U. of O. Romance Culminates in Wedding

Aline-Johnson and Charles Tisdale Married—Enlistment Hastens Marriage.

By Vera Lawler
UNIVERSITY OF OREGON, Eugene, Feb. 12.—Another college romance culminated Sunday afternoon, when Aline Johnson, a junior from Portland, and Charles Tisdale, a senior from Sutherlin, were married at the groom's home in Sutherlin.

The two have been engaged for almost a year and Tisdale's enlistment in the aviation corps probably hastened the marriage. The bride is the daughter of Edwin C. Johnson of the Portland Seed company. She is a member of the Chi Omega sorority. Tisdale is the son of Mark Tisdale, a prominent banker of Sutherlin. He is a member of the Kappa Sigma fraternity and Alpha Kappa Psi, national honorary commercial fraternity.

North-Horton Wedding
A pretty home wedding was solemnized at high noon Sunday, when Mrs. Vivian H. Horton of Tigard and Frank North of Portland were united in marriage at the home of the bride's parents, Mr. and Mrs. H. B. Tigard, at Tigard, Rev. Maco, pastor of the Tigard Methodist church, officiating. Immediately following the ceremony a wedding breakfast was served, after which the young couple left for Portland, where they will make their home.

The Illinois Star
The Illinois star in Old Glory is a hundred years old this year and as the regular meeting at the Portland hotel this evening also falls on Lincoln's birthday, an appropriate and patriotic program is arranged to commemorate the events. Every former Illinoisan is asked to be present and help celebrate the occasion. Miss Alice Phelps, chairman of the program committee, has arranged the program at 7:30 o'clock and refreshments will be served. There will be orchestra music for dancing, dancers to play the fiddlers; also card tables for five hundred. Seven thirty p. m. sharp at Portland hotel, Morrison street entrance.

Wisconsin Society
The Wisconsin society of Portland will hold its regular meeting Thursday evening at Thirteenth and Main streets at the Turn of Wheel hall. All members from Wisconsin are cordially invited to attend. Dancing and refreshments will be arranged. No charges will be made to visiting soldiers.

The boys are nearly all Portlanders or Oregonians and of the former Portlanders on the faculty are Mr. and Mrs. Dent Mowrey and Madame Jeanne Jonell. Saturday, February 2, the company

The activities of the Turn Verein announce a Valentine party Wednesday evening in the Turn Verein auditorium, Thirteenth and Main streets. This will call to mind the popular "Frolchers" dances which, under the management of the same committee, were so much enjoyed by the younger set last season. Appropriate decorations and attractions have been arranged for, and the committee will spare no efforts to make this dancing party even more successful than those in the past.

Monday Musical Club Plans Teas

Silver Offerings Will Be for Benefit of Educational Work of Organization.

By Vera Lawler
THE Monday Musical club board of management at its meeting at the Hotel Portland Monday afternoon elected Mrs. W. I. Swank as delegate to the Woman's Council of Defense. A series of silver teas is being planned by the club. These teas will be given at the homes of members, and will be for the educational work of the club. The committee having this in charge is composed of Mrs. A. Gieslich, chairman; Mrs. J. E. Bonbright, Mrs. W. I. Swank and Mrs. L. H. Hanson.

The chorus is planning to give its first concert for this year sometime early in March. It is doing excellent work under the direction of Mrs. Rose Clausen Reed. Mrs. A. D. Sherrick, corresponding secretary of the club, is in San Francisco for a short time, and during her absence her office is being filled by Mrs. J. E. Bonbright. It was decided at the board meeting that teachers or any member of the club unable to attend the members' and artists' concerts, which are given twice a month, would be permitted to invite an advanced student or a friend to attend in their place, and they will be admitted providing they present a visiting card of the member who invited them.

