BARLEY PRICE GOES TO UNHEARD OF MARK AT \$87 TO \$90 Hyman H. Cohen NORTH BUYS HEAVY SUPPLIES OF EGGS IN LOCAL MARKET

Fifteen Cars Were Shipped Last Week-Local Interests Said to Be Working With Packers Are Controlling Trade.

Very heavy shipments of Oregon eggs continue to be made to Northern points. It is esti-mated that 15 carloads were shipped from Port. land and Willamette valley points to Puget Sound interests during the last week, one firm alone being credited with the shipment of 7 cars, which are said to have gone to packers.

While there has been every indication of a drop in the price of eggs during the last few days, still nothing has developed from the weak-ness and sales are still being made on the street at the former price of 35c for current receipts. b. price to country shippers re-

Heavy Trading in Apples Here; Ripe Stock Being Moved

Holders Inclined to Let Go but Prices Are Not Disturbed Along the Street.

Local apple trade continues to absorb quit liberal offerings and the price is generally held unchanged. Winesaps and Romes are getting so ripe that the trade is not inclined to hold the With eggs piling up the market would show a price so high that a constant movement would very sudden drep if there was the slightest cessarile of the outside business. Local demand is quite good quality but there is little demand for cheeks are still being held in storage with the trade awaiting a cleanup of other offerings. Further agitation against the marking of very small apples as extra fancy is shown among the Efforts will be made to have this defect specifications remedied next season. To date this season the government repor shows a total of 21.311 cars of apples shipped very heavy load, in some instances twice as many boxes going into a car as during normal seasons the total shipments to date in normal cars would run close to 30,000 cars, which breaks all rec-Apple trade of the nation

Peanuts Rising Rapidly in Price

Posnuts have reached the famine point all over the country and the Pacific Northwest has been hit especially hard, since it is almost impossible to secure supplies from the Orient. A carload coming from Varginia to the trade here will cost about 15 cents a pound to land for raw stock, compared with the normal at 8 @ 7 cents. Then the consumer must pay more money.

Potatoes Weak and Movement Is Slow In the Northwest

Wants of Outside Trade Are Nomina but Worse Situation Shown in Onions.

Instead of the potato trade showing an imoved volume, there seems to be a general lack proved volume, there seems to be a general lack of hidding for supplies at country points, only about two dealers operating at all for shipping demand, and these taking only limited supplies. All the business that has been done in U. S. grade No. 1 during the last few days has been at 75c a cental and there is much stock being freely offered at this price. No. 2 stock cannot be sold at any price at the moment. Onion market continues in such bad shape of doing anything during the remainder of the there is so little demand that the movement is scarcely visible. Prices are nominally unchanged nish this substitute must pay the price demanded but it is not the question of price, but of de-by speculators. onions were high-priced everyone seemed to want A similar tone is showing for garlie and many
