SHIPYARD LEAGUE WILL POOL NET RECEIPTS TO BUY LIBERTY LOAN BONDS

"Lefty" James, Former Beaver, Scheduled to Hurl for Foundation Team in Games This Afternoon on Vaughn Street Grounds; Mensor Joins McCormick Team of St. Helens.

THE ENTIRE NET PROCEEDS OF TODAY'S GAMES in the Columbia-Willamette Shipbuilders' Baseball league will be pooled and converted into Liberty bonds.

At Vaughn street grounds - Foundation vs. Norwesco.

At St. Johns grounds - Peninsula vs. Grant Smith-Porter.

At Vancouver grounds - Supple & Ballin vs. Standifer-Clarkson.

At St. Helens grounds - Cornfoot vs. McCormick's.

"Lefty" James, who hurled for the Portland Pacific Coast league team last season, is slated to occupy the mound for the Foundation team in the contest against the Norwesco team.

James is hurling great ball this season. Opposing James on the mound will be either Ray Collins, who is one of the best looking prospects of any of the local twirlers in the shipyard league, or Thomas Thompson, former mainstay of the University of Washington club.

Included in the lineup of the Foundation team are some of the best players developed in Portland, "Red" Watts, "Brownie" Groce, "Mud" Ingles, "Chuck" Edwards and "Lenny" Lord.

Bill Gleason, former Oakland catcher, will receive for the Foundation team.

Wayne Barham, the Dallas twirler, who has turned down a tempting offer from the Vancouver team, will pitch for the Grant Smith-Porter team against Peninsula in the game at St. Johns.

Opposing Barham will be Sid Williams. The Peninsula team has been strengthened for the game with the Grant Smith-Porter team. Lorry Shea, who has been released by the Cornfoot team, will pitch for Peninsula.

Grover is Signed.

Al Zweifel and "Jocko" Krause will be the opposing pitchers in the Vancouver contest. This will be Zweifel's first game of the season and big Al should give the Vancouver team a hard battle.

Roy Grover, former second baseman of the Butte team of the Northwestern league, who was given a tryout with the Pittsburg team last fall, has signed with the Standifer-Clarkson team, but he will not be eligible to play until May 5.

Eddie Mensor, former Portland outfielder and second baseman of the Oakland team, is slated to appear in the lineup of the St. Helens team in today's contest against the Cornfoot team. Bert Fletcher is billed to twirl for the Cornfoot team against the St. Helens tossers.

Davis, the Indian twirler, who is an ex-Tacoma Tiger, will occupy the mound for St. Helens.

Playing Good Ball.

The Shipyard league is putting up a flashy article of ball and the games have been well attended. The workmen of the various yards have become enthusiastic fans.

One of the best games of the season is expected when the Cornfoot and Foundation teams hook up on the Vaughn street grounds next Sunday. This game will be played following an exhibition game between the Shipyard team and the Portland team of the Pacific Coast International league.

Jocko Krause fanned 15 batters in the 14-inning contest between the Standifer-Clarkson and Cornfoot teams last Sunday at Vancouver. In addition to his excellent pitching, Krause pelted out the hit that gave the G-C team the game by a 3 to 2 score.

Walter Lutge, center fielder for Standifer-Clarkson team, formerly played with the St. Mary's college team of Oakland.

"Rabbit" Garrity, of the former Northwestern league infielder, and

MICK KING (on the right), sensational Australian middle-weight boxer, and Marty Farrell of New York, who will meet in the main event of the Golden West smoker Wednesday night.

CHANCE TO ORGANIZE RING GAME

Hopes of Followers of Boxing May Be Realized Now That Army Is Teaching Sport.

NEW YORK, April 20.—(U. P.)—The fact that the United States Army is teaching its soldiers the principles of boxing before sending them out to subdue the Kaiser's barbarians may presage the fulfillment of hopes expressed for years by the lovers of clean sports in the United States.

It was seven years ago that Tom Andrews, a prominent sports writer and boxing promoter of Milwaukee, made an attempt to form an international association which would have control of the boxing game. His effort was on the eve of the Jeffries-Johnson fight in Reno.

