Here is another awful snow storm; and the snow drifts are plling up in my front hall! I guess ! will take another long nap!"

And Teddy Possum and Quilly crept oftly down that tall hemlock; and went off to get their breakfast. And when he two rogues got off some distance they just shouted with squeals of laughter. And day after day they piled enowballs in Jimmy Coon's front hall. And they could hear Jimmy Coon snore, for he was sleeping soundly as a log. In a few days the snow went off; and still Jimmy Coon was sound asleep.

And Teddy Possum and Quilly were wfully clever; for they went off and ound a cave, where a big snow drift was still left. And these two scamps made huge snowballs and carried the Tomorr big armfulls of snow, and threw them At Last.
