

Port Commission Will Ask State to Carry Part of Burden of Pilot Service on Rivers.

BUY LAND FOR CHANNELING

Would Amend Eight-Hour Law to **Gover Emergencies Forced on** Single Crews Aboard Craft.

- Suggestions for the adoption of important measures were included in the Port of Portland's biennial report, which approval of the legislature.

After reading to the commission an 1919. analysis of the two years' work, in which it was stated that the port is capable of handling ocean going steamers of the deepest draft, a proposition was made that an additional drydock section be added to the present dock so that it might accommodate vessels of the largest types.

Another suggestion was that after 16 the Columbia river be considered as a at 10 o'clock. job to be undertaken by the state, as

Portland is not the only one to benefit definite action on the issues was on on to the consumer Saturday by most by this service. Service from the bar account of the elevator proposition. eaches all sections of the Columbia and Tests are being made at the elevator Willamette rivers and the commission stated that it did not believe the port up its action until a report of the should bear the entire burden. Purchase of several acres on the east

side of Swan island is contemplated by the board so that dredging operations may be carried on to make the west channel ready for handling traffic as well as the east channel. It is the belief should be maintained. Counsel for the port will request the

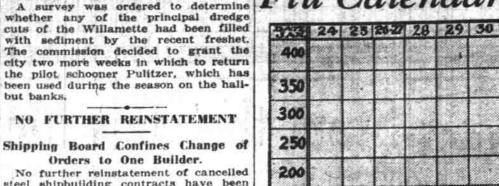

drawing of an amendment to a law that prevents vessels owned by the state or any subdivision to have a crew on duty district : more than eight hours. Small vessels owned by the port are not able to carry double crews and at times emergencies adrift January 27, will be replaced as

Get at the Real Cause-Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment-clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

THIN PEOPLE **SHOULD TAKE PHOSPHATE** 

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Judging from the countless prepara-tions and treatments which are contin-ually being advertised for the purpose of making thin people fleshy, develop-ing arms, neck and bust, and replacing ugly hollows and angles by the soft, curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

thinness. Thinness and weakness are usually Thinness and weakness are usually due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phos-phate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphoric food elements, bitro-phosphate quickly pro-duces a welcome transformation in the appearance; the increase in weight freuently being astoniming.

This increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, soon disappear, dull eyes become bright, and pale cheeks glow with the bloom of them to filter the blood of impurities and clearing the skin of pimples. Jad Salts is inexpensive, harmless and perfect health.

is made from the acid of grapes and CAUTION: - Although bitro-phot lemon juice, combined with lithia. Here unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its remarkable flesh-growing properties, be used by anyone who does not desire to put on flesh.—(Adv.) phate 18 you have a pleasant, effervescent drink which usually makes pimples disappear, cleanses the blood and is excellent for the kidneys as well.

BIRTHS

toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities, which often break out all over the skin in the form of pimples. The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a table-spoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of tox-ins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and

energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel. I.r. Edwards' Olive Tablets are a parely vegetable compound mixed with olive oil. You will know them by their

olive color. They do the work without griping, cramps or pain. Take one or two at bedtime for quick

relief, so you can eat what you like. At 10c and 25c per box. All druggists.

IF YOUR EARS RING WITH HEAD NOISES

If you have roaring, buzzing noises in your ears, are getting hard of hearing and fear Catarrhal bearness, go to your druggist and get 1 ounce of Parmint (double strength), and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four imes a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any-one who has Catarrhal trouble of the ears, is hard of hearing or has head noises should give this pre-scription a trial.—(Ady.)
