cessions.

Important concessions to the lumber

industry of the Northwest by officials of

the war industries board are announced

by Ralph C. Angel, manager of the spruce division of the West Coast Lum-bermen's association. Mr. Angel returned

to his office in the Yeon building Friday

after an absence of two months spent in

Washington, D. C., and other eastern

Work accomplished by Mr. Angel in

the national capital will result in great-

ly increasing the use of west coast lum-

ber products by various departments of

the government. He succeeded in hav-

ing spruce and fir written into specifi-cations for the construction of trucks

for the motor transport division of the

United States army and in having spruce

specified as a material acceptable for construction of cars built by the United

Another important concession comes from the engineering department of the

United States army and consists of an

agreement to use Douglas fir for fac-

tory and trim lumber in the construc-

tion of all government buildings, includ-

ing cantonments. Heretofore clear fir

stock has beeen excluded from many

government contracts on the assumption

that the distance of haul was too great

for prompt delivery. Records estab-

lished during the war in the delivery

of west coast lumber to the Atlantic sta-

States railroad administration.

points.

facturers.

GOVERNMENT WORK

Travelers to all points of the United States ar abroad should take advantage of experienced information and service offered through The Oregon Journal Travel Bureau, in personal charge of Dorsey B. Smith. Railroad tickets and steam-ship bookings arranged. Foreign exchange issued. May this day be more gladsome to their savings and by their sacrifice Portland and vicinity—Tonight and Thursday fair: continued cold; gentle easterly winds. Oregon and Washington—Tonight and Thurs-day fair; continued cold; gentle easterly winds. they have helped their country in the patriotic and essential work of bringing to mankind a Victory Christmas and the light of hope to millions who might otherwise still TEMP.

be fearing oppression and bestial conquest. To all who made W. S. S. pledge and have kept them, the most cordial felicitations of the season. To those who made W. S. S. pledges and have not kept them, just the suggestion that the New Year will start with .5: a cleaner slate and a more inviting outlook if the obligations of this year have been cleared away and if the trust of 1918 has been met in honor and patriotism.
