

PRACTICAL GIVING

To be sensible is to be happy. Make it a Merry Christmas in the right way. Give the folks a Christmas basket. Let them select anything they want. Just think how much happiness you can give by giving an order on us for "Goods as Selected." Let "mother" do the selecting. You do the giving. We will issue orders for any amount—good any time.

The best is always here. No baits are offered. No bombastic claims are made. We have made good with thousands because we give standard, reliable foods for less. Read this list. It tells the story in no uncertain manner!
