

ARMY AND NAVY CAPTURES ALCANTARA SALMON NORTHWEST

EGG MARKET BEGINS TO TREMBLE WITH A SIBERIAN CALL HERE

Shippers Practically Quit Because of Recent Advance Locally and Lack of Big Call From Outside—Spring Prices Soon.

Market for eggs is beginning to show signs of two high prices. While a very limited amount of eggs are shown by wholesalers to retailers in single case lots at 44c a dozen for current receipts, little of the business in such offerings is indicated above 45c a dozen.
