TWO GAMES SLATED FOR OLD RIVALS

For First Timp University of Oregon and Oregon Aggies WM Double on Contests.

TWO football games will be played between the University of Oregon and the Oregon Agricultural college this fall, contracts for the contests having been signed Thursday at Eugene by executive managers Dean Walker of Oregon and Ted Cramer of the Aggies.

The first contest will be staged at Eugene Saturday, November 2, and the second battle will be held at Corvallis the following week. This is the first time in the history of intercollegiate football that the two teams will engage in two games in the same season.

Under the original schedule, Oregon was scheduled to play O. A. C. at Corvallis November 22.

At the present time, O. A. C. appears to have the stronger edge, but Oregon has wonderful prospects and Coach Huntington should be able to whip them into grand shape by the time that Aggie season rolls around.

Additional strength was added to the Multnomah Amateur Athletic club team Thursday night when Harvey Hale, the big tackle of last season's team, reported for practice. Hale, who formerly played with the University of Arkansas, is in great condition and is eager to get into a game.

The clubmen engaged in a strenuous practice session Thursday evening. The men ran through signals for over an hour and worked on several new plays which will be used in the contest against the Aggies Saturday.

The Oregon Aggies will face the 13th Division team of Camp Lewis Saturday, November 2. Lieutenant Mallum, manager of the Camp Lewis outfit, is anxious to arrange a game with the University of Oregon team.

Indications are that the 1916 football season will extend until the middle of December. Due to the Spanish "flu" and the late opening of the colleges football got a late start.

W. D. Holds Skeletons What the "P" Stood For

By R. A. Cronin

NOW comes the war department and exposes things that have been hidden from the general public, these many years, being the following, to wit, ad lib-middle names.

In this respect, we are hoping that the well known w. d. is keeping our middle name as secret and confidential information. We will tell the world that it is not "Ambrosia," as Lou Miserables Kennedy says, or "Archibald," as James Jazz Richardson suggests, "Alibi," as Henry Are Everding has asserted, or "Androcles," as George H. Mistletoe Parker chortles, or "Abercrombie," as Doc Downs would have it.

But this story does not concern that. It touches on and appertains to the middle name of George P. Henry, rector and member of the Portland boxing commission.

Henry sauntered into his registration precinct on the morning of September 12 and told the young lady in charge that he had come to enroll in Uncle Sam's militant party.

CHICAGO IS PASSING UP GRID GLASH

Coach Stagg Cancels Game With Great Lakes Naval Team for Saturday Afternoon.

CHICAGO, Oct. 12.—(I. N. S.)—Influences made the first "touchdown" in the week's football schedule today when Coach Stagg, in accordance with the advice of the board of health, refused to permit his warriors to stage a game with the Great Lakes naval training station tomorrow.

The Michigan-Michigan Aggies game is also off, and this means that practically no games of note will be played tomorrow. Illinois is debating the advisability of its scheduled game with Port Benjamin Harrier. It is understood that the Iowans will play Cornell college at Iowa City without spectators.

Meanwhile, training and practice is being carried on full tilt at the conference colleges, in preparation for the "Big Ten" games next month, and the cessation of the epidemic.

No Penn-Swarthmore Game Philadelphia, Oct. 12.—There will be no football game between Pennsylvania and Swarthmore at Franklin field Saturday, it was announced today by the board of health.

"Hello Harry, Where'd You Get the Swell Togs?" "Well, old pal, I thought it's about time I togged up a little. If it hadn't been for Cherry's, I would be still tramping around in that old gray suit. Up at Cherry's you don't buy in the usual way. You pick out what you want and then pay for it in easy weekly installments.

Quite a relief, believe me, to cast aside all those clothes worries and know that no matter what happens, you're going to be well dressed all the time. It's a real pleasure to wear Cherry's clothes, too—they are so distinctive looking and so well made. I understand they got a dandy lot of new suits in this week—so I'm going up tomorrow evening. They are open until 8 o'clock on Saturday. Address is 289-31 Washington street, Pittock block."—Adv.

BRONSON TO MEET INGLE NOVEMBER 4

Two Lightweights to Meet at Aberdeen and Title Will Be in Balance.

WHILE all the other town promoters are sitting back and waiting for O' Kid Flu to run his course, Harry Druzman, the Aberdeen impresario, is going ahead with plans to stage a championship go between Muff Bronson, titleholder, and George Ingle, at the opera house there Monday, November 4. It will be a 10-round session.

Bronson is the boy who relieved Ingle of the title and George has been anxious to get at Muff ever since.

Druzman plans to back the smoker up with another 10-round bout and a four round preliminary. Boxing is expected to thrive in Aberdeen this winter, as the bouts will be staged in the opera house, thereby accommodating more people than the old hall could hold.

Joe Benjamin, who has been hobnobbing with D. Fairbanks, filmist, for the past year, will meet Joe Hererra, the Mexican battler, in San Francisco tonight. Benjamin is one of those boxers who is liable to make a champion look like a tramp on one night, and get knocked out by a has-been the next.

After Johnny McCarthy got by so nicely on his recent trip to the Northwest, the San Francisco scribes have begun to look on Johnny as a regular scrapper, and want to see him matched with the best boy of his weight on the coast.

Tommy Tracey has asked the San Francisco boxers to correspond with him. Tommy is trying to line up the talent for the future shows in Portland, under municipal authority.

Larry Cowing Dead In French Hospital

Cowing came to Portland in 1911 from Ohio and became prominent as a tennis player, being one of the ranking players of the state. After leaving for California some four years ago, he took up golf, which he had not played regularly here, and succeeded in winning the Southern California championship. He had been in France about a month.

Heavy Rains Cause Town to Collapse

Roncligions, Italy, Oct. 12.—(U. P.)—Owing to heavy rains a whole quarter of this town has collapsed.

Roncligions is 12 miles southeast of Viterbo.

It is a little late for chinook, but say there is a splendid run of silversides and fishing is at its height. The chinook season starts in July.

Winters says they encountered several parties on the river and that fishing is good clear up to Nehalem falls.

Walter Honeyman and Joe Hartly have returned from a successful fishing trip to the Nehalem, if one should judge by the wonderful display of salmon in the Honeyman Hardware company's window Thursday.

Silversides filled the entire floor space of the big display window on the sporting goods side. There were 32 silversides, with one royal chinook of 23 pounds lending majesty to the display.

\$50 Is a Low Price for Such Clothes

The price may be more or less than you're used to paying; but as things are now, it's really less than the clothes are worth.

We mention \$50, not because of the price; but because it represents high quality. You know that's the chief thing this season in buying clothes. You can find suits at less than \$50 if you look for them; there's going to be some very poor stuff shown this Fall.

Our advice to you is to stick to

clothes; they're made for quality first and price afterward. You can't make a mistake in them.

You'll find these clothes here, plenty of them, as low as \$25 and up to \$60.
