

GERMANY-AUSTRIA HAVING TROUBLE

Reports of Riots in Vienna Lower Crown Value on Bourse; Hindenburg Controls.

London, June 17.—(L. N. S.)—Reports of grave riots in Vienna have resulted in an unprecedented shrinkage of the value of the Austrian crown on the Dutch bourse, said an Amsterdam dispatch to the Express today.

Dutch bankers also have reports of serious trouble brewing between Vienna and Berlin, as Austria wishes an immediate statement of peace terms as the only step conducive to negotiations.

Germany is now under the thumb of Von Hindenburg, who wishes to await the result of the western offensive, in hope of forcing harsher terms, it was stated.

It is now understood that the recent visit of Baron Burián, the Austrian foreign minister, to Berlin was mostly devoted to the peace aims problem. The shortness of the trip indicated that he found the Germans obedient to Hindenburg's voice.

The political crisis in the dual monarchy continues. The Polish party, having a majority, is said to have compelled Premier von Seyditz to hand in his resignation again. If the emperor does not accept it, the Austrian government will have to refrain from assembling parliament. The position of the government is seriously menaced, as it is difficult to find a new premier sanctioned by Germany.

The crown is the standard gold coin of Austria and, before the war, was valued at about 20 cents in United States money.

Troops Repress Disorder
Paris, June 17.—(U. P.)—Four thousand Austro-German troops are repressing disorders in the Lemberg district, according to neutral advices received here today. Food rioting in Vienna, Buda-Pest and Prague is said to be particularly serious in the latter city.

Bohemia Has Trouble
Milan, June 17.—(U. P.)—Proclamations have been posted throughout Austria-Hungary announcing that the government has discovered indications of an outbreak which will be suppressed by force. Disorders have been growing throughout Bohemia, it is said.

Strikes in Germany
Amsterdam, June 17.—(L. N. S.)—Strikes are being organized in Germany as a result of the decreased bread ration, according to information received here today.

Strawberry Pickers Earn Good Wages

Pickers on Stratton Farm Near Brownsville Earn \$4 a Day; More Pickers Wanted; Many Necessities Furnished.

Strawberry pickers are making \$3.50 to \$4 a day on the farm of Oren Stratton, near Brownsville and living accommodations are furnished the workers, according to Miss Maude Eagan, government representative of the labor bureau department of the city of Portland, with offices in the city hall.

Forty additional hands are wanted on the Stratton place. The employees also have excellent bathing facilities. Ideal conditions, including a lake where swimming and boating are possible, are also said to prevail on J. O. West's place near Brownsville. The owner also furnishes good shelter for the workers. High prices and scarcity of tents form a handicap to some families and those farms where living needs are supplied are getting the best of the labor response.

BOWEN ORDERED BACK TO EUGENE

University's Final Status as Officers' Training Camp Definitely Assured.

University of Oregon, Eugene, Or., June 17.—Oregon's final status as a reserve officers' training camp was definitely assured Sunday on the receipt of a telegram from Adjutant General McCain at Washington, D. C., to the effect that Colonel William H. C. Bowen of San Francisco would be immediately detailed to the university to command the battalion in conjunction with Colonel John Leader.

This assures the university of a complete working organization under the government. Colonel Bowen and Colonel Leader will work hand in hand and carry on the work in the battalion that was started by Colonel Bowen last November and which was taken over in January by Colonel Leader. Colonel Bowen has been in the United States army for some years, and has seen active service in the Philippines. At present he is in San Francisco and has been drilling several home guard organizations.

It is not definitely known whether Colonel Bowen will be in Eugene in time for the opening of the summer camp on June 24. Colonel Leader expects 150 or 200 for the month's training period.

TRAIN HITS AUTO; TWO ARE KILLED

S. Grant Smith of McMinnville and Wife Victims of Collision Sunday.

McMinnville, June 17.—A fatal collision resulting in the death of S. Grant Smith and wife, residents of this city, occurred at the railroad crossing on Fifth street, Sunday evening, at 5:30. Mr. Smith, wife and daughter, were starting for Portland by auto and were struck by the incoming electric train, No. 360, from Corvallis.

The auto was struck squarely in the middle and carried ahead of the train for almost a block. Mr. Smith was found lodged under the auto and against the pilot terribly mangled. Mrs. Smith was sitting with her husband in the front seat of the auto and was badly bruised, hip and collar bone broken. She lived three and a half hours. The daughter, Dorothy, sitting in the rear seat, escaped with slight injuries. The mother and daughter remained in the auto.

Mr. Smith was a farmer, working in Portland, and had come home to spend Sunday. The family was accompanying him back to his work and were to return with the car. The Smiths were residents of Yakima until about two years ago, coming to McMinnville to educate their children, and were about to build a home here. Mr. Smith was also an architect and contractor.

PROMINENT DUNDEE WOMAN DIES AFTER LIFE OF USEFULNESS

Mrs. Susan Crawford Came to California by Ship in 1861, to Oregon in 1889.

Mrs. Susan Crawford, one of the best-known women of Dundee, Or., died in this city Sunday at the age of 72. Mrs. Crawford came to Oregon in 1889 and settled with her husband, J. M. Crawford, on a donation claim at Dundee. Mr. Crawford survives her. Mrs. Crawford came to California around the Horn in 1861. She was the wife of Charles Thompson, a well-known merchant in Morrow county, and beside her husband is survived by two sons, Earl and Charles Thompson. Mrs. Thompson came to Portland for medical care a few weeks ago and died Sunday. She was a native of Kansas, aged 37, and had lived in Oregon for the past 11 years.

