FLOUR OVER TO U. S.

Large Quantites of White Flour Shipped as Result of Sacrifice by Dealers and Consumers.

Authority for the Food Administration sone committee, covering the states of cept at cost price from dealers and costfrom Washington received Monday by Assistant Food Administrator, W. K. Newell.

It was announced some time ago, small at present and cars are being that the government would pay for stored in preparation for the fruit movewheat flour returned by patriotic ment later in the season. oltizens who are willing to cut down or eniminate their consumption of wheat flour to make more wheat for shipment to the front.

"The plan has already been in operation in many other sections of the country, said Mr. Newell this morning, "with the result that hundreds of carloads of flour so secured are now moving from different points toward the Atlantic seaboard. Some preliminary work has been done in Oregon by our county administrators, but until we received this morning's instructions, we have unable actually to take over the flour offered in substantial puantities dealers and consumers. We shall proceed to gather Oregon's offerings, and all who are willing to go on a heatless or more nearly wheatless diet than formerly and who have flour on hand, should get in touch with the county

The instructions provide that all flour from districts tributary to Seattle will assembled at Seattle and shipped rectly from there; that from districts tributary to Portland will be assembled ere for exporting, and that Southern daho flour will move toward New

The flour will be collected through the usual dealers, under the supervision sand. of the county administrators. Plans will be worked out in detail nd presented to the county food administrators at their conference Wednesday fight at the auditorium, so that the work

Railroads Limited

or Transportation Body in a City May Be Taken by Railroads.

One membership only may be taken by a railroad in a chamber of commerce, board of trade or similar organization in cities on their fines. An order reselved today by officials of Portland F. McKerther Arranged for Releasing of terminal lines from Regional Director Russellites Who Distributed Copies of places this limit on such men berships during the period of federal control of the railroads.

this rule also applies to memberships in days in jail as a result of their arrest traffic clubs. In large shipping centers, for distributing "Kingdom News," the where it seems necessary for railroads Russellite publication branded as seditito pay for more than one membership ous, were released yesterday by Musach in traffic clubs, permission for a nicipal Judge Rossman when F. Mcgreater number will be granted upon presentation of sufficient proof.

Memberships in these organizations are limited by this order to towns on the with previous orders closing off-the-line offices of the roads, will result in a very onsiderable reduction of the memberships in the Portland Chamber of Com-The Portland Transportation club has already suffered the loss of a large number of members by the discontinuance of solicitation and the shifting of men employed in off-the-line offices to Eastern and Middle Western ter-

Three 40-Year-Old Men Join the Army there was no suspicion that the police would object to its further circulation.

Three prosperous 40 year old citizens of Molalla, not to be outdone by younger and single men left their homes, their families and their industries and enlisted Saturday in the United States army. Charles M. Purdy, married, sold his dairy farm to enlist. Fred Byron, mar-ried and with four children, left his 520 and naval officials Monday arrested two acre farm in charge of his wife, who men listed as slackers. They were takwill do her "bit" while Mr. Purdy helps en on the motorship Evelyn. One is H. round up the kaiser. He sold a sawmill S. Danielson, first mate of the craft,

Refrigerator Cars Stored for Orders

Southern Pacific Explains Presence of Empty Cars on Sidetracks at Corvallis, Reported by Correspondent.

Southern Pacific officials, explaining the presence of 111 empty cars on a sid-ing at Corvallis, reported by a Journal erator cars are being stored at various points on their lines, awaiting orders from shippers. There were reported to have been 10 flat cars. 46 refrigerator, and 55 box cars standing on a siding near Corvallis. These figures are practically correct, according to officials of

The 10 flat cars had been used in re laying freight at the scene of a recent derailment on the Corvallis & Eastern line, say the officials. There is no longer a shortage of closed cars in the Pacific coast states, or in any other part of the country, for that matter, they say. Box tion overseas, was given in a telegram cars are to be had in great abundance and the wants of shippers are being met in every instance.

The demand for refrigerator cars is small at present and cars are being

TWO TIMBER SALES MADE BY NATIONAL TO BIDDERS

Wasco Pine Lumber Co. Pays \$2.95 Per Thousand for Yellow Pine.

