YOU NEED A CAR NOW

The motor car multiplies the effectiveness and usefulness of every man, every woman at home who is backing up Uncle Sam.

Leaders in every kind of patriotic work are doing double and triple duty because of their time-saving, distance-cutting, energy-conserving motor cars.

This is a machine age. It is wasteful to use hand and foot when machine power can do so much more and do it so much better. And if you have a dependable car the better work it does, the more effectively it serves the nation.

Our stock includes many exceptional bargains in high grade used cars, all everhauled, and ready for real, hard patriotic service.

Call today for a demonstration.
