Shippers Protesting Against Higher Rate

Washington, May 31.—(U. P.)—Claiming that increased cost of operating the railroads is a war necessity and should be borne by the people as a whole, seven powerful shippers' organizations have banded to protest Director General McAdoo's nation wide freight rate increases.

In a formal complaint lodged with the railroad administration today the following associations charged American shippers will suffer from a government policy of "shielding" the railroads from increased war costs which may be expected to mount to further heights due to war conditions.

National Federation of Shippers; Petroleum Refiners' association, Western Petroleum League, Western National Livestock Shippers' Protective League, State Livestock association of Illinois, Cornbelt Meat Producers' association and National Council of Farmers' Cooperative association.

Amsterdam, May 31.—(L. N. S.)—Nicholai Lenine, the Bolshevik premier of Russia, in a speech before the Russian executive committee, declared that Russia will continue the war and
