WILL COVER HAL CHASE WITH WHITE

Cincinnati First Baseman Under Charges Expected to Be Acquitted of Gambling Charge.

By Jack Velock
NEW YORK, Jan. 31.—(I. N. S.)—Hal Chase, premier first baseman, will be acquitted by the National league of charges preferred against him by the Cincinnati club, it was predicted in baseball circles here today. Chase was tried before President John A. Heydler of the National league yesterday.

President Heydler announced that Chase was tried under the National league rule which appears under the caption, "Crookedness and its penalties," and while it is admitted that charges are serious, the fact that no member of the Cincinnati club appeared against him is pointed to as significant.

Chase brought character and other witnesses to the front at his hearing and introduced his batting and fielding records to show that he gave his best efforts toward winning for Cincinnati.

Awards Official Waive

As soon as he is "whitewashed" by President Heydler, Chase is expected to become a member of the Giants, succeeding Walter Holke as first baseman. Holke, it is said, will be sent to Cincinnati or to some other club for the player the Reds desire, possibly Jake Daubert of the Dodgers.

It was rumored here today that Daubert is to go to the Reds for Larry Kopf, shortstop, and Tommy Griffith, puffer. The Reds will turn Chase over to the Giants and McGraw will send Holke across the bridge to Brooklyn, according to the report.

MULTNOMAH CLUB TO BATTLE WITH SEATTLE TEAMS

Meets Washington February 12, Y. M. C. A. February 22 on Club Floor.

George Dewey, manager of the Multnomah Amateur Athletic club basketball quintet, announced today that he would send his players up against the University of Washington quintet on the club floor February 12 and against the Seattle Y. M. C. A. independent champions of Washington last year, February 22.

A return game will be played with the Seattle Y. at Seattle March 1 and it may be possible that a return contest with the University of Washington will be staged February 28. Dewey is also dickering with Camp Lewis for a game up north.

Merritt Wells, former trainer of the Portland baseball team, is physical director of the Seattle Y.

The club's next game will be played Saturday night against the Washington State college quintet.

Lewis to Meet Stecher

Peoria, Ill., Jan. 31.—(U. P.)—Ed (Strangler) Lewis, heavyweight wrestler, says he has been matched with Joe Stecher, former champion, for March 3 in Chicago. Lewis was the first ang encountered by Stecher when the latter was at the crest of his career.

Knockout Brown Alive

Chicago, Jan. 31.—(I. N. S.)—George (K. O.) Brown, middleweight fighter of this city, is much alive. A postal bearing his picture was received here yesterday. It was mailed after the report came out of France that he was killed in a fight with a seamy.

Figure Christy Mathewson Slab Coach of Giants

New York, Jan. 31.—(I. N. S.)—Captain Christy Mathewson may come back to the Giants. This was a tip passed by New York baseball fans following the release of Pat Moran by the Giants to become manager of the Cincinnati Reds. "Big Six," as coach of the New York pitchers, would be a great favorite here and in view of the fact that his return to this country may be accomplished before the season opens, it will not surprise local fans to see him return to the Polo grounds.

DEMPSEY WANTS TO GATHER WITH WILLARD IN RING

Jack Kearns Calls Talk of Text Rickard About Champion's Challenger.

New York, Jan. 31.—(I. N. S.)—Text Rickard can sign up Jack Dempsey in one minute if he wants him to meet Jess Willard in July, announced Jack Kearns, Dempsey's manager. "We are ready to sign up on a moment's notice," said Kearns. "I told Mr. Rickard that he could get us any time after he tied Willard up to a contract. There will be no unreasonable demands from this end, believe me. "Dempsey wants Willard and wants him bad. If necessary he will agree to box George Carpenter and take on Willard the next night if he wins—and I have no doubt about Dempsey against either one of them."

York Worth, Texas, Jan. 31.—(I. N. S.)—Jack Dempsey "if he keeps in proper condition," will be Jess Willard's opponent in the championship battle talked of for July 4.

Text Rickard intimated this much yesterday, saying he favored Dempsey over other heavyweights mentioned.

Salt Lake City, Utah, Jan. 31.—(I. N. S.)—Jack Dempsey, enjoying a short visit with his mother here, is not letting the prospect of meeting Heavyweight Champion Jess Willard worry him in the least.

Willard is a big man and a good man—but I can whip him," says Dempsey. "I can get ready to fight in a week. I'm fit and as soon as articles are actually signed will begin to get in shape for the bout."

This was Dempsey's only comment on Text Rickard's statement late yesterday that he preferred Dempsey to Carpenter as Willard's opponent in the proposed championship fight in July.

'Red' Faber Signs Contract With Sox For Coming Season

Chicago, Jan. 31.—(I. N. S.)—Things look mighty bright around the White Sox office today. Urban "Red" Faber, who after helping the Sox to the pennant in 1917 walked away with three of the four Sox victories in the world's series against the New York Giants, had signed up for next season. Faber until two weeks ago had been stationed at the Great Lakes naval training station. Yesterday "Red" came to Chicago from Cascade, Ia., briefly talked things over with Owner Comiskey, signed the contract, and today is on his way back to Cascade to await the call for the spring training trip.

