'Death Grab' and 'Over Top' New Dances

Steps Devised by Springfield High Students Not Likely to Last.

Springfield, Ill., March 1.—(U. N. S.)—The "Death Grab" and "Over the Top" are here. And they had their origin at the high school. But are they going to stay? It all depends on the weight of protests from Springfield's moral squad in the form of a ministerial delegation and dotting mothers launched at the school board.

BEAUTY SPECIALIST TELLS SECRET

A Beauty Specialist Gives Simple Home Made Recipe to Darken Gray Hair.

Mrs. M. D. Gillespie, a well known beauty specialist of Kansas City, recently gave out the following statement regarding gray hair:

"Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, and make it soft and glossy. To a half pint of water add 1 ounce of bay rum, a small box of Barbo Compound and 4 ounce of glycerine. These ingredients can be bought at any drug store at very little cost, or the druggist will put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make a 'gray haired person' look 20 years younger. It does not color the scalp, is not sticky or greasy and does not rub off."

"Good coffee is the most delicate of any food consumed, and more care must be exercised in its handling to insure it reaching the consumer in perfect condition. That is why GOLDEN WEST COFFEE is now packed in hermetically sealed airtight cans by the modern vacuum process."
