**The New Box Coat Suits
Suits With Vests and Other
New Models in a One Day Sale**

At **\$36.50**

One Style Sketched—\$36.50

—Suits that will astonish you with their quality, their style and the little unusual touches found ordinarily only on suits at far higher prices.

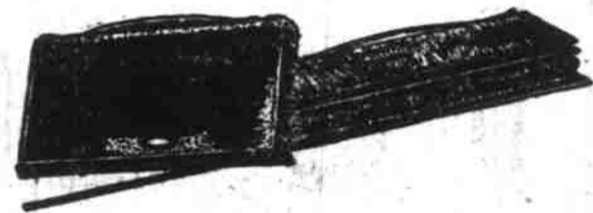

—They are of fine menswear serges in black and navy—made on the smartest straight, slim lines so desirable now. Some are jaunty box affairs, with vests of fancy crinkly silk in oyster white or grey or blue.

—Some have silk tailored braid criss crossed in the most interesting way for coat trimming. All the skirts are straight and narrow on the most becoming lines.

—Detachable silk collars and fancy silk lining add considerably to their smartness and, on the whole, they are altogether unusual at this very special price.

Third Floor—Lipman, Wolfe & Co.

**A Remarkable Sale of 75 New
Tailored Purses of Genuine Seal
At About HALF PRICE—\$3.95**

As Sketched—\$3.95

—Under ordinary conditions, these purses cost more than this special price, wholesale. And when you stop to consider that all are of genuine seal of finest quality, you will appreciate the values offered.

—All are in the newest tailored style that promises to be in such high favor for Spring. And all are beautifully made with several compartments lined in moire silk.

—There are genuine pin seal, crepe seal and walrus purses—in top strap style, with coin compartment leather lined. A new feature is the removable mirror that fits snugly into its own little pocket where it may be so easily peeped into—right under the flap.

—Because the number is so limited and because the value is so extraordinary, there will be no approvals, no credits and no exchanges—and every sale must be final.