THE National league takes care of the managers who have given their lifetime to the game, just as long as there is any constructive baseball in them. Here we have Pat Moran, deposed manager of the Phillies, who was engaged as coach of the New York Giants and who will succeed Christy Mathewson, who is a captain in the chemical corps in France. Mathewson will not be able to get out of the army in time to rejoin the Reds, and will sign up as coach of pitchers for the Giants on his return, and, no doubt, may some day be the manager of the New York club, succeeding McGraw, who is now the head of the club.

BOXING

ROCK ISLAND, Ill., Jan. 31.—(I. N. S.)—Barney Adair of New York today enjoyed a shade the best of it, earned in the hardest fight of his career with Johnny Noye, of St. Paul last night.

The 10 rounds last night were filled with the hottest fighting seen by fans in this section in years. The first seven rounds were as full of fighting as fans thought possible—but the men showed them something new in the last three frames—standing shoulder to shoulder and fighting like tigers every minute of the three closing rounds.

San Francisco, Jan. 31.—(U. P.)—After several thousand yards of sport dope had been written about the Leonard-Benjamin bout here tonight night, the conclusion is unanimously that the fight was a masterpiece.

Both men are living up to training regulations, Benjamin especially. The latter states that the bout "means a lot" to him. Leonard appears just as fast as ever.

Denver, Colo., Jan. 31.—(I. N. S.)—Jack Kenner, Denver fight promoter, has telegraphed Tex Rickard, offering to surrender to Rickard a lease on the stockyards stadium, the biggest in the west, for the Willard fight in July.

Tearney May Head Western League in Its 1919 Ball Race

Omaha, Jan. 31.—(I. N. S.)—When the Western league holds its annual meeting at St. Joseph, Saturday, February 22, there is every possibility that Al G. Tearney of Chicago will be elected president of the organization to succeed E. W. Dickerson, now correspondent with the Thirty-second division army of occupation over the Rhine at Weiss, Germany.

It is a well-founded rumor that the offer to head the league has been made to the Chicago baseball leader, and while he has not accepted he will likely agree to lead the league in its after-the-war season. Mayor Tom Fairweather of Des Moines and Johnny Savage of Joplin were mentioned in connection with the presidency before the name of Tearney was presented. It is understood that both Fairweather and Savage have withdrawn in favor of the Chicagoan.

Wire Sent to Gibson
Walter B. Honeyman has wired Billy Gibson, manager of Benny Leonard, at San Francisco, asking him whether he will accept a bout in Portland, February 12, with some good boy to be named by the Portland Boxing commission. Word is expected from Gibson today.

Jim Flynn, the veteran heavyweight will arrive in Portland this afternoon, seeking a match before the Portland fans.

REED ATHLETES ARE MEASURED IN BOTSFORD TESTS

Shumway and Henny Tied in "Chinning" Honors, but Are Below Record.

Furthering the national movement for greater physical ability, Reed college is measuring the muscular and athletic prowess of its men, under the supervision of Professor Charles S. Botsford, head of the college physical education department. The records made at the first of the semester will be supplemented by tests given at the end of the year and the gain in physical ability computed.

Bruce Shumway and George Henny tied for the highest "chinning" score this year, although it was below their previous performance of 30 times. Frank Forrester and Rowan Wheelodon managed a "dip" each on the parallel bars and John McCourt covered the most ground in the standing broad jump, with a distance of 8 feet 4. Theodore Countryman hung up a record of 26.7 feet in the hop, skip and jump. The average for the college in chinning was 9.26; in the dips, 8.13; in the broad jump, 7.13 feet; hop, skip and jump, 21.6 feet. The 6 o'clock gymnasium class proved itself the best in tests, excelling in all four events measured.

Oregon Will Tackle Washington Quintet

University of Oregon, Eugene, Jan. 31.—The Oregon basketball team left Eugene yesterday for Seattle, where it will play a two-game series with the University of Washington quintet tonight and Saturday night. The team is traveling light, only one substitute and Coach Walker accompanying the team, which is made up of Jacobberger and Durno, forwards; Lind, center; Chapman and Brandon, guards; Ned Fowler, substitute. At each game on the parallel bars and John McCourt covered the most ground in the standing broad jump, with a distance of 8 feet 4. Theodore Countryman hung up a record of 26.7 feet in the hop, skip and jump. The average for the college in chinning was 9.26; in the dips, 8.13; in the broad jump, 7.13 feet; hop, skip and jump, 21.6 feet. The 6 o'clock gymnasium class proved itself the best in tests, excelling in all four events measured.

BASKETBALL

GETTING away to a flying start and playing a wonderful defensive game, the Lincoln high school quintet jumped into the lead in the Intercollegiate Basketball league Thursday afternoon by trimming the Jefferson team, 25 to 11. The Cardinals proved too fast for the Blue and Gold team. Throughout the entire contest, George Dewey's players held the Jeffersonians at bay with their great guarding. The score at the end of the first half was 11 to 5 in favor of Lincoln, Jefferson scoring but one field goal.

