Other Countles Are Ready

Complete organization has already been perfected at Medford, Alfred S. V Carpenter, Jackson county campaign manager, has telegraphed Henry E. Reed, state campaign manager, Mr. Carpenter has appointed local campaign managers as follows: Mrs. C. L. Sheffelin, Medford; E. D. Briggs, Ashland; Mrs. H. W. Davidson, Central Point; Mrs. R. C. Washburn, Table Rock: Rev. Mr. Gannon, Jacksonville Dr. Holt, Eagle Point; Dr. R. P. Kel-sey, Gold Hill; O. H. Gilmore, Rogue River; George B. Carpenter, Medford,

publicity chairman. Carlton L. Pepper, campaign man ager Wasco county, has announced his appointments as follows: Antelope, Maupin, Thomas Flanagan; Mosier, J. N. Mosier; Shaniko, J. W. Hoech; Tygh

ley; Wapinitia, G. E. Woods. From Hood River county, R. E. Scott has announced the following appointments: E. T. Hull, Odell; A. J. Graff, Pine Grove; Rev. W. H. Boddy, Parldale; Mrs. T. J. Kinniard, Dee; G. M. Uptegrove, Mount Hood; Lorey Childs, west side district; Hood River, Mrs. J. K. Carson, captain; Mrs. S. E. Bartmess, lieutenant, and J. H. Hazlitt, lieu-

Walter Kendall, Who Has Just Spent a Month in Honolulu, Says Seattle Making Plans.

PROSPERITY IS VERY GREAT

Sugar Industry Netted Growers Nearly \$53,000,000 This in cash among the Japanese laborers at the close of the season. In spite Year; Labor Troubles Possible of this fat bonus, free house rent, free

That Portland should at once begin egotiations for a line of steamers between this port and Hawaii is the opinon of Walter Kendall of the firm of Clark, Kendall & Co., who has returned from a month's sojourn in the islands. Mr. Kendall states that while he was in Honolulu representatives of Seattle shippers were there arranging for the es tablishment of a line of steamers between the islands and Sound ports, to begin running at the termination of the

joying a prosperity hitherto unknown in waiian territory, unless the govern- their services.

their history," said Mr. Kendall. "This is due to the high prices paid for raw sugar. The normal price of this product is \$70 to \$80 a ton; it has sold as high as \$140 per ton since the war began and the United States government now guarantees a price of \$138 per ton. As the actual cost of raw sugar laid down in New York is \$50 a ton, the \$00,000 ton crop produced this year brought a profit Germans Enemies Until Naturalized

Becoming Citizens of Any Nation Except United States Does Not Give Any Rights Not Held by Kalser's Subjects. crop produced this year brought a profit of nearly \$53,000,000 to the sugar indus-Germans, who have been naturalized in any other country are still alier nemies of the United States.

"Second only to the sugar industry comes the trade in pineappies, which is now greater than at any previous time, and is rapidly increasing in volume. The production of rice is also important, but is being handicapped at this time by the shortage of Chinese labor. This ruling was defined this morning by Assistant United States Attorney

During the last few days the United States attorney's office has been be-sieged with aliens who have received their naturalisation papers in Canada "Labor troubles threaten the sugar nost exclusively on the plantations. therefore that they were not alien ene-

A section of the revised statute or a bonus to be based upon the price alien enemies was read by Attorney received for the raw sugar. The Rankin:

"An alien enemy is a native, a citizen or subject of the German empire, even though he has taken out his first naturalization papers in the United States or has received naturalization papers in

their wages, which average \$45 per "While I was in Honolulu a party of month, and are asking a very material 20 congressmen and four United States increase both in wages and bonus. senators were visiting the islands, their expenses being defrayed by a special "The Japanese far outnumber the appropriation from the territorial white population and in view of the treasury. Among other benefits favorfact that those born on United States ed by the congres territory become citizens of the countion of 30,000 to 40,000 Chinese to work try and are entitled to the ballot, it is in the rice fields, it being proposed to apparent that in the course of 15 or 20 register all who come and prevent their years they will be in a position to con- leaving the islands until the expiration trol the political destiny of the Ha- of the term for which they contract
