LEWIS HAS TOO SPEEDY AN ELEVEN

Foundation Team Is Beaten by Score of 21 to 0 by 13th Division Soldiers.

CAMP LEWIS, Wash., Oct. 21.—Putting up a strong fight, but unable to cope with the strong defensive of the 13th Division team, the Foundation football eleven of Portland fell before the soldier-gridders, Sunday, 21 to 0. The soldiers scored a touchdown in each of the last three periods as the result of line plunging and forward passes.

George Dewey's players were unable to show any offensive strength against the Camp Lewis players, who played very well in their first game of the season. Captain Cook, camp athletic director, gave a number of his second string players a chance to show their wares.

Lylo Bigbee Is Star
Huycuk, who formerly played with Syracuse, was one of the stars of the soldiers' team, while Lylo Bigbee, former University of Oregon player, was the star of the Foundation team.

The first touchdown came in the second period, Huycuk carrying the ball over the goal line after Bigbee and Horton completed a pass for a gain of 20 yards. Straight football resulted in the result going across for the second score and a forward pass from Bigbee to Mutch was responsible for the last touchdown after the soldiers had worked the ball to Foundation's 12-yard line on plunges.

Scheduled for Portland
The Camp Lewis team is scheduled to play the Multnomah Amateur Athletic club team in Portland next Saturday, provided the Spanish influenza ban is lifted.

Jake Daubert Is Unable to Draw From Brooklyn

Cincinnati, Oct. 21.—Jake Daubert, the Robins' first-base man, has been notified by the national commission that he has no legal claim for salary against the Brooklyn club. Daubert's contract, which he signed five years ago, called for \$9900 per season. He received \$6500 from the Brooklyn club up to September 2 for this season, when baseball ended abruptly as a result of the war department's work-or-fight order. Daubert, who is above the former draft age limit, argued that he was not affected by the work-or-fight order, and that he was able to play up to October 18. In view of the fact that Daubert was paid in full when incapacitated by injuries, his claim against the Brooklyn club, under existing circumstances, was hardly valid, at least from a moral standpoint.

FOOTBALL

ALTHOUGH the schedule arranged for the Multnomah Amateur Athletic club football team is up in the air as a result of the "flu" man, the "Winged M" players are going to keep on training, so as to get in the best possible condition. The next workout is scheduled for Tuesday evening at 7:30 o'clock. The Camp Lewis team is scheduled to meet the Multnomah players next Saturday, but owing to the ban placed on public gatherings in Portland, this game may be switched to Camp Lewis.

Coach George Philbrook of the team is expected to be back Thursday in time to give the players a few fine points on the defensive.

The Military Police team of Vancouver barracks jumped into the lead for the post championship title Saturday, by defeating the Fifth squadron eleven by the score of 6 to 0. The victory was the third straight annexed by the M. P.'s and they are eager to battle the Sixth squadron next Saturday. The one touchdown of the game was scored in the third period by Flynn, who recovered a fumble on the 15-yard line and crossed the line for a touchdown. Wisconsin player was the best ground gainer for the M. P. team, while West by loomed up as the star of the losers. The M. P.'s mess sergeant fixed up a "banquet" for the winners following the contest, the losers being invited to participate in the "eats."

Brewer Billie, former star backfield player of the Oregon Aggies, has been commissioned a lieutenant in the spruce production division. Billie is stationed at the Vancouver barracks. The report that he was back at O. A. C. was erroneous.

"Cupid" Sharp has been named manager of an all-star football team, which will be composed of former high school and independent stars. Bob Tucker and "Ick" De Cuman are two players who have signified their intention of playing with the all-stars.

The Vancouver barracks team is working hard to get in shape for the next game on its schedule, which will probably be against the University of Oregon team.

