

Brownsville Pastor Wants No Pacifists

Brownsville, Or., March 29.—Rev. R. L. Bishop of the Brownsville Methodist church is making it known in no uncertain terms that the attitude of his membership in regard to winning the war for democracy is not to be dictated to his whole membership by a feeble minority. He is letting his flock and the world at large know that the conscientious objectors and pacifists in his church can not "rule the roost," and that the quicker they get out of the church the better he

will be pleased. War sermons are to continue until autocracy falls—that is the ultimatum.

Oh! If I Could Only Fight!

is the feeling expressed by many mothers or relatives of boys "over there." But although these women can't do the actual fighting, they surely can help mightily to win this war by conserving foods, by eliminating waste, by following instructions from the food administration. This Peoples Market, the largest of its kind in the Northwest, prides itself on helping the housewife conserve in her kitchen. Look through this list of foods—note the full variety of wholesome meat substitutes for meatless days—ask us for suggestions for your wheatless baking. All the products carried by this market are the freshest and purest obtainable—sold here for LESS.

No Use to Look Further

FOOD that makes brain and brawn is what our soldiers need. White bread is one of the most essential. Every ounce we save is a boost for them.
Mrs. William Severin, Chairman of the Woman's Advisory Council, says: "Home baking is a triple waste—first, the waste of wheat; second, the waste of time; third, of your family's digestion."
Be patriotic and economical—buy **FRANZ BUTTER-NUT VICTORY BREAD** from your grocer. It is good to the last crumb.