Perhaps, with the Willard-Fulton bout now approaching, another effort will be made—this time to a more satisfactory conclusion.

Attempts Are Failures.

Attempts to organize an association, operating along the lines of the Amateur Athletic union, which would rule over all bouts, control championships, and decide weights for classes, heretofore have been failures.

Now, however, the United States Army is bringing about a change. The boxing game has a higher place in the national spirit perhaps has been lacking.

Perhaps it has been due to the fact that so many unscrupulous promoters are in the game, and hence, cooperation would be impossible.

EBBETS TO START AT SAME TIME

Brooklyn Club Owner Started Movement and Has Backing Of President Tener.

NEW YORK, April 20.—(U. P.)—When Charles H. Ebbets announced that he intended to start games at Ebbets Field, Brooklyn, this year at the same clock time as usual he started something that had an effect throughout the baseball world.

No sooner had Ebbets' expression been given out than Governor John K. Tener, president of the National league, declared himself in favor of starting games as usual, a feeling to which he had steadfastly adhered but never expressed, and Harry N. Hempstead, president of the Giants, definitely made known the time by which the Giants would regulate their games at the Polo grounds.

Ebbets' declaration came after long deliberation of the subject from the viewpoint of the fans. At first he entertained the belief that the fans should be given a chance to express their wishes through a voting contest, but he receded from a stand after consideration of its merits.

Tener Stands Firm.

Governor Tener's conviction was deep-rooted, for the president of the National league was most instrumental in an Indianapolis, Ind., effort to bring about before the house of representatives. Consequently there was but one thing for him to do—stand firmly by the bill and its purposes, which are nothing more than an effort to give more time to war work.

The club-owners themselves, Governor Tener thought, should be left to figure the matter out for their own cities, but behind no hesitation in expressing the belief that baseball should be no more lax than other professions in setting the clocks with the time decided on in resolution passed by congress.

Ebbet Congratulated.

When it was seen to be certain that National league clubowners were going to abide by the decision at Washington, Ban Johnson, president of the American league, also fell into line, and gave out a statement in which he declared the start of starting games would be left up to clubowners in his circuit. Previously he had declared himself in favor of a later clock time for starting games because he figured the revenue at the gate would be greater.

Colonel Ebbets received many congratulatory messages from those interested after the announcement of his decision. PROTEST OF WOODBURN GUN CLUB UPHELD AND THREE CLUBS ARE TIED

Woodburn, Astoria and McCoy Will Shoot Off for Championship of Willamette-Columbia Trapshooting League; Frank Troeh Individual Champion, With a Perfect Score.

THE protest of E. G. Hawman, president of the Woodburn Gun club, on the scores reported by the McCoy Gun club in the final match of the Columbia-Willamette Trapshooting league will be upheld, according to the officials of the organization.

As the result of the decision to uphold the protest, three clubs—Astoria, Woodburn and McCoy—are tied for the championship, each club having won seven matches and lost one match.

In its protest, the Woodburn club charged that the scores reported by the McCoy club were not made on the day that the match was scheduled. In the regular match, the McCoy shooters registered a total of 103 and Woodburn scored 110.

An effort is being made to have the three-cornered tie for the title shot on the Everding Park traps of the Portland Gun club. It may be possible that the shootoff will be shot today and, if not, it will be scheduled for next Sunday.

Frank Troeh, the Vancouver, Wash., crack, is credited with a perfect score for the season, breaking 175 straight targets in the league matches.

Ad. Schilling, of Aberdeen, E. Christensen of Vancouver, McCoy, B. Saunders of Pendleton and J. Morgan of Aberdeen are also credited with 100 per cent, but these shooters did not participate in enough matches to be included among the prize winners.

Averages Are High.

Sixty-eight shooters in the league averaged 90 per cent or better. Fred Newman of McCoy missed but one target in the seven matches, giving him a percentage of 99.48. Mark Siddall of Astoria missed two targets in the league matches and W. S. Short of Vancouver, Charles Leeth of Woodburn and H. Domes of McCoy each registered percentages of 97.71, missing but four targets out of 47.

Following are the percentages of the shooters of the Columbia-Willamette Trapshooting league:
