

MUST ADVERTISE FOR BIDS FOR HIGHWAY MAINTENANCE WORK

Attorney General's Office Holds That All Repair Work Costing Over \$2000 Must Be Public.

Salem, June 21.—In an opinion given to Herbert Nunn, state highway engineer, Assistant Attorney General Van Winkle holds that it is necessary under the law for the state highway department to advertise for bids for all repair or maintenance work on state highways where the cost will be in excess of \$2000.

If the bids received are too high, the commission then has the option of doing the work by day labor. "So far as the county is concerned with respect to its part of the contract with the state highway commission for such maintenance and repair," says the opinion, "section 45 of chapter 299, laws of 1917, leaves the matter of contracting or performing by day labor to the discretion of the county court."

Publication Summons Enough Salem, June 21.—When a county is foreclosing delinquent tax certificates, as provided in section 3698, L. O. L., as amended by section 3, chapter 227, laws of 1917, service of summons by publication is sufficient, according to an opinion given by Assistant Attorney General Van Winkle to R. W. Swartzler, district attorney for Malheur county. "Section 3698, as amended by section 3, chapter 227, laws of 1917, authorizes service of summons on behalf of the county by publication," says the opinion, "only where all certificates of delinquency issued to the county in a given year are foreclosed in one proceeding, or where all tax delinquencies remaining at the expiration of three years from the date of delinquency are included in one certificate issued in book form, as liberally provided, and all foreclosed in one proceeding."

Linu Sends 18 Men Albany, June 21.—Fifteen limited service men were called today by the Linu county exemption board. They will enter on June 30 for Vancouver and will go to work in the spruce production division. Of the 15 men sent, three only volunteered. Volunteers—Joseph N. Sylvester, Lebanon; David Davison, Albany; Wilber Devine, Waterloo. Drafted—George Fitzwater, Berdon; Lloyd R. Kimbrell, Solo; William H. Kirke, Halsey; Fred H. Vaughn, Lyons; Sidney B. Altematt, Tangent; R. R. Wallace, Canby; Frank Bishop, Lebanon; Allen G. McQueen, Holly; Everett E. Payne, Lebanon; E. E. Bodwell, Lebanon; William Ed. Olympia, Wash.; S. A. W. Centralia, Wash. Faculty Men Will Work in Shipyard

Eugene, June 21.—The tendency of Eugene professional men to spend their vacation in needed war work this year is plainly shown by the few who are planning to go to the mountains or sea shore for recreation. Three at least of the University of Oregon men will work in the shipyards. R. S. Hamilton of the faculty of law, R. W. Prescott of the public speaking department, and Albert R. Tiffany, registrar of the university, will camp near Astoria, and while the women will roam the seashore the men will work in the shipyards.

Two Oregon Boys Badly Wounded in Action in France

Seth Chester Cadman

Seth Chester Cadman, son of Mr. and Mrs. George W. Cadman of 735 Insley avenue, Portland, who enlisted in St. Louis with the marine corps January 5, 1917, is among those reported today severely wounded in action in France. He was born in Omaha, Neb., and had been engaged in farming and cattle business in Wyoming just previous to his enlistment. His father and mother moved to Portland about 15 years ago. They have another son living in Iowa and a daughter in Topeka, Kansas.

Notification of the wounding of their son reached Mr. and Mrs. Cadman this morning. No details were beyond that he was severely hurt fighting on the French front June 8. Salem, Or., June 21.—Earl Sumner, member of Company M of Salem, which is part of the 1684 infantry now in France, has been seriously wounded in action, according to word received by W. P. George, a relative. A letter was received from his nurse saying that the bones of one leg had been shattered from the knee to the hip by an exploding shell, but hope was held out that the leg could be saved. As no word has been received of Salem boys being in front line trenches, it is believed Sumner was on detached duty.

CAPITAL CITY LINED UP IN FINE FETTLE FOR W. S. S. CAMPAIGN

Boycott Planned if Prisoners Suffer Mass Meeting at 8 o'Clock Sunday Afternoon Will Mark Real Beginning.

Camp Lewis, Wash., June 21.—(L. N. S.)—Utah, Colorado, Montana, California and Washington women today at the hostess house, signed a pledge of the women's league for the protection of American prisoners, declaring they will buy nothing from Germany after the war if American prisoners are mistreated.

Salem, Or., June 21.—With all details of organization completed, Salem and Marion county are ready for the big Thrift Stamp drive next week. The drive will be opened in Salem with a mass meeting to be held at 8 o'clock Sunday afternoon in the Armory. The speakers will be A. L. Mills of Portland and Stephen A. Lowell of Pendleton. Hal Patton, chairman for Salem, says he is confident this city will subscribe its quota the next day. Thirty teams, including 600 workers, have been organized to make the house to house canvass. The captains of these teams are: Lee M. Urruh, G. E. Ullarun, P. E. Graber, Lott L. Pearson, W. J. Busck, Herbert L. Stiff, John H. Scott, D. G. Drager, R. M. Mills, C. B. Ciancoy, W. I. Staley, Guy O. Smith, J. C. Perry, A. B. Fohle, O. A. Hartman, B. F. Charlton, William Gahldorf, E. C. Miles, J. Baumgartner, Theodore Roth, John H. Todd, P. E. Fullerton, W. H. Dancy, J. H. Farrar, Ben H. Ling, J. W. Harbison, Paul H. Hauser, A. J. Rahn, N. D. Elliott and B. W. Macy.

W. M. Smith, general chairman for the county, has also thoroughly organized the country districts for the drive. He is being assisted in this by Ben F. West. Chairmen and workers have been selected for every school district. Cards calling a meeting for every school house on June 23 have been sent out. It is expected that meeting will be a celebration of the completion of the county's quota of baby bonds.

"The workers are taking much interest in the campaign," said Chairman Smith, "and are imbued with a spirit of determination to go over the top in short order." Mr. Smith reported that the town of Gervais has already subscribed its quota.

Hotpoint Iron Cuts Down Your Work Makes a Pleasure Out of Ironing Day With this Hotpoint Iron attached to your electric light socket all the heat in your kitchen is in the iron—you are cool, your kitchen is cool and you
