Not a Particle Of Dandruff Or A Falling Hair
Save your hair! Double its beauty in just a few moments.

"Danderine" makes your hair thick, glossy, wavy and beautiful.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots.

Get a small bottle of Knowlton's Danderine from any drugstore or toilet counter for a few cents and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment.
