

SHIPBUILDERS ARE URGED TO AVOID PERSONAL INJURY "You Can't Build Ships in the Hospital," Declares Safety Engineer at Banquet to Foremen.

SAFETY HELD SELFISH END William Marshall of Oregon Accident Commission, Advocates Laws Be Extended to Plants.

"You can't build ships in the hospital. Take care of yourselves. You are Uncle Sam and your interests in keeping your stand-point as well as from that of keeping yourself and your family supplied."

And as explained by Judge Miller of Vancouver, the Washington law goes further, assessing the plants for the day for first aid and the plant is given a proportional assessment. With this agreement, the physicians are contracted to furnish hospitals, nurses, medical and surgical treatment and specialists in cases that need them.

Manager J. A. Sims of the steel yards of the Standifer company described his safety plan, by which each department is held responsible for its men and in which there is a safety committee composed of the foremen and two workmen.

Contract for a full powered motorship, a duplicate of the Telegraph, has been closed by the Columbia Engineering Works to build Motorship.

Columbia Engineering Works to Build Motorship. Contract for a full powered motorship, a duplicate of the Telegraph, has been closed by the Columbia Engineering Works to build Motorship.

For forty years it has been overcoming such ailments of women after other medicines have failed.

Monthly Capacity 2400 Tons BOAT SPIKES BOLTS RIVETS Northwest Steel Co.

PULITZER DEAL IS HELD UP Price Offered by City is Declared to be Too Low.

At the meeting of the Port of Portland commission Thursday afternoon, City Commissioner Dan Kellner appeared with a check for \$45,000 for the purchase of the schooner Pulitzer for the municipal fish market activities.

September was the biggest month the municipal terminals had in point of revenue earned, according to the report of Secretary Randall to the commission of public docks this morning.

From a Pacific port it is reported that W. D. Salmer has been succeeded as master of the Moritz by Rognar Englund. The Moritz was built by the Grant Smith-Porter company.

Time of completion of the J. A. McEachern contract on pier No. 1 and of E. T. Johnson on roadway No. 10 is terminal, were extended by the commission of public docks this morning.

Time of completion of the J. A. McEachern contract on pier No. 1 and of E. T. Johnson on roadway No. 10 is terminal, were extended by the commission of public docks this morning.

For the purpose of supplies of the Emergency Fleet corporation has accepted the proposal of the commission of public docks regarding the lease of half of warehouse B, Fifteenth street terminal, and to occupy the property November 1.

Beaverton School Head Is Dismissed Beaverton, Oct. 11.—At a special meeting of the school board, City Superintendent of Schools Clarence A. Phillips was dismissed. School had been in session only three weeks.

THE OREGON DAILY JOURNAL, PORTLAND, FRIDAY, OCTOBER 11, 1918.
