Division Board No. 2 Claims
Largest Class of A-1 Regis-
trants of Any Board in State.

ONE REGISTRANT IN CHINA

Portland's First Quota of Second
Draft Ordered to Entrain for
American Lake April 29.

From the far corners of the nation Multnomah county draft boards have this week called men to national army service as the first quota of the second draft and by the evening of April 29 every one of the following men is expected to have entrained for American Lake. Board No. 7 has reached over the boundaries of the United States and has called Victor W. Henningson from Shanghai, China.

Division board No. 2, of which T. D. Honeyman, J. Thorburn Ross and Dr. J. Hunter Wells are members, lays claim to having the largest class of A-1 in the draft registrants in the state, if not on the coast. A total of 1048 men has been placed in class A-1 by this board. Its territory embraces many of the hotels and rooming houses of the city, and the board is anxious to ascertain from others just what right it has to its important claim.
