FOR SALE-HOUSES

HOURES FOR SALE ON EASY TERMS.

Anyone who has lived in the City of Portland for any length of time must confess that the opportunity offered at this time to home seekers was never any more favorable to buy a home. In nearly all cases property is offered for sale for less than the house originally cost to build, the ground value is not considered, and the terms as a rule are so reasonable that almost anyone who is a lower of a home can enjoy to be a home owner which is the ditty of every working man to establish a home for himself and family. We have several of them from \$1000 and upwards on liberal terms.
