A successful entertainment was given by the Mount Tabor Community club Friday night in the Kellogg school assembly room.

91ST FIELD MEN REACH HOME SOON
(Continued From Page One)

is slated to be as rapid as is compatible with tonnage available.

March also announced that he had an official report from Europe indicating that the United States will get for transport, some 300,000 men.

The original tentative figure of 30 divisions to be left in France will be scaled down.

The force now in the army of occupation, coupled with the allied armies of the United States, is fully capable of preventing any renewal of hostilities by Germany.

104,000 Have Returned
March declared that 768,626 men and 51,593 officers have actually been discharged from the States.

March made no specific figures but it is thought previous statements that the war department figures have shown that 275,000 to 300,000 men should be returned monthly if a score of German ships could be obtained for transport purposes.

This means that now all troops in the States are slated for discharge, except those of a permanent character, such as a nucleus of two regiments of regulars in each division.

To Make Careful Check
Men in this permanent list will be carefully checked over so as to bring down to a minimum those compelled to remain.

March admitted that some complaints had come in from the demobilization is too fast at present.

Lumberman Has Arrived
R. A. Booth of Eugene arrived at the Imperial this morning.

Banker Is Guest
W. L. Thompson of Pendleton is at the Benson.

Bed Time Tales

The New Houses Are Finished
IT WAS a marvelous sight to see the Beavers build those new houses.

You see, the men to secure funds to begin a journey homeward, Mayor Baker has perfected arrangements enabling the band to have use of The Public Auditorium Sunday.

The War Veterans' band, better known as the Fighting Sons of Guns, are men who have been attached to the various allied armies and every man has been "over-the-top."

In addition to an excellent musical program, numerous members of the band will relate witty incidents of trench life.

Managers Object to More Theatre Tax
The United Theatre Managers' association has taken steps to protest against the proposal to increase the admission tax from 10 to 20 per cent.

Camp Lewis Players Make Another Hit At Heilig Theatre

With numerous changes in their program, the Camp Lewis Players, appearing in a return engagement at the Heilig theatre, made as big a hit Friday night as they did on their first appearance in this city.

Other acts were Robert Williams, guitar player; Suah, soloist; Copper City quartet, and the International Four, athletic performers.

The proceeds are devoted to the morale of the delight of the audience and offerings together with the ragtime violin artist, Rinkler, furnished a great deal of amusement.

Washington Plans Big Road Problems

Olympia, Wash., Jan. 18.—(U. P.)—Two million dollars will be spent on highways to relieve the unemployment situation if the senate roads and bridges committee can rush through bills all ready for recommendation Monday.

After a conference yesterday Senator Carlon announced that a program had been outlined and agreed upon.

One of the new numbers is society dancing by Fred Nessler and Clara Nessler, a talented girl. This number won much applause from the audience.

The Depot Brigade orchestra won additional honors with its excellent overtures and accompaniments.

Leonard Aylesworth, the Hebrew dialectician, retold his tales of a bullfight to the delight of the audience.

Other acts were Robert Williams, guitar player; Suah, soloist; Copper City quartet, and the International Four, athletic performers.

Do Bad Teeth Cause Disease?

YES, say the leading authorities. Their answer is based on years of study and on specific cases.

Socalled rheumatism is very often the result of infection reaching the blood from infected gums and decayed teeth.

Chances are a few minutes' examination will show infection somewhere which is causing your "rheumatism."

Deep-seated tooth infections are quickly located with the X-Ray. This wonderful invention is now successfully adapted to the use of the dentist.

Many diseases of childhood may be caused by infection from a diseased tooth.

A large per cent of disease of ulceration of the digestive tract are found to be due to dental diseases.

Pain, swelling, pus, oozing from teeth, gums, tonsils or any other point in the body, may cause infection in any organ of the body.

The physician and surgeon often recommend the curing of tooth troubles before they attempt to treat other ailments.
