O. & C. HOMESTEADS

Opportunity to get good homesteads is not presented to the people every day. For that reason those who are at all interested should look over the O. & C. lands now available for filing from June 22 to July 17. We are in a position to give first hand information regarding these lands. We not only have the maps that cover this territory, but we have former government cruisers who will show you good homesteads for \$25. Our maps clearly illustrate the district, which includes Columbia, Clackamas, Yamhill, Washington, Marion, Benton, Polk and Linn counties, made from official records, showing only the lands open to homestead. These maps may be had at 50 cents each, postpaid.

Nomestead. These maps may be had at 50 cents each, postpaid.

We suggest to those who want information to call early the coming week and see what there is to offer in this valuable land district, which comprises 1226 homesteads, some of which are but about 25 miles from Portland.
