Appropriation for Jefferson to

Albany Project Has Already

Been Made by Commission.

Albany, Feb. 13 .- John R. Penland, a

civil engineer of this city, has practical-

ly completed for the state highway com-

mission the location and survey work

preparatory to letting the contract for

the paving of the Pacific highway from

Jefferson to Albany. An appropriation

for the work has already been made by

the highway commission and the coun-

ty court of Linn county will prepare the

roadbed for the paving. It is understood

that the work is sufficiently advanced

that advertisement for bids can be made

and the contract let at the next meeting

of the commission, early in March. The

plans also include construction work as

far south as Tangent, and residents of

sections contiguous to that stretch of

grading work. When completed, there

in length.

will be a continuous paved road 12 miles