\$2 Minimum for Wheat Is Planned

San Francisco, June 17.—(L. N. S.)—The grain corporation of the United States food administration now in session in New York is planning to set a minimum price of \$2.00 a bushel for wheat of a, b, c, cars at all points, it was announced Saturday by R. A. Lewin of the Grain corporation. Such action would be greatly to the interest of the Pacific coast and intermountain growers, Lewin said.

The fixing of such a minimum price was planned, it is said, to secure for the farmer the best price possible in view of the varying differentials in freight rates. The government price on wheat is \$2.20 a bushel at Chicago.

As soon as definite program is determined upon the Grain corporation, which will hold another conference June 24, will notify farmers, grain dealers and flour mills as to the exact basis on which the 1918 crop will be handled.

McCammant Speaks at The Dalles Service

The Dalles, Or., June 17.—Hundreds of persons attended the Elks' flag day service, held on the lawn of the Elks' temple at 7:30 o'clock Friday night. The impressive ceremony was carried out with the dignity and simplicity peculiar to it, and Judge Wallace McCammant of Portland delivered the address, which was pronounced the best ever heard in The Dalles. Miss Jeanette Crossfield of Portland sang and Mrs. Carlton P. Williams of The Dalles furnished a second musical number. The Elks' service flag, bearing 46 stars, appeared just beneath the American emblem.

The local Daughters of the American Revolution also conducted flag day services on the banks of the Columbia, holding their services at 6:30. A feature of the service was the burning of worn out flags which had been collected by the Boy Scouts.

SURVEY SHOWS NEED OF TRANSPORTATION FOR LINNTON MEN

Out of 1249 Employed in District, 716 Live Too Far From Work to Walk.

Transportation needs of the Linnton district are shown in a survey of the industrial field, which demonstrates that a total of 716 men working in or near Linnton live too far away from their places of employment to walk to work. All told there are 1249 men at work. In addition to this, some 150 families reside along the St. Helens road, and members of these are more or less dependent upon private means to reach the city of Portland.

This report was rendered today by the Clark & Wilson Lumber company to the mayor and city commissioners. The following is submitted as gained from managers and foremen of the plants concerned:

V. H. Kelly, manager Union Oil company—Forty employed, 39 live outside Linnton district. C. H. Hamilton, manager Standard Oil company—One hundred and twenty-five employed, 80 live outside, and when company moved its offices to Portland following abandonment of the United Railways line 87 men were transferred to Portland. J. A. Storey, manager Shell Oil company—Twenty employed, 17 live outside. C. G. Killen, manager Oregon Coopers company—Ten employed, 10 live outside. W. T. O'Brien, manager Railway Equipment company—Twenty-five employed, 20 live outside. Charles M. Sundry, foreman Portland Gas & Coke company—One hundred employed, 75 live outside. R. M. Foster, foreman government moorings—Twenty employed, 15 live outside. Manager Steel of the Columbia Engineering company—four hundred and thirty employed, 350 live outside. J. C. Noyes, manager Willamette Box & Lumber company—Forty employed, five live outside. George Maxwell, manager Oregon Ship Timber company—Seventy employed, 40 live outside. Charles Miller, manager West Oregon Lumber company—One hundred and sixty employed, 40 live outside.

The survey is presented in view of the efforts now being made by the city administration to give transportation to the Linnton district, following the withdrawal of the line of auto buses by J. M. Flick.

Car Goes Over Bank; Occupants Unhurt

Fred Johnson, Salesman For Honeyman Hardware Company, Mrs. Johnson and Two Men in Accident Near Roseburg.

Roseburg, Or., June 17.—Mr. and Mrs. Fred Johnson, W. Sephenson, Mrs. Johnson's brother of Myrtle Creek and R. C. McMillan of this city went over a bank late Saturday evening on the sharp Hatpin curve. Johnson who is traveling salesman for the Honeyman Hardware company was trying to avoid a collision with a car, driven by Wyoming tourists, at the time the car dashed down a steep bank 100 feet but did not turn over. McMillan jumped, the others remaining in the car. The occupants of the car, escaped with a severe shaking up, but the car was wrecked.

Myrtle Creek Has \$25,000 Fire

Roseburg, June 17.—Fire starting in a barber shop at Myrtle Creek late Saturday night as the result of explosion of a gasoline tank burned a business block. Bert Willard's barber shop, a garage, and a blacksmith shop, all barrels of gasoline were ignited and all the buildings in the block except the Rice-Adams concrete building were destroyed. Damage is estimated at \$25,000.

Increase in Milk Price Thought Sure

Alma D. Katz, president of the Oregon Dairywomen's league, announced this morning her conviction that the distributors accept the new price of \$3.50 a hundred pounds for milk delivered in Portland from dairies near Portland, instead of the price of \$3 a hundred now in effect.

The increase, it is taken for granted, will be followed by a similar increase in the price of milk to consumers, 14 cents a quart, instead of the 12 1/2 cent price now generally in effect, having been suggested. The city milk commission has taken no official cognizance of the plans of the dairymen to increase the price of milk.
