Less Than One-Tenth of Number Who Came Go Back; Others All Satisfied With Conditions.

Dissatisfied because they could not find immediate advancement in shipyards where they came as common laborers, about 50 laborers who arrived two weeks ago from Kansas have returned to their homes. Conditions here were not as they expected to find them. they asserted, although Director Wilfred Smith of the United States employment bureau says no misrepresentations were made, that the men hired as common laborers and were all given work as such. Most of the men. 340, were sent to the Columbia River Shipbuilding corporation, which had asked for common labor-Some were given work as skilled mechanics and others able to perform higher class work and could not be given it at once, quit. About 140 left this vard, but most were placed in other vards where skilled mechanics were needed.

"The trouble was that the men ex pected to find overtime, Sunday work at double pay and immediate advancement," said Mr. Smith. "Many men STATE HAS ONLY FEW were advanced, but the policy of the government is to keep away from overtime and Sunday work and the shipyards here have little double pay time. "The men, generally speaking, were a

A TENDENCY TO ANEMIA MAY

A tendency to thin blood, or anemia, may be hereditary. In fact it often runs in families and in such cases it should be combated, as soon as a sympblood-making tonic.

Mrs. Elsie Monatesse, 2 Porter street, Haverhill, Mass., and her seventeenyear-old daughter, both used Dr. Williams' Pink Pills for the treatment of anemia and their experience follows: "I had suffered with anemia or lack of blood from my girlhood," says Mrs.

Monatesse. "I was losing my strength, was run down, and had terrible headaches. "I took bitter tonics and other medicines but they did not seem to help me. I was discouraged, my appetite was poor and what I did eat would not stay on my stomach.

"I had heard of people who were benefited by using Dr. Williams' Pink Pills, and I decided to try them. I noticed improvement after I had taken three boxes. My appetite became better and I felt stronger in every

SEATTLE FIRM CONGRATULATED

From Hurley on Anniversary. Washington, Sept. 27 .- (I. N. S.)-Chairman Hurley of the United States shipping board today wired congratulations to the Skinner & Eddy corporation of Seattle, on the occasion of its second anniversary of its first launching. This concern has delivered approximately one tenth of all the new tonnage to the government, amounting to 23 vessels of 203,400 deadweight tons. The first delivery was made September 16, 1917. During the present year 19 ships have been delivered. Of the 12 fastest ships delivered to the government, eight have been from the Skinner

Catarrhal Deafness and Head Noises

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmint (double strength). Take this home and add to it 1/4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become treatment. Breathing should become easy, while the distressing head noises, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly 30 per cent of all ear troubles are caused by catarrh, and there must, therefore, he many people whose hearing may be restored by this simple, harmless, home treatment.—Adv.

Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphoris food elements, bitro-phosphate quickly produces a welcome transformation in the appearance; the increase in weight frequently being astonishing.

This increase in weight also carries

with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, soon disappear, dull eyes become bright and pale cheeks glow with the bloom of perfect health.

CAUTION—Although Bitro-Phosphate is un-surpassed for relieving nervousness, sloeplessness and general weakness, owing to its remarkable flesh growing properties, it should not be used by gnyone who does not desire to put on flesh.
