THE OREGON DAILY JOURNAL, PORTLAND, THURSDAY, DECEMBER 12, 1918

18

Former Journal Employe Home From Camp Dix; Misses Seeing Brother in New York.

Ernest M. Bertz, formerly in the emloy of The Journal, private first class Company C. 338th battalion, tank corps, arrived at the home of his mother, Mrs. C. A. Bayne of 386 East Hoyt street, Tuesday night, having been discharged from service at Camp Dix, N. J., about 10 days ago.

Bertz, who is 18 years old, enlisted in the tank corps about a month before stilities ceased and at the time the armistice, was signed his battalion had received its overseas equipment and was ready to embark for France. The battalion went into training at Camp Colt, Gettysburg, and remained there about two weeks, when it was ordered to Camp Dix, an embarkation point.

His brother Frederick, a private in the 1107th aero repair squadron, which has been stationed near London, England, arrived in New York at the time Ernest Bertz was there, but he did not have the good fortune of meeting him, although he did see a large number of soldiers, who had just returned from overseas.

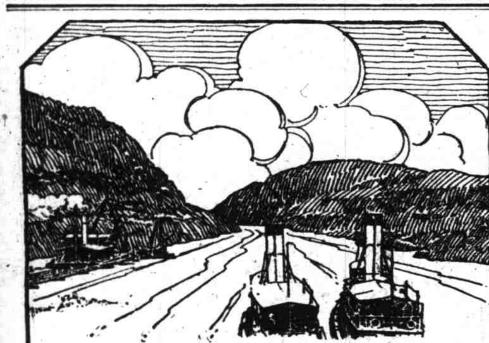

In a letter to his mother, Frederick said the trip from England consumed nine days and that they encountered some real rough weather. Frederick Bertz enlisted in the signal corps more than a year ago. After being ordered to Camp McArthur. Texas, he was transferred to the \$26th Aero repair squad-

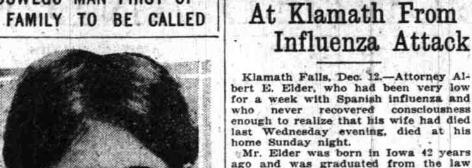

While he was confined to a hospital in England, his squadron moved and, upon being discharged from the hospital he was transferred to the 1107th squad-

Frederick Bertz expects to return home by Christmas. Peter Bertz, another brother, is a member of the Second company, C. A. C., at Fort Mac-Arthur, Cal.

Two Will Go to Conference Rev. Charles A. Bowen and Rev. A. L. Howarth, executive and associate Spaugh and Martin of the war emergsecretaries of the northwest Methodist Centenary area, left Wednesday for New York, where they will attend a confer- left their home in Chicago September ence of all area secretaries in the nation. The conference is to be held at the Centenary headquarters, December 18 to 20.

Gilbert Haines

OSWEGO MAN FIRST OF

Oswego, Dec. 12 .- Gilbert Haines, who lied Monday of influenza and pneumonia, was laid to rest in Oswego cem etery Wednesday following funeral serv-

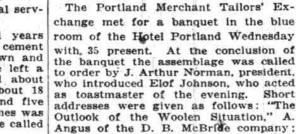

Mr. Haines, who for several years has been foreman of the Oswego cement plant, was one of the best known and best liked men in this city. He left a wife and two babies, one aged about seven months and the other about 18 nonths, besides five brothers and five sisters and his parents. Mr. Haines was the first of this family of 11 to be called

by death. Chicago Runaways Captured in Hotel

Charged with carrying concealed

ris, 16 and 17 years old respectively were arrested at the Zorn hotel, Fifth and Morrison streets, by Officers ency squad, Wednesday night.

boys, brothers, told the police that they 9, and have been beating their way through the West ever since.

ices in the Methodist church.

How Is Your "Culebra Cut"?

The Panama Canal is a clear passageway as far as the Culebra Cut. But Gold Hill has a way of slipping into the cut. And until dredges can clear the channel, the industrial schedule of the world is out of gear.

How about your own canal? The intestinal canal is a clear passageway as far as the large intestine. There, if you become constipated, waste matter is allowed to stagnate. It becomes unnaturally dry and undergoes abnormal fermentation and putrefaction. Germ activity is increased. Your whole system is out of gear. Result, the production of irritating and poisonous substances, which are absorbed into your blood and carried all over your body, liable to produce disease anywhere. The longer such stagnation is allowed to exist, the harder it is to clean out the canal. 90% of human disease originates in the 'Culebra Cut."

