5000-TON TYPE OF SHIPS FOR LOCAL YARDS INDORSED

Local Shipping Board Officials and Visitors Approve Plans Sent East for Final Action.

LARGE TIMBERS TO BE USED

Larger Eastern Ships Do Not Use Big Sticks, Which Increase Sturdiness and Add to Output.

Final indorsement being accorded the plans for the new 5000-ton Columbia river type steamer, proposed for building in yards of the Pacific coast, was given Friday night at a banquet in the Multnomah hotel, when District Supervisor Lloyd J. Wentworth and Assistant Supervisor J. W. Hall were hosts Okla. ant Supervisor J. W. Hall were hosts Okla. to the district shipbuilders.

A. campaign to keep up the morale of the men and allay discontent over being kept so far away from the western front.

The idea was originated by Dr. W. C. Covert, pastor of the First Presbyterlan church of Chicago, who is devoting three months to "Y" war work on the Coast and who will accompany the plemental report filed today with the movies as a lecturer. Morgan Mitchell. a Y. M. C. A. war worker from Vancouver barracks, came here from Portland Friday to arrange for the films. There are 30,000 soldiers and 80,000 civilians engaged in getting out the airfeel that they are slackers, being employed thousands of miles away from the fighting.

For the last few weeks the hens seem to continue to fall off in their producing ability, which only goes to show that some hens are not doing much toward filling the egg basket. Most of the hens that are not laying are just slackers. Consequently from now on it is very desirable that these poor producers be eliminated from the flock in order to produce the greatest quantity of eggs.
