's proposal "to fight for increased appropriations" is highly commendable. It is to distance from Pendleton to the be hoped that he may be successful Sound does not count, but 49 miles in that very important endeavor.

The situation recalls that Mr. Hawley had opportunity to become a member of the house committee in which these appropriations originate, and that he failed to take the place. Mr. McArthur did the same thing. It was a mistake. Legislation at Washington is almost wholly controlled in committee. Mr. Hawley on the rivers and harbors committee of the house could have seen to it that gross injustice" would not be done the Northwest in river and

harbor items. Perhaps the fault is not wholly Mr. Hawley's or Mr. McArthur's. There has been apathy on the part of the people at home. The presi-dent of the Portland Chamber of Mr. Hawley's or Mr. McArthur's.

That was an accurate statement. The business world of Portland

has been apathetic. Many of the ablic bodies of Portland have those who ought to have been nave been lethargic.

507 East Forty-ninth street north. Uncle Jeff Snow Says:

No radical change of habits is hy I see where a congressman from Californy has sent in a bill to tax all land force of habits, even when they are not put into crops or made some use harmful, and must be readjusted to the \$5 a year an acre, and \$1 a lot. Mebby this ain't the right way to go at it, "cutting but the slacker acre orter be enlisted in the war somehow. Nobody ever told me Fortunately the ways of healthwhat use a field of idle land is, or what ful living are rather the doing of pleasservice a man ownin' it is doin' with it that fix. To win the war we mu draft the idle land as well as the idle

dollar and git after all kinds of slackers.