In the second half, the Jefferson team registered two field baskets while Lincoln scored 14 points. Meir Dubinsky, the sensational guard of the Lincoln team, scored 14 points during the contest.

The victory placed the Cardinals at the top of the league with three victories and no defeats. Next Wednesday, Lincoln plays Franklin.

Corvallis, Jan. 31.—The Washington State college basketball team defeated the Oregon Agricultural college team last night by the score of 36 to 17. In the first half the Pullmanites ran over the Aggies, scoring 23 points to the locals' 6. Rockey was high point man for the winners, registering 18. His teammate McVoy, scored 8 points.

Whitman College, Walla Walla, Wash., Jan. 31.—The University of Idaho basketball quintet, champions of the Pacific Northwest conference last year, opened its 1919 season with a 40 to 30 victory over the Whitman college team. During the first half, Borleska's players gave Idaho a tough game, the score being 18 to 16, but at the start of the second period the Moscow men opened up with a series of sensational passes and piled up a big point lead, which could not be overcome.

The Multnomah Amateur Athletic club basketball quintet will play its first big game of the season Saturday night on its floor, against the Washington State college quintet. The Pullman team has defeated Washington in two games this season, broke even with Oregon in two games and won its first game over the O. A. C. Thursday night.

The club players have been working out every week despite the fact that the contests scheduled with the O. A. C. team had to be postponed on account of influenza.

Pander's All-Stars defeated the Peninsula Park team by the score of 47 to 37 Wednesday. The All-Stars will play the Maroon seniors next Thursday and the Maroon P team next Monday night.

Rickard, Having Reaped at Reno, Would Reap Again

New York, Jan. 31.—(I. N. S.)—Reno will be the site of the Willard-Dempsey battle July 4, if Promoter Tex Rickard can secure permission to stage the bout over the 36-round distance, or to a finish.

This was the prediction made in boxing circles here today, following Rickard's announcement that the battle will not be staged in Nevada. At the present time the Nevada law limits bouts to 10 rounds, but it is said on good authority that Rickard has obtained reasonable assurance that it will be possible to secure a special permit.

NINE CLUBS ARE AFTER BERTH IN PACIFIC CIRCUIT

Tacoma Sends Representative to San Francisco Meeting in Order to Boost Town.

San Francisco, Jan. 31.—(U. P.)—Baseball is coming back on the coast with a bang, if popularity of Coast league berths is an indication.

If statisticians could doctor up a nine club schedule, they would have the opportunity.

Not only are Portland and Seattle coming in, but Tacoma wants in and will have a representative at the meeting of baseball moguls tomorrow night.

Willis Egan will be here to urge Tacoma's claims. He will declare that by substituting Tacoma for Salt Lake, much railroad fare can be saved. Opinion is general, though, that Salt Lake's desires will rule and that Tacoma must wait.

A manager of the Seattle team may be announced tomorrow.

Pat Moran Will Lead Cincinnati Reds in National Flag Race

Cincinnati, O., Jan. 31.—(I. N. S.)—Pat Moran, former manager of the Philadelphia Nationals, was comfortably seated in the Red managerial chair today, having signed a contract to pilot the Cincinnati club yesterday.

On signing up yesterday Garry Herrmann assured, as he had not replied to several cablegrams asking about his plans for this season, Mathewson is in France as a captain in the chemical service.

STALLINGS REMAINS AS BRAVEBOSS

New Owner Says That Manager Has Deals Under Way to Strengthen the Club.

Boston, Jan. 31.—The Boston Braves, which were sold yesterday to George Washington Grant, well known moving picture man of London and Paris, went for cold cash, the amount not being announced.

Grant is now president and treasurer of the club. It also was announced that George Stallings will remain manager of the team and that Walter Hapgood will remain as business manager and secretary. They will constitute the board of directors.

Announcement of the sale was made by Walter E. Hapgood, business manager of the club. The Braves were owned by some of the London and Paris, New York and Boston brokers, who purchased the outfit from James E. Gaffney of this city. Gaffney still owns some of the London park property. The previous owners asked \$150,000 for the club.

The new owner was formerly owner of a chain of moving picture houses, being the pioneer American moving picture man in England.

Mr. Grant will be president of the club but the rest of the organization, other than that of Arthur C. Wise, who will remain among the directors, has not yet been perfected. George T. Stallings will continue as manager of the club and Hapgood will remain as business manager.

Mr. Grant added that Manager Stallings has several deals under way that will strengthen the club.

In the good old days it used to be a good suit or overcoat at \$15 and a dandy suit or overcoat at \$20. Then came the war. Labor, materials, transportation costs—everything went higher. Things are no different in these days of readjustment and reconstruction. Wages are still high, and how can they come down so long as living costs are high, and how can living cost come down to any considerable extent so long as our own Government and others are daily customers for food and other things?

Nevertheless, the UPSTAIRS VALUES which I offer today in
