A Sure Way to End Dandruff

There is one sure way that has never that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, ro matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. stable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tab-lets. They cause the bowels and liver to

The plans of the company contemblate the construction of 150 wooden ships of about 3000 deadweight tons for use in the Transpacific trade. The contracts represent \$75,000,000, and are from a big Chinese syndicate.

Though it has been stated in press dispatches from the east that interests close to the company have purchased the Monarch mills and that options are held on property in the vicinity of the Union Meat company on North Portland harbor, local people, who are in a position to know, profess to have no knowledge of the plans. It is regarded as most certain, however, that the yards will be located on North Portland harbor.