Wine Said to Make Chickens Lay Eggs

London, Oct. 3.—(U. P.)—(By Mail.)—If Mrs. Hen says to her lord and master, "Another little drink wouldn't do me any harm," it'll be no use for him to argue the point. She is backed by authority. The professor of agriculture at Fontainebleau has been making a discovery about eggs. He took a dozen hens and gave six of them a little wine each day and kept the other six enforced teetotalers. Stimulant triumphed over prohibition and the teetotalers were beaten to a frazzle! They laid only 27 eggs as compared with the wine-bibbers' 80, and the latter were much superior in quality. It is a dangerous discovery to have made in these days of strikes, especially with winter coming. Now that women are getting their rights everywhere (or most everywhere), it is quite conceivable that all hens will go on strike and refuse to lay eggs unless they get their wine.

Stray Heifers Are Found in Bedroom

London, Oct. 21.—(I. N. S.)—Three valuable heifers, belonging to a farmer at Bramley, Hants, were lost for three days last week, and it was supposed they had been stolen. Passing an unhabited house, a soldier was surprised to see the head of a heifer at an upper window, and the missing cattle were found huddled together in the front bedroom of the house. How they got there is a mystery and considerable difficulty was experienced in removing them.

Blonde Replicas of Posters Must Quit

Chicago, Oct. 21.—(I. N. S.)—Blondes posing as replicas of the navy enlistment posters will have to discard their navy blouses, those dashing little sailor hats, and even the treasured insignia obtained from the boy in service and displayed so fetchingly. Orders received from the secretary of the navy point out that it is "unlawful for any person not an officer or enlisted man of the United States army, navy or marine corps to wear the duly prescribed uniform of the United States army, navy or marine corps, or any distinctive part of such uniform."

London, Oct. 21.—(I. N. S.)—Miss Margaret Mill, Farquharson, of the National Political League and the National Land Council, has been approached by graduates of the four Scottish universities which now form one constituency to stand as their Parliamentary candidate. Miss Farquharson, herself a graduate of Glasgow university, has already in a political capacity represented the women of these four universities.

The board of trustees passed resolutions providing for the change necessary in the constitution in order to admit to membership many women workers in the railroad shops. SWIMMING MEETS ARE DOLED OUT

Multnomah Gets Indoor Championships; Outdoor Events for 1919 Go to Vancouver.

DELEGATES to the annual meeting of the Pacific Northwest association of the Amateur Athletic union, held Sunday at the Multnomah Amateur Athletic club, scheduled two championship events for next year, the Vancouver Island Athletic club being awarded the outdoor swimming championships and indoor meet being given Multnomah club. No other championships will be held unless the war comes to a close before the time these events are usually staged.

The officers of the association were reelected by a unanimous vote. Those holding the offices were H. S. Burdick, Spokane, president; A. S. Goldsmith, Seattle, vice president; T. Morris Dunne, Portland; secretary treasurer, and A. D. Wakeman, Portland, chairman of the registration committee.

The officers will get in touch with Captain T. G. Cook, athletic director of Camp Lewis, in regard to the enlisted men's cross-country championship event, for which the A. A. U. has offered a \$50 trophy. If the American Lake cantonment is not desirous of staging the event, the soldiers at Vancouver will be given an opportunity to hold the race.

Baseball Catcher Is Rejected

Winlock, Wash., Oct. 21.—Paul Ruff, well known all over Southwest Washington as a popular baseball catcher in the Northwest league several years ago and later in the Southwest-Washington and State leagues, has returned from Texas, where he was in an army camp. Paul is greatly disappointed, as he expected to get an opportunity to chase Huns, but the military authorities told him he must be content to let the younger and better physically boys do the Hun-chasing.

Enlisted Priests Take Soldiers' Fare

London, Oct. 21.—(I. N. S.)—Attention of the authorities has been drawn to complaints in a religious publication that clergymen serving as soldiers are employed, even on Sundays, in blacking boots and scrubbing floors. The official reply is that no clergy need enter the ranks at all, and that those who do so from unquestionably patriotic motives are usually supposed to have obtained the permission of their dioceses. However, once posted to a battalion or other unit, the soldier who has taken Holy orders must not expect to be treated differently from his comrades. The officer commanding is responsible for discipline, and partial treatment would have a bad effect.