Two timber sales, aggregating 15,000,-000 board feet of government lumber, have just been made by George H. Cecil, The Wasco Pine Lumber company at

The Dalles was highest bidder on 11,000, 000 feet of western yellow pine at \$2.95 a thousand, and 300,000 feet of Douglas fir and other species at 50 cents a thou-This timber stands on the Tamarack creek draining basin, Oregon national forest.

The other sale, 2,000,000 board feet of living and dead Douglas fir and 900,000 feet of live and dead western red cedar and other species, was awarded to Ches ter McKenzie, of Glacier, Wash., at \$2.30 a thousand. The timber is on the north fork of the Nooksack river.

The forest service is advertising three tracts of timber, aggregating 4,000,000 feet of yellow pine and 400,000 feet of Douglas fir, western larch and other species, in the Blue mountains in the Whitman national forest. About 1000 cords of western red cedar for shingle bolts are offered for sale in the Wash-

Ington national forest.

\$100 Fines Paid; 3 Men Set Free

"Kingdom News" About the City.

Lee Miller, George H. Simpson and Except in large commercial centers, Floyd B. Burtch, who have served 28 Kercher, a Russellite leader, paid \$100 fine for each man.

Mr. McKercher presented to Judge Rossman the proposition of reducing the lines, affected. This order, together fines of the men from \$200 each to \$100 each on a promise that the sect would pay the lesser sum. The trio was originally sentenced to serve 15 days in jail and to pay \$200 fines, but the fines were not forthcoming and the distributors languished in fail. Judge Rossman once before declined to reduce the fines or release the men, but agreed to the suggestion when Mr. McKercher yesterday presented his plea in writing, declaring that the sect had no intention of affronting authority by the distribution of its literature. The communication said that similar propaganda had been distributed in Portland for eight years without interference from the police and

and the other is S. G. Silversten. Both James W. Byron, his cousin, married are natives of Norway. They are beand with one child, is leasing his farm ing held to await action of the war

Repeated Wednesday By Request

Auspices of the U.S. Food Administration

Mr. J. C. Macpherson Manager of the Meier & Frank Bakery Will Give a Practical Demonstration of

Wheat Saving Breads In Our Auditorium at 3 P. M.

Owing to the extraordinary success which attended this demonstration Monday and because of the fact that so many people were prevented from getting the benefit of it on account of our Auditorium being completely filled, it has been decided to repeat the demonstration again Wednesday in its entirety, so that all may have an opportunity to profit by it.

Mr. Macpherson will demonstrate the making of bread made from one-third wheat and two-thirds substitute flours from the mixing of the dough to the finished loaf. He will also demonstrate how to make "WHEATLESS CAKE" and "WHEATLESS PIE."

PRINTED RECIPES GIVEN AWAY FREE

All are invited to attend these demonstrations—there will be no admission charge. Remember, the first demonstration begins promptly at 3 P. M.—a punctual attendance is requested.

Nemo Hygienic-Style Service

Nemo hygienic-style service is the term used to designate the scientific manner in which Nemo corsets work to improve both health and style. Every Nemo corset has special health features that are also style creators. Among the most famous Nemo inventions are the self-reducing devices. The sketch shows:

1 Nemo Self-Reducing Straps. 2 Nemo Auto - Massage Bands. 3 Incurved Front Steels.

These three features support the body and massage away excess flesh. This improves the health and makes the figure much more symmetrical. There are many other equally wonderful features in the famous Nemo corsets. Come in Wednesday and secure your new Nemo. Moderately priced \$3.75

${f The Famous Nemo Brassieres}$

"Fit as You Fasten"

The Nemo brassiere, like the Nemo cor-set, is adjustable—it "fits as you fasten." The under-arm laces make it entirely adjustable-it fits every figure, all the time. Just draw the waist tape-make the brassiere as snug as you like, then tie-that's all. Nemo brassieres launder well and are not affected by shrinkage. Models for full figures, open front or in back. Priced \$1 upwards.
