## When You've Engine Trouble

Let our expert look over the car and he'll put a finger on the trouble immediately, and tell you just what is necessary to make it run right again.

We don't guess—we know. You pay for no experimenting here. When we repair it, we repair it right, it stays right and you're not likely to have the same trouble again this season. Call us up. All our work is guaranteed and our charges reasonable.
