No Tops Available in Steers but Cows

At North Portland

The egg market continues a weather affair, and a slight moderation in conditions in the east is naturally having the the effect of weakening the views regarding egg prices. While there may be said to be a slightly weaker undertone to the local trade at the moment because of this fear of milder weather in the east, actual trade conditions show little

change. Some of the local trade feel that the shipper

Some of the local trade feel that the shippers are playing a game again to beat down values. If was only a week or 10 days ago that the mame interests and papers were talking about a depressed market price for eggs and a lack of eastern demand, when it was generally known among the trade that the price then was ad-wancing 1 to 2c a dozen each day. This may not be the case at the present mo-

ment, but the trade is very suspicious of an-nouncements made in some papers which in turn are generally traced to certain interested dealers. Sales of case count are are and along Front Front Front Front States and the fractional gains. National Enameling rising 74 to 42.77 This may not be the case at the present moare generally traced to certain interested dealers. Bales of case count eggs are made along Front street during the last 24 hours at 51@52c a dozen, although at the last minute some re-ported the situation as easier, with the price lower. In any event the market is a weather dozen, although at the last minute some reported the situation as easier, with the price lower. In any erent the market is a weather affair, and any rising of temperatures throughout it to 40 %. The forencon Atlantic Gulf moved up 3 % prominent grower of the Sake Labish section. In the origination of temperatures throughout it to 104%. The Marine issues made moderate gains, the common advanced to 24 moderate gains of about to 48.
 CHICKEN TRADE BULING GOOD Excellent tone is showing in the market for all book as need in the advance of 2 points to 112%. Stational gains of about the same gain breke shares of the opening of the live-rection to 113% and gains of about the same dating. General Motors continued strong, selling at 10 % or a pound.
 COUNTRY MEATS ARE FIRMER Firmer one is showing for country killed stuff in the dressed meat market. Sales of fancy block hogs continue reading at 19 % or a pound.
