Gervais Circulator Writes for More Passengers; Has Three Already in Field.

W. S. S.!!

Gervais, Mar. 14—The Gervais Circulator is going strong. For the first time ever in the history of the circulator, the man on the street is getting the chance to have his say about the matter, and it seems to be paying off well. The circulator is being used in a sense to give the people a chance to express their opinions, and it is beginning to have its effect. Spirits of Belgium Is Unconquerable

Professor Victor Kroll of the Berlin University, in a recent address to the students of the University of Berlin, said that the Belgian people are unconquerable. "They are the most tenacious of the European nations," he said, "and they will never give up the fight until they are victorious. They are a people of courage and determination, and they will not be easily discouraged."

Wash Away Skin Sores

The new preparation of Dr. J. B. D. in the treatment of skin sores is now being used by many physicians and surgeons. It is said to be very effective in the treatment of skin sores, and is recommended by many who have used it.