A series of talks on food conservation has been arranged by Mrs. H. N. Burpee for the Couch school this week and it is hoped that every housewife in the neighborhood will plan to attend one or more of these lectures. The schedule follows: Tuesday, 4 p. m., Mrs. R. L. Donald; Wednesday, 2:30 p. m., Mrs. George Winters; Thursday, 2 p. m., Mrs. B. M. Blumauer; Friday, 4 p. m., Mrs. John S. Bradley.

The public is invited to attend the exercises for the dedication of the service flag for Vernon school Wednesday evening, 8 o'clock, in the school auditorium. The exercises will be given twice for the parents of the boys who are in the service. Judge George P. Stapleton will deliver the dedicatory address. There will be special music.

The Milwaukee Parent-Teacher club will hold its meeting Friday at 3 p. m. in the high school. Miss Lena Ulan will speak on food conservation. She wishes to address the parents regarding music for about 10 minutes. Dr. Amos will then address the meeting, his subject being "Child Welfare in the Home." The representatives of the Portland Patriotic Teachers' association will meet in the story-hour room, Central library, Wednesday afternoon at 4:30 o'clock sharp, and every school is urged to appoint a representative as a matter of importance to be reported.

The masquerade ball given by the Fulton Park Parent-Teacher association was a decided success. Over 120 people attended and most of them in very elaborate costumes. The prizes and bandages; knitted work, seven sweaters, two helmets, two pairs wristlets; donation, four pillows, eight wash cloths, 19 dish towels, three hot water bottles, one knitted scarf, a total of 279 finished pieces.

The February meeting of the Oak Grove-Milwaukee Social club will be held at the home of Mrs. J. A. Kuka, corner of Courtney and Oak streets, Thursday afternoon at 2 o'clock, with Miss Elizabeth K. Matthews, chairman for the day. The following papers will be read: "The Alien's Recourse to a Wage Earner," by Mrs. John J. Gross; "The Alien Woman as a Home Maker," by Mrs. Sarah Mong; and "Noted Alien Women," by Mrs. K. Matthews. Mrs. John Waldron will sing and Mrs. S. A. Brown will give instrumental numbers. The members will respond to roll call for their favorite jokes.

The last meeting of the Marguerite Coterie club was held at the residence of Mrs. H. L. Born, 853 Halsey street, Thursday afternoon and the following officers were elected: President, Mrs. Beattie Pantle; vice president, Mrs. H. M. Gray; treasurer, Mrs. H. L. Born; secretary, Mrs. Nellie Redlinger. Prize winners in the different contests were Mrs. K. Fairfax and Mrs. Jennie Dowell. The next meeting will be held at the residence of Mrs. Beattie Pantle, 215 East Seventy-sixth street, Thursday afternoon, February 14, at 8:30 p. m. All residents and sojourning Royal Neighbors and their friends are welcome.

The Patriotic Conservation league, which is directing the "war garden" movement for Portland, has already received many applications for garden space and government seed. In connection with the garden listing the league has charge of the sale of the incinerator fertilizing ash. Ashes are usually regarded as a potash fertilizer, but they contain phosphoric acid and lime, both of which are beneficial. Their use will conserve and protect the soil and assist nitrification. The proceeds from the sale of the ashes will be used to carry on the garden work and other patriotic activities. Headquarters, 725 Corbett building, Main 4170.

The program for the meeting of Central W. C. T. U., February 13, in room A, library at 2 p. m., will be a review and discussion of the state executive committee meeting. Members are requested to be present, and take part in the discussion. Plans for the observance of the Willard memorial, to be held on February 14, are being perfected. The personal friends of Miss Willard and those who have been influenced in their lives by her wonderful life, writings and lectures are especially invited to be present. Rev. M. B. Paroungrain gave a very impressive address at the last meeting upon the history, conditions and sufferings of the Armenians.

Dr. W. J. Kerr, president of Oregon Agricultural college, will be one of the speakers at the next meeting of the Portland Woman's Research club to be given Thursday of next week at Hotel Multnomah, with Mrs. Eldon J. Steele chairman. Dr. Kerr's subject will be "Food a Vital Factor in the World War."

