## STANDIFER BEATEN BY 166TH TEAM

### Poor Headwork Caused Defeat of Shipyard Workers in Game With Soldiers.

POOR generalship caused the downfall of the Standifer Construction company football team in Sunday's crucial contest with the 166th Depot Brigade team of Camp Lewis on the Vaughn street grounds. The score was 7 to 6.

With victory almost within its grasp the players holding the upper hand, Standifer allowed the game to slip away by failing to punt in the third period after they had been penalized for holding.

The penalty put the pigskin on Standifer's 20-yard line and instead of punting out of danger immediately, Quarterback Stemler called for a forward pass and luck was with Standifer on this play, but on the fourth down Welsh dropped back for a punt and his effort was blocked, the ball rolling back to the Standifer goal line. Welsh recovered the pigskin and started to run, but dropped it when he was tackled and the soldiers recovered for a touchdown. The converting of goal by Wyssel proved to be the winning point.

Standifer scored its touchdown in the second period, Lutge carrying the ball across from the four-yard line. The shipyard men worked the ball to the four-yard line by a series of line plunges and a number of well executed forward passes to Lutge and Welsh. Lutge failed to goal after a successful kickout.

### Drop Kick Falls

Standifer tried its hardest to put over another touchdown, but all efforts including an attempt to drop kick by Lutge failed before the smashing block of the soldiers, who, during the second half, sifted through the shipyard defense easily.

### Soldiers Are Hurt

Four members of the soldiers' team had to be taken out of the game on account of injuries. The lineup:

Phillips, T. P. ..... Michaels  
Patterson, J. B. ..... Bradley  
Jones, T. H. ..... Timsa  
Driscoll, J. C. ..... Hayes

## Racings

EASTERN turf solons have barred the geldings from important stakes and handicaps next year as part of their program to show the government that the turf is a marvelous breeding place for United States cavalry mounts.

The geldings answer the thrust at them by grabbing the championship in their respective divisions.

Roamer is a gelding and here is the thoroughbred which established a new American record at a mile last month over the Saratoga oval by reducing Salvatore's mark of 1:35 3/4 to 1:34 4/5. Salvatore's fast mile was made before there were split-fifth seconds on the chronographs, thus showing what a performance Roamer furnished the turf devotees, who are ever seeking equine heroes.

One of the best two-year-olds of this year is Billy Kelly. He has won many rich stakes and purses this season and was recently sold for \$30,000. He is a gelding.

Flags is generally conceded to be the fastest of the season's sprinters, having won nine out of 12 races. He is a gelding.

Practically every atephechaise horse of any consequence this year is a gelding.

The annual meeting of the board of appeals of the American Trotting association will be held in Chicago December 3. The trial board of the national association will meet the same day in New York city.

A reward of \$1000 for one minute and 12 seconds in work was won by Jockey Andy Schuttlinger for his great ride on Eternal in the latter's victory over Billy Kelly at the Laurel track recently. This is one of the biggest riding fees paid to a jockey in years.

The Italian feature horse race, the St. Leger, decided a few weeks ago in Milan, was won by Captain Teste's English bred colt Burne Jones, a son of John O'Gaunt.

During the Grand Circuit light harness season which included 13 weeks of speedy trotting and pacing races, a total of \$11,745 was distributed in stakes and purses.

The racing career of the king of Spain's good horse Antivar has been terminated through an accident while in training, and the son of Sea Slick will be retired to the stud.

Racing in New Orleans will probably start at Joffe's track November 23. The big season of horse racing will start at the fair grounds there January 1, 1919, and continue until March 4.

## VANCOUVER BEATS BOYS FROM CAMP

### Spike Leslie's Ability to Kick Goal Gives Sprucers Victory Over 13th Divisioners.

CAMP LEWIS, American Lake, Wash., Nov. 18.—The Vancouver Barracks football team took a hard-fought victory from Camp Lewis here yesterday afternoon by a 7 to 6 score. The Sprucers registered their touchdown in the first quarter, when Carey went across the goal line.

"Spike" Leslie converted what proved to be the winning point. Carey made runs from 12 to 20 yards throughout the first quarter.

Camp Lewis' six markers were made by Kienholz, who received a pass from Huyck and went 19 yards for a score in the second cant. Gerlough failed to make the goal kick.

Camp Lewis had the pigskin within 10 yards of the victors' goal four times, but could not produce the points.

### Camp Players Overwork

Most of the Camp Lewis players took part in the game against Multnomah club at Portland Saturday and were a bit stale from overwork, but it was the question of one punt from a goal after a touchdown that beat them.

Blackwell kicks the goal, but Ira was not in the game and Fullback Gerlough failed to put it across.

Carey of Vancouver was the human tank of the game, once getting a 29 yard run. When it came time to make a touchdown, he went smashing through the line.

Thirteen thousand soldiers saw the game and when Vancouver tried a couple of drop kicks in the third quarter, there was more noise than a battle in Germany.

