## HOUSING PROGRAM IN PORILAND NOW STANDING

Local Subscriptions Are Lacking and allotments only upon request of ment Aid of Project.

HOUSING SURVEY IS NEEDED

City's Requirements Are Being Revealed by Investigation Recommended by Architects.

Lacking local subscriptions or assurance of government aid, Portland's housing program for war workers has

Herbert Gordon, chairman of the joint asked to be relieved of further duty. His position is that committee effort plaints of profiteering in rentals. without support is futile.

Such questions remain unanswered as the following Should Portland have a housing sur

Will District Officer L. J. Wentworth of the Emergency Fleet corporation create a local bureau to encourage house construction for shippard workers? Can the creation of a grievance comnittee under some degree of federal authority be secured?

Will the city council pass the proposed housing code which automatically would put the kibosh on any plans for old style enements or barrack shelters for shipworkers by making it unlawful for any light, air, water and sanitary facilities. No Government Help

discrimination but is said to be expres- code would be excessive. sive merely of a general policy. But thereby the onus is clearly placed upon Portland Architects

The joint housing committee recommended the organization of a housing company. It was to be financed through a public campaign, some of the financial leaders having headed the subscription list. A return of, say, 7 per cent was contemplated. Houses were to be built a few at a time until experimental

Reasons Are Given 1-The war cost of building materials

with sharp depreciation probable after war, making any investment uncertain of returns. 2-The feeling that the government

ought to absorb, in some way, the difference between normal and the present abnormal costs of dwellings. 3-Lack of exact knowledge as to

whether the city needs 500 or 5000 new homes to shelter the population brought here by war industries, the number, of course, being contingent on the ability of existing residences to meet the need. 4-The hope that if neither the government nor private investors should undertake to build houses, the city as buck has purchased the Roy Holloway a whole might undertake the venture. residence property in this city. Mr. A housing survey competently conduct-

stitute of Architects. It was urged by Thomas Adams, famous housing expert of England and Canada, who was recently here. The architects' committee pointed out that the authority with which such a survey could be reported would be in proportion to the authority

The architects, through their committion of plans, but this offer has not been taken up.

office of the Fleet corporation, District Officer Wentworth has been understood to be on the point of announcing the creation of such a bureau with the appointment of a director whose salary the Chamber of Commerce offered to bear, but the announcement is as yet withheld.

The urgency for the appointment of an authoritative grievance committee also comes from the Chamber of Commerce, whose officers feel that only a housing committee of the Chamber of committee under government appoint-Commerce and the Realty board, has ment could inspire in it the confidence of all classes as it investigated com-

The connection between the housing

association for passage by the city council, with a house building program, might seem at first thought somewhat vague. But it has been repeatedly pointed out that Portland's port and industrial development will be largely dependent on retaining here the skilled artisans now engaged principally in points clearly to the conclusion that de- manufactured in Oregon. sirable workmen can be kept here permanently only by providing them with other jobs when shipbuilding wanes and by building for them houses worthy of the name "home." The housing code person to be unprovided with adequate light, ventilation and water supply. The association has reported that in numerous parts of the city people are forced District Officer Wentworth says there by inability to find better quarters to need be no further expectation that the live in rooms without outside light, with tration building to house the offices of Plans for the grounds and buildings completely furnish the new building. It government will even partially finance improper ventilation and with such limany house building organization in Port- ited sanitary facilities that a dozen or its own requirements. Future contracts same bath tub, hydrant and tollet. The will depend in large measure on this housing association has been at work city's "plant organization." The govduring a period of five years. ### Over The Top And at the Germans—Nuxated Iron Helps Give Men the Strength, Power and Courage

and Anna L. Yates.

Ass't Judge Advocate General, Richard R. Kenney, Former U. S. Senator, Says That With the Sustaining Tonic of Nuxated Iron He Has Had No Occasion To Weaken Under the Most Strenuous Army Duties.

Possessed of vim and energy that night well be the envy of many a younger man, ex-United States Senator Richard R. Kenney, at nearly three score years of age, today holds the rank of major and assistant judge advocate general in the United States army, and is one of the most determined in the fight to whip the Germans. While the sudden change from the quiet life of a citizen prior to the outbreak of the war to the severity of army life might war to the severity of army life might work a disastrous hardship on some man who had passed the half century mark, it was not so with Major Kenny. He realized that the supreme tests of war demanded great strength, power and endurance. As a means to this end in his own case he began taking Nuxated Iron with the result that instead of growing weaker under the strain of army service, as many older men often are afraid they will, Major Kenney says he enjoyed a decided increase in vigor and endurance and that with the sustaining tonic of Nuxated Iron he has taining tonic of Nuxated Iron he has had no occasion to weaken under the

most strenuous army duties.

