W. C. Wilkes Inspects Lines W. C. Wilkes, assistant to L. C. Gilman, federal district manager of railroads of Oregon and Washington, arrived from Seattle this morning on a tour of inspection. Mr. Wilkes was formerly assistant general freight and passenger agent of the Spokane, Portand & Seattle railway, of which Mr.

eler of Newark, N. J. Holsman, Crystal testified before the grand jury, attacked him following a dispute over business matters. Holsman is alleged to have struck Crystal with

a telephone instrument. Holsman admits the assault, according to Deputy District Attorney Pierce, but says Crys tal started the fight. The trouble occurred in Crystal's room at the Benson hotel, July 30. Holsman was released on his own recognizance, pending the filing of bail bonds in the amount of \$250

the Advertising

If all Clothes possessed the "sterling virtues" ascribed to them in their advertising, they would all have to sell at approximately the same price, like wheat or cotton-or any other graded staple.

The fact that they do not proves that some of them are better than others.

Men are not buying MATHIS CLOTHES for purely sentimental reasons-not in these war times. They are getting clothes of real merit-Clothes in which workmanship and fabric are linked together for one definite purpose-the purpose of genuine service to the wearer.