## TURKEY IS MOTIF FOR BIG SHOOT

### Whilson Packs Away Enough Gobblers to Start Business on Front Street.

FROM 10 a. m. to 3:30 p. m. Sunday, the atmosphere was bluerocket and black shot at the Everding park traps of the Portland Gun club, the occasion being the annual Thanksgiving day turkey shoot combined with a war work campaign event in which the entrance fee went to aid the Yankee soldiers in France and Germany.

W. H. Whilson, who breezes out to the traps periodically, was the champion turkey shot of the day, getting some four gobblers. Those who won their own were: H. H. Veatch, Old Charley Leith, E. G. Chandler and C. B. Preston. The duos were: Peter J. Holohan, E. G. Hawman, W. C. Bristol, the 20 gauge demon, Dr. C. F. Cathey and A. B. Weatherford. One turkey will toast his shins in the roaster at the homes of the following: Mrs. E. E. Young, Mrs. Ada Schilling, C. D. Plank, W. H. Enderly, W. H. Walker, J. H. Gilbaugh, R. G. Glover and Clyde Schilling.

### Gathering Largest of Fall

It was the largest gathering at the traps since the state championships during the summer. Fun ran riot and there were a score of impromptu matches. The shooters were handicapped on the dropping back of a yard after each shot in the shootoff and went out when they missed. The weather was perfect.

The war work shoot was an interesting one for a 20 pound turkey, which was won by W. C. Fuller by default. Fuller, Colonel Bruce Mackay Garrison and Ulysses Simpson Grant Fletcher were tied with perfect scores on their handicaps. All but Fuller left before the shootoff and he was declared winner.

### Special in Three Matches

In a special match for a gay and festive golf, Dr. Cathey beat A. K. Downs and Downs walloped Bristol. The latter came back strong in a second match and beat the club president, Bristol, beat Hawman with the 20 gauge piece by 20 to 11.

A team match between two outfits ended the day. A. L. Zachrisson, Charley Leith, C. E. Hawman, C. B. Preston and W. H. Whilson beat a squad composed of W. C. Bristol, P. J. Holohan, H. H. Veatch, A. K. Downs and W. H. Enderly by 13 to 9.

The annual meeting of the Rowing club will be held in the clubhouse this morning. Every member is urged to be present.

With the ban on the sale of gasoline raised, it is probable that the Portland Motor Boat club will arrange a program of races for either Christmas or New Year's day. There has been but one racing meet this season, and the fans are desirous of having one more.

## Bonds Slights Charity Boxer's Trickery Fails

### James W. Coffroth, national supervisor of boxing for the United War Work fund, today absolved Jack Dempsey from all blame for the fiasco at Madison Square Garden Saturday night, when Dempsey failed to exhibit his prowess with the gloves.

"Two apologies are due as a result of the show," said Coffroth, "one to Dempsey and one to the boxing public here."

"Dempsey came in good faith to keep an advertised engagement with Joe Bonds, and the public turned out to see the contest. Dempsey entered the ring. Bonds did not, and who got to Bonds and concocted the scheme I don't know."

"Various pugilists were boisted into the ring and Dempsey offered to meet any one of them. Jack Kearns, his manager, appealed to me and I advised him not to accept a forced piece of trickery."

"The managers of Joe Jeannette, Kid Norfolk and a giant Ethiopian unknown who clambered into the ring to throw a scare into Dempsey attempted to put over a hoax on the western boxer, it is explained, feeling that he would be forced to box one of their men after Bonds refused to go on."

## FEW ONE-CLUB BASEBALL STARS IN MAJOR RANKS

### Hooper, Rucker, Cobb and Fletcher Have Unique Position in Game.

HARRY HOOPER, who says he has retired from baseball for good and all, has the distinction of being one of the very few players in modern times to begin and finish his big league career with the same club.

Hooper was with the New York Yankees in the first year of his big league career. He was in the Red Sox in 1909. Ten seasons he spent in Boston with credit to himself, to his club and to baseball.

Nap Rucker was another to start and end his career in the big show with the same club. Brooklyn got him from Augustus and it was with the Dodgers that he wound up by pitching an inning or two against the Red Sox in the world's series of 1916.

Ty Cobb has talked of being through with baseball. If so, Detroit can claim the honor of being the only big league club to employ the famous Georgian. He signed with the Tigers in 1905, and has been with them ever since.

Art Fletcher is another with a single big league connection. The Giants got him from Dallas in 1909, and with them he has been ever since.

## Warning Against Strike Threats Issued by McAdoo

Washington, Nov. 18.—Saturday's order increasing wages of railroad telegraphers and other employees would have been held up, it developed, if Director General McAdoo had received the St. Louis Terminal railroad employees' telegram threatening a strike, before he signed the order.

Mr. McAdoo Saturday received a telegram from the telegraphers, train dispatchers and other employees of the Terminal Railroad association of St. Louis and affiliated lines, informing him that they would stop work at 7 o'clock Monday morning unless he made an award on the railroad men's complaint for higher wages before that time.

The telegram arrived several hours after the award had been made and issued, Mr. McAdoo said, in making public a copy of his reply. In answer to the telegram Mr. McAdoo said: "If the decision had not been made before your threat of a strike was received the order would have been withheld until this threat had been eliminated.