General Horatio Gates Gibson, U. S.

A. (retired), who entered the City of
Mexico in the war of 1847 with General Winfield Scott, says he feels that ever Winfield Scott, says he feels that every soldier who goes to the front should take Nuxated Iron. General David Stuart Gordon, U. S. A. (retired), noted Indian fighter and hero of the battle of Gettysburg. says: "Despite my own advanced age. Nuxated Iron has made me fit and ready for conther campaign and if my country needs me. I stand ready to go." General John L. Clem, U. S. A. (retired), the drummer boy of Shiloh, who was sergeant in the U. S. army at 12 years of age, says that Nuxme fit and ready for sonther campaign and if my country needs me. I stand ready to go." General John L. Clem, U. and I can truthfully say that it excels S. A. (retired), the drummer boy of Shiloh, who was sergeant in the U. S. army at 12 years of age, says that Nurated Iron is the one and ever reliable puscles, thereby enriching and fortifytonic—that he obtained most surprising ing the blood against the ravages of form. And this after they had in some time of the proper tonic—that he obtained most surprising ing the blood against the ravages of form. And this after they had in some time of the proper tonic—that he obtained most surprising ing the blood against the ravages of form. And this after they had in some time of the proper tonic and the proper ton army at 12 years of age, says that Nuxated Iron is the one and ever reliable
tonic—that he obtained most surprising
results from its use in two weeks' time.
Dr. James Francis Sullivan, formerly
physician of Bellevue hospital (outdoor
dept.), New York, and the Westchester
county hospital says: "What every soldier most needs is tremendous 'staythere' strength, power and endurance
with nerves of steel and blood of iron.
To help produce this result there is
nothing in my experience which I have
folks and increasing the red blood corpuscles, thereby enriching and fortifytime while taking iron in the proper
form. And this after they had in some
cases been going on for months without
getting benefit from anything.
Manufacturers Note: Nuxated Iron, which
is prescribed and recommended above, is not a
secret remedy but one which is early assimilated, does
not injure the teeth, make them black nor uptired. Next take two 5-grain tablets of
ordinary Nuxated Iron three times per
ated Iron. I have taken Nuxated Iron

army at 12 years of age, says that Nuxtaked Iron is the one and ever reliable
time while taking iron in the proper
form. And this after they had in some
cases been going on for months without
getting benefit from anything.

Manufacturers Note: Nuxated Iron, which
is prescribed and recommended above, is not a
secret remedy but one which is early assimilated, does
not injure the teeth, make them black nor upment of the right kind."

If you are not strong or well you owe
with nerves of steel and blood of iron,
test: See how long you can work or how
not injure the teeth, make them black nor upment of the right kind."

If you are not strong or well you owe
and recommended above, is not a
to yourself to make the following
not injure the teeth, make them black nor upment of the right kind."

Doctor, when you wish to prescribe a true tonic, strength SPECIAL TO PHYSICIANS: Doctor, when you wish to prescribe a true tonic, strength and blood builder, one that helps put vim and renewed energy into the veins of the weak, infirm, run-down and aged-try Nuxated Iron. If you have been using the old forms of metallic iron, without success; if you have had patients complaining of discolored teeth, upset stomachs, hardened, tied-up secretions, etc., from the use of

had patients complaining of discolored teeth, upset stomachs, hardened, tied-up secretions, etc., from the use of metallic iron, again we suggest, try Nuxated Iron. It is highly endorsed by such physicians as Dr. Schuyler C. Jacques, formerly Visiting Surgeon of St. Elizabeth's Hospital, New York City; Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Out-door Dept.), New York, and the Westchester County Hospital; Dr. A. J. Newman, late Police Surgeon of the City of Chicago and Former House Surgeon, Jefferson Park Hospital, Chicago; Dr. Ferdinand King, New York Physician and Medical Author; Dr. Kenneth K. MacAlpine, Former Adjunct Professor New York Post Graduate Medical School and Hospital, and others. In most cases physicians direct the use of two five-grain tablets three times per day after meals. Nuxated Iron will be furnished by any druggist on an absolute guarantee of success or money refunded. (Adv.)
