

FEDERAL WORKERS WILL BE HOUSED

Plan to Care for Employees Has Been Perfected and Will Be Applied in Washington.

Washington, July 29.—(WASHINGTON BUREAU OF THE JOURNAL)—Plans for housing for government employees in Washington, using the \$10,000,000 appropriated by congress for the purpose, have been worked out by the housing bureau of the department of labor. There will be groups of buildings in two different sections of the city, one location being vacant government property near the union station.

The building units will be 150 rooms, each for a single occupant, each room measuring 8 1/2 feet, with a closet and hot and cold water. There will be small kitchenettes and laundries in the basements to assist those who want to do light cooking and laundry work. Rentals to be charged have not been announced.