Sims Company to Be Very Distinguished

London, Oct. 21.—The Chronicle remarks that Vice-Admiral Sims of the United States navy, who has been elected a vice president of the Simplified Spelling society, will find himself among distinguished company. The Society, as it terms itself, has a "president," a "committee" and a number of "vice presidents," among whom are "The Riet On, Lord Bryce" and "the vice chausseur of the University of Leeds." It will be noticed that its activities stop short of the phonetic spelling of proper names, which, remembering Beauchamp, Majoribanks, Dalziel, etc., one would have thought among the most pressing of spelling simplifications.

Pacific Northwest Flour to Be Moved

Washington, Oct. 21.—(WASHINGTON BUREAU OF THE JOURNAL)—The United States government is making strenuous efforts to secure enough tonnage to take care of the situation. This is the word given to Representative McArthur by J. D. Fletcher of the marine transportation division. He says he is sure the shipping control committee is doing its best to meet the demand and is only prevented from turning over more ships for this purpose "by the pressing calls for more urgent military essentials, and by the fact that completion dates of the steamers are constantly being changed."

Walter Wood will roll DeHaven a special 10-game match next Sunday for a \$50 bond.

SOLDIERS THANKFUL FOR CHECK

Camp Fremont Shows Its Appreciation to Boxing Fans by Extending Thanks.

CAMP FREMONT'S athletic council was highly pleased with the check given the athletic fund there from the receipts of the big boxing benefit staged in September under the direction of the former Portland promoter, Bobby Evans of the Sixty-second Infantry.

The letter of thanks is from Lieutenant Colonel Benjamin H. Pope, Thirtieth Infantry, president of the division athletic council, and is as follows: "Camp Fremont, Cal., Oct. 14.—To the Sporting Editor of The Journal—Dear Sir: May I, as representing the division athletic council, take this opportunity of thanking both yourself and the members of your staff for your kindness in giving such wide publicity to the boxing carnival recently held in Portland for the benefit of the athletic fund at Camp Fremont and other posts on the Pacific coast. Corporal Ardis (Bobby Evans), under whose auspices the affair was given, spoke very kindly of the cour-

teous treatment that he received at your hands. It is surely gratifying to find such a fine spirit of cooperation on the part of the people of Portland in general. Rest assured that such a "spirit" will not soon be lost sight of by the officers and men of the Eighth division. Again thanking you, I am, very truly yours, BENJ. H. POPE, Lieutenant Colonel Thirtieth Infantry, President Division Athletic Council."

GOLF

RUDOLPH WILHELM won Portland Golf club championship title Sunday by defeating E. W. Kay of Salem, five up and three to play, in a 36-hole match. Wilhelm, however, lost out in the John G. Clemson trophy to Kay. The Clemson trophy play was included in the second 18-holes of the championship match, 3 up and 1.

J. R. Straight, A. E. Carey, R. L. MacLeay and A. E. White were winners in the first round of match play of the Waverley Country club championship golf tourney Sunday. Straight won from Edward Cookingham and White beat R. A. Lettler. MacLeay won from Gordon Voorhies Jr., and Carey defeated Otto Kettenbach.

Tom Hughes, professional of the Spokane Country club, has resigned his position, his resignation taking effect October 31. Hughes has been with the club since Dave Findlay resigned to accept a position with the Tualatin club of Portland.

President Walter Merryweather of the Spokane Country club is said to be against treating with the striking caddies at the club's links. The strikers want their fee raised from 50 to 25 cents an hour for carrying single bags and 40 cents an hour for carrying double. All but six of the caddies walked out.

BALKLINE Billiard Champion William F. Hoppe will shortly start on a season of exhibition matches for war charities. Koji Yamada, the Japanese star, may accompany Hoppe as playing partner.

Maurice Daly has added 23 new pocket billiard tables to the equipment of his academy in New York city. He is staging a series of matches there. The first was between Ralph Greenleaf and John Layton at 1000 points. Joseph Connon will play the winner a special match.
