West Point, N. Y., June 12.—(I. N. S.)—One hundred and thirty-six new officers were added to the United States army here Wednesday when Secretary of War Baker announced the graduation classes of the United States military academy. The cadets were prematurely graduated a year ahead of scheduled time...

One Person Killed In Railway Wreck

Salt Lake, Utah, June 12.—(U. P.)—Eight coaches of Denver & Rio Grande train No. 1, Denver to Salt Lake, went in the ditch on the outskirts of Salt Lake at 1 o'clock Wednesday, killing one passenger, perhaps fatally injuring another, seriously injuring 10 to 12 and slightly injuring about 40...

British-American Draft Pact Signed

Washington, June 12.—(I. N. S.)—The treaty under which Great Britain and the United States may draft British subjects here was signed in London on June 8, the state department announced today. Before the treaty becomes operative, it must be ratified by congress and by the British parliament...

Shipworker Dies As Result of Fall

Charles Norene, an employe at the foundation shipyards, was killed from a fall which he received at 4 o'clock Wednesday afternoon. Norene was 22 years old, and had been working on a scaffold, when he fell a distance of fully 40 feet to the ground. He was immediately rushed to the Good Samaritan hospital, where he died at 5 o'clock...

WARTIME RECIPE FOR GRAY HAIR

Atress Gives Simple Inexpensive Recipe for Streaked or Faded Gray Hair. Mrs. Mackle, the well known New York actress, now a grandmother, and whose hair is still dark, recently made the following statement: "Gray streaked, faded hair can be immediately turned black, brown or light brown, whichever shade you desire, by the use of the following simple remedy that you can make at home..."

Rabbi Wise Pays Tribute to Worker

Miss Isom Honored in Address Before Ad Club—Letter Will Be Sent to Collier's Regarding Portland Shipyards. "The Portland public library as an institution, perhaps the finest in the city, is being destroyed by the fire which destroyed the library building on Wednesday afternoon..."

Thomas J. Baty Dies From Sudden Stroke

Body Found in Pasture Where He Had Taken Cow—Is Third Brother to Die From Stroke of Apoplexy. Thomas J. Baty dropped dead near his home in Parkrose Wednesday evening, supposedly about 8 o'clock, but his body was not discovered until 2 o'clock this morning. Mr. Baty went out to milk his cow, and after finishing this chore took the animal out to the pasture, where he dropped dead...

Reed College Head to Attempt to Bring About Better Understanding Between Peoples of British Isles and America. The British government, it was learned today, has invited President Foster to make an extensive speaking tour of the British Isles. President Foster has accepted the invitation and is to bring about a better understanding between the people of Great Britain and the United States...

Strange Malady in Belfast Factories

London, June 12.—(I. N. S.)—A mysterious malady has broken out among the workers in munitions factories in Belfast. For several weeks epidemics of a strange disease have been breaking out through Europe. Spain has been the worst sufferer, but there were also outbreaks in the Scandinavian countries...

CLOSER UNION URGED BETWEEN AMERICAN AND FRENCH MASONS

Grand Master Shellenbarger Recommends Recognition of French Branch. Closer union between the Masons of America and the Masonic brothers of France was urged by W. G. Shellenbarger, grand master of the Oregon grand lodge of Masons, which opened its annual convention in Portland Wednesday...

Tyler Crew Lived Up to Traditions

Washington, June 12.—(I. N. S.)—They lived up to the traditions of the naval service in conformity with actions now being taken by the different jurisdictions. The members of the crew stuck to their posts until the vessel was shattered and two lost their lives. It was with great difficulty that the others managed to get away...

Sugar Allowance Cut to Two Pounds

Shortage of Receipts Causes Order Allowing Small Individual Purchases; Thought to Be Only Temporary. Two pounds of sugar at a time is all residents of Portland may purchase, according to the latest orders of the food administration. This drastic order was issued Wednesday at the command of the national food administrator...

Bulgars Kill Greeks In East Macedonia

Washington, June 12.—(I. N. S.)—The wholesale massacre by the Bulgars of all but 140 of 20,000 Greeks deported from eastern Macedonia was reported to the Greek legation today by the bureau of prisoners at Geneva, Switzerland. Officials here believe that it is the purpose of Bulgaria to wipe out the Greek population of captured territory in order that a firm grip of northern Greece might be achieved...

U. S. Marines Stage Recruiting Stunt

As a spectacular feature of the Marine week parade, between 2,000 and 3,000 persons were drawn to Liberty street at 9 o'clock last night by large quantities of red fire, a fusillade of machine rifles and the arrival of the fire department. The "stunt" had been carefully planned by the marine corps, but it was a complete surprise to the public...

