BILL SHOUP RUINS ALL PLANS OF VANCOUVER WITH A 5 TO 0 VICTORY

Fisher's Men Take Advantage of Mistakes of Opponents and Play Beautiful Ball; Buckaroos Get Away in Lead in First Inning; Dick Cox Breaks Bone in Finger and Is in Hospital.

By R. A. Cronin

DILL SHOUP again busted up the nice plans of the Vancouver dambuilders yesterday with a 5 to 0 victory that evened up the score, but it was costly to the Buckaroos.

Just when things were going nicely in the ninth a foul tip from Bemis' bat lighted on Dick Cox' little finger, broke the bone and sent it sticking through the flesh.

The peppery catcher was hurried to the hospital, where the injured member was dressed. It is the second casualty on the Portland club this season, the left wrist of Infielder Haney having been broken by a pitched ball in a practice game by Chief Jacobs BEES LAND of the Vancouver Soldiers. The absence of Haney has been sorely felt and the enforced idleness of Cox will double Manager Fisher's troubles.

The score:

Boss Fisher's men played a heautiful game of baseball, took advantage of the mistakes of the enemy and clouted in a few runs when the opportunity came up.

Not the least factor in the run-driving was Bill Shoup himself. His ingle in the sixth sent two clattering across the obloid.

Beavers Get Away in Lead The Buckaroos got away in the lead when Smith singled in the first inning, moved up on Fisher's sacri-fice, took third on Sullivan's out and tallied on Lee's sacrifice fly to

Two more were made in the fifth. With one down, Shoup beat out a hit to King by some sprinting. Smith fanned and then Lefty Slattery walked Fisher. Sullivan singled against the right field fence, scoring Shoup and putting Fisher on third. Sullivan started a steal. Boeizie made a short throw to King, and when the ball went over his head, Fisher scored. Lee flied to Wolfer for the last out.

Bags All Full in Sixth One was gone in the sixth when Kibble got away with a walk. Rit-ter tapped a single to left and Cox as hit by a pitched ball, filling up the bags. The infield was drawn in and Shoup tapped the ball just over hort. Kibble and Ritter scored, but Peterson overran second.

Bemis was in on the ball in hurry and had Peterson trapped finally running the Buck down and outhing him out after bluffing to throw on either side of him. Slattery threw Smith out and after that retired the six men in the next two innings in order.

The crowd picked but, owing to the threatening weather, it was far from being a good Sunday crowd. The game with Aberdeen this afternoon will start at 4 o'clock and the same time will prevail all week, except Sunday when it will go back to 2:30 or 3

Manager Fisher signed up George Pembroke last night to take the place of Catcher Dick Cox. Pembroke was among the players who were at the training camp of the Buckároos this spring in Pendleton.

GIANTS TO GET PLENTY OF OPPOSITION WHEN THEY START OUT WEST

Cubs and Reds Expected to Furnish Real Opposition to Runaways; Cleveland With Crippled Team Has Been Showing Great Strength in American League Pennant Race.

By Jack Veiock

YORK, May 6.-(I. N. S.)-Looking ahead to their first western invasion, which opens Friday in Pittsburg, the Giants can see much stronger opposition than they have met up with so far this season.

The Chicago Cubs, holders of second place today, are living up to predictions made for them in advance of the season. They are doing better than was expected, for without the services of Grover Alexander they continue to win, and now have a winning streak of nine straight games, which ties the record made by the Giants in their opening drive.

That the Cubs will furnish strong opposition for the Giants is assured, and the Cincinnati Reds, with Fred Toney returned, are more dangerous now than they were when the season opened. Toney won his first game of the season Sunday against Pittsburg. The Pirates, with several left hand

pitchers in good form, may also prove a knotty problem for the Mc-Graw men to solve, and on top of everything else is the disadvantage of traveling and the breaks against the road club. In the American league the Red

Sox have slowed up their pace a trifle; Cleveland has been winning with dogged persistence and the White Sox are slow, yet surely, reverting into their true form. The Yankees are settling down to some real baseball, and may surprise western rivals who visit the