Heatless Mondays Appear Near an End

Washington, Feb. 11.—(U. N. S.)—Heatless Mondays are probably at an end and while Fuel Administrator Garfield stated late this afternoon he would not make any announcement until Tuesday, his comment, "conditions looked very favorable," was taken to indicate that the ban will be lifted. Reports to the fuel and railroad administrators this afternoon were to the effect that there was a general loosening up of conditions and that the outlook was more favorable than at any time during the last two weeks.

Rationing to Come If Food Not Saved

Washington, Feb. 11.—(U. P.)—The compulsory food card may have to come in the United States. Appearing before the house agricultural committee today, Herbert Hoover declared the allied demands on this country for food are far greater today than had been contemplated. The seriousness of the food situation among these nations is such, he said, that legislation is imperative to empower the president to enforce meatless and wheatless days and, in event of the failure of voluntary rationing, adopt the food card.

Bed Time Tales

BY DR. WARREN G. PARTRIDGE

Jimmy Coon Interested in Tapping Maple Sugar Trees

IT WAS March, and there were warm days of sunshine and cold, freezing nights. There was about one foot of snow on the floor of the Big Pasture and on the great forest.

And Jimmy Coon was out on the few warm days eating everything he could find. But Jimmy Coon likes to drink just as well as he likes to eat. But you know that many of the brooks and ponds were frozen over, and covered with ice.

And after Jimmy Coon had been in bed for six weeks, without a drop of water to drink, or a mouthful of food to eat, he was awfully thirsty. And he found Teddy Possum hunting, and he said, with his roguish eyes twinkling: "Teddy Possum, how would you like to get a nice drink of water with some sweet sugar in it?"

"Gracious sakes alive, did you say you say," gasped the astonished Teddy. "Why, I am almost dying for some sugar!" You remember that Teddy Possum has a sweet tooth. In fact, Teddy Possum has 40 sweet teeth. Every tooth in his little head is always crying: "Sugar, sugar!"

"Where can you get me some sugar or sweet syrup?" asked Teddy Possum. "Oh, don't get so excited, Teddy. I've got it for you. For I plan to have Farmer Jones and Little William, the Farmer Boy, get us some sweet stuff today."

"Oh, don't get so excited, Teddy," suggested Jimmy Coon.

"Now, Jimmy, I don't believe a word you say," gasped the astonished Teddy. "Why, you know that Farmer Jones and Little William are not very fond of you, and I know that they will do you no favors, for you have made them lots of trouble."

"Trouble! You say I have made them trouble!" exclaimed Jimmy. "Why, I help them more than anyone in the Great Forest. I catch lots of field mice, grass-

hoppers, lizards and black beetles and crickets.

And Teddy Possum groaned: "Yes, to hear you talk, Jimmy, anyone would think that you run the whole Jones farm, and do all the work."

And Jimmy took Teddy to the sugar lot, back by the Big Pasture, and Teddy was astonished to see Farmer Jones and Little William on snowshoes walking around among the big maple trees.

And Teddy gasped: "Jimmy, what are they boring those holes in those maple trees for?" (You see, Teddy Possum had never been to the sugar lot before.)

"They are boring those holes in those big maple trees for me," answered Jimmy. "Now you watch and see them drive a little wooden spout in each hole, just for me. And now watch! Do you see Little William hanging a wooden bucket on that nail over each spout, just for me?"

Tomorrow—Jimmy Coon Fools Farmer Jones.

This Will Remove Hair or Fuzzy Growths

(Toilet Tips) A safe, certain method for ridding the skin of ugly, hairy growths is as follows: Mix a paste with some powdered delatone and water, apply to hairy surface about 8 minutes, then rub off, wash the skin and the hairs are gone. This is entirely harmless and seldom requires repetition, but to avoid disappointment it is advisable to see that you get genuine delatone. (Adv.)