Midvale Plant Is to Turn Out Big Guns

Washington, June 12.—(I. N. S.)—The present plant, greatly enlarged, of the Midvale Steel company is to be used for the manufacture of guns of large caliber for the United States, it was learned at the war department this afternoon. Announcement recently was made that the company had agreed to build an immense machine plant for the government. Since that time, however, it became evident that the present plant, with extensive improvements, would prove ideal for the work...

Auto Balks, Turns Over, Injures Driver

Forest Grove, June 12.—John Ellis, a milk-hauler who lives near Dilley, was caught under his automobile truck Wednesday and seriously if not fatally injured. He was running up a hill when the engine stopped. The brake refused to work and the car ran backward down the hill, turning over and pinning Mr. Ellis underneath. A boy on the truck jumped and escaped injury...

Women, Boys and Girls Urgently Solicited to Help Harvest the Rapidly-Ripening Fruit. Two thousand loganberry pickers. Two hundred strawberry pickers. Several hundred cherry pickers. These are the urgent appeals of Oregon fruit growers...

Germans Admit U. S. Force Is Growing

London, June 12.—(I. N. S.)—German papers now state that there are 500,000 American soldiers in France and that half of them are fighting, said an Amsterdam dispatch to the Chronicle today. General von Liebert, writing in the Tagische Rundschau, says that hitherto America has threatened with military statistics, but now is actually fighting...

Denial Is Made That Minotto Is a Count

Chicago, June 12.—(I. N. S.)—The "countability" of Count James Minotto, son-in-law of President Roosevelt, Wednesday gave up his fight to obtain release from internment at Oglethorpe as an enemy alien, has been attacked in Figaro, a Paris newspaper. In a letter published by this newspaper, Minotto signed "Minotto, former under-lieutenant," denial is made that the packer's son-in-law is related to the Italian or French family of that name, and doubt is expressed as to his right to use the title...

CLERKS WILL HELP KANSAS SAVE CROPS

WASHINGTON, June 12.—(I. N. S.)—Thousands of clerks from city offices and stores will help harvest the Kansas wheat crop of 100,000,000 bushels, according to information received by the department of agriculture Wednesday. Owing to the great labor shortage caused by the war, chambers of commerce throughout the state, assisted by the department of agriculture, have conducted a well organized drive in the cities to organize men willing to help with the harvest. Ten thousand clerks were signed up in Kansas City alone...

STATE COMMISSION WILL PAVE SECTION OF PACIFIC HIGHWAY

Eighteen Miles of Road North of Salem to Be Surfaced When Work Can Be Contracted. Salem, Or., June 12.—Announcement has been made by State Highway Engineer Nunn that the state highway commission will immediately begin advertising for bids for the paving of 18 miles of the Pacific highway just north of Salem. Estimated cost of the improvement is \$348,000, of which the state will pay half and the government half. This is a post road and the state's share of the cost will come from the funds obtained by the sale of bonds under the Beane-Barrett bill...

Johnson Asks Why Wood Was Removed

Washington, June 12.—(I. N. S.)—"It is the cruelest thing in the world to humble brave men," declared Senator Hiram Johnson on the floor of the senate Wednesday, in making another demand on the administration for the reason why General Leonard Wood was deposed from his command. After adding numerous editorial asking why the country is kept in the dark about General Wood, Senator Johnson declared that no other nation on the face of the globe would dare depose its ranking officer without telling the people why. "If the brave spirit of General Wood is to be humbled, for the love of God why doesn't the administration tell the nation why?" he added...

Names of 4 Dead Marines Announced

Washington, June 12.—(I. N. S.)—The names of four marines killed and two severely wounded in the recent fighting in France were announced by the navy department late Wednesday. Those killed: Privates George Frank Olive, Berry, Ala.; William Henry Boyle, Houston, Tex.; Henry Edward Stock, Brooklyn; McKinley Swart, Panama, N. Y. Severely wounded: Colonel Albertus Wright Catlin, Washington, D. C.; Lieutenant Albert Preston Baston, St. Louis Park, Minn.

War Risk Inquiry Proposed in House

Washington, June 12.—(I. N. S.)—Appointment of a committee of five to investigate the administration of the war risk insurance bureau or called for in a resolution introduced in the house on Wednesday by Representative Harrison of Mississippi. Delay in payment of soldiers' allotments prompted the resolution. Move Food Administration Is Requested. Washington, June 12.—(I. N. S.)—Representative Madden of Illinois, in a speech in the house Wednesday, called for the removal of the food and fuel administrations to Chicago and Pittsburgh, respectively. Mr. Madden said that for the administrations to make coordination effective they should be placed at the natural sources of supply. Electric Trains Crash. Chicago, June 12.—(I. N. S.)—Forty persons were injured Wednesday when two passenger trains collided at Chicago railroad, an interurban electric line, collided at the downtown terminal. One girl was rushed to the hospital, while others were attended in the waiting room.