If engineers tried to blast out the slide from Culebra Cut they would have more slides to cope with. If you try to blast out accumulated waste from your Culebra Cut with pills, salts or purges, you will increase your constipation and next time you will have to take stronger medicine in a larger dose.

You can't dredge your canal.

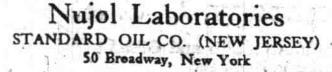

You can clean it out with Nujol.

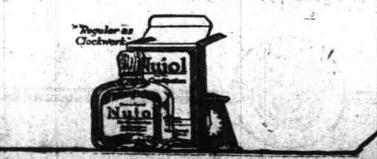

Nujol softens the mass, and supplies the intestinal canal with sufficient moisture to replace deficient mucus. It causes the obstructive waste matter to pass gently out of your system at a regular hour, absorbing and removing the poisons as it goes Nujol regularity keeps the traffic of your mind and body operating on schedule.

You admire the Panama Canal system. Why not safeguard your own? Your druggist has Nujol.

Warning:

NUJOL is sold only in sealed bottles bearing the Nujol Trade Mark Insist on Nujol. You may suffer from substitutes.

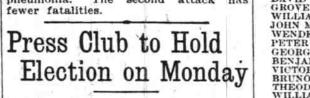

ing but his plans have now been changed. Mrs. Putnam has been doing war work in Washington since last summer.

Epidemic Hits Children

Yakima, Wash., Dec. 12 .- While Yakma still has over 1200 school children out because of influenza and many teachers absent, still the health authorities feel the second wave of the epidemic is passing and the situation is due for steady improvement. In comparison between the first and secend waves it is noticed that more children are victims in the second attack and that fewer cases develop into pneumonia. The second attack has fewer fatalities.

The following nominations of officers and board for the Portland Press club for the coming year have been made President, Frank Ira White; first vice president, R. A. Watson : second vice president, Monroe Goldstein; third vice president, Fred Boalt; secretary, C. N. Ryan; assistant secretary, Fred Brady; treasurer, P. E. Sullivan; librarian and historian, W. H. Galvani. Directors: O. C. Merrick, S. B. Vincent, George Reynolds, J. F. Sutor, A. D. Foss, Frank McGettigan, L. L. Levings. The election will be held Monday. December 16, 1918, between the hours

of 11 a. m. and 5 p. m.

Make your word as good as your baby bond. Keep your War Savings Stamp pledge.

Thousands upon thousands of women have kidney and bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other or-

gans to become diseased. Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to over-

ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound." which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappeare; but what delights the ladies with Wyeth's Sage and Sulphur

Compound is that, besides beautifully Thousands of families brew it darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease .- Ad.

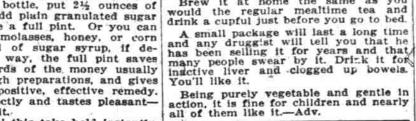

If the sweetest little kiddies Act like old and crabbed Biddies, From the pain that's in their middles-Cascarets!

When the child begins to ail, Coated tongue and looking pale, Spend two jitneys of your kale-Cascarets !

You'd relieve your kiddie if you could Of course you will-I knew you would. Any druggist in your neighborhood-Cascarets! 10 cents!

This wise mother knows that the best and safest way to relieve a bilious, sick or constipated child is by giving candy Cascarets at the first sign of a white tongue, a feverish breath or a sour stomach.

Children love Cascarets because of the candy taste. Nothing else 'works" the nasty bile, sour fermentations and poisons from the little liver and bowels so gently - yet so thoroughly. Each 10 cent box of Cascarets has directions for children aged one year old and upwards.

ALCOHOL ON KIDNEYS

The constant, regular or irregular use of beverages containing alcohol, will sooner or later make trouble for the kidneys. Sometimes an excess acid se-

cretion is formed, but usually the beginning of urinary trouble is denoted by an excess alkaline secretion giving rise to frequent desire of urination, followed by pain, burning, scalding, with irritaion manifest in the passage. The urine highly colored and strong of odor should be corrected with
