## **PRESBYTERIANS** TO START GREAT FINANCIAL DRIVE

Are to Raise \$38,000,000; \$13,-000,000 for Benevolence and Rest for Church Advancement.

START TO BE MADE MARCH 23

None Is Expected to Start Before Date Set; Work to Be Accomplished in Space of Few Hours

March 23 is the date toward which all loyal Presbyterians are looking and toward which many thousands throughout the nation are now working, for on that day the denomination plans to raise its 1919 quota of the New Era fund, which is \$38,000,000. Thirteen million dollars of this fund is to go into the benevolent budget of the church and the remaining \$25,000,000 the churches are to keep and use for the advancement of their local work. The biggest part of the task is that

the work must be done in three hours on that Sunday afternoon. No one is supposed to start ahead of time or work evertime. The date of this great financial church drive was announced by Professor James F. Ewing of First Presbyterian church, who has received he information from the New Era headquarters in New York City. The national committee has set the

benevolent budget for the Presbyterian synod of Oregon at \$104,297.72. There are six presbyteries in Oregon and their allotments follow: Coos Bay, \$970.42; Grande Ronde, \$4262.07; Pendleton, \$4141.14; Portland, \$72,642.50; Southern Oregon, \$6714.26, and Willamette, \$15,-The allotments of the five largest

Presbyterian churches of Portland, according to the membership lists, are: First Presbyterian church, \$33,999.67 Westminster, \$7798.26; Central, \$3872.18; Rose City Park, \$2659.62, and Mt. Tabor,

During the next three weeks nearly every Presbyterian minister in the country will lay this great program of the church before his congregation. Dr. John H. Boyd, pastor of First Presbyterian church, has announced a special series of Sunday morning New Era Attempted Interpretation." First Presbyterian church is already hard at work to see to it that their church goes "way have been appointed and they are organizing the church into groups of 10, the city by storm. First church is de- in the city." During the past week Dr. Edward H. of Westminster Presbyterian church has been in Southern Oregon lecturing on the New Era. He has returned to Portland and Sunday morning will speak to his congregation on "The

Greatest Challenge of the New Era."

A large number of the Presbyterian pastors have announced subjects which deal with various phases of the New Hra movement for their Sunday topics.

## EPWORTHIANS TO HAVE THEIR PAR

Planning

Dr. Guthrie, General Secretary, Explains Work Assigned Young People in Centenary Drive.

The Epworth leagues of the nation are to have a part in the Methodist Centenary movement. This was the encouraging note sounded to the young people o Portland Thursday night at First Methodist church by their chief executive, Dr. Charles E. Guthrie, of Chicago, general secretary of the Epworth leagues of the Methodist church. To push this work 20 area Epworth

eague secretaries have been appointed to cover the nation. Dr. Guthrie had hardly made this statement before he heard the question, "Are we going to have one?" "Yes," came back the reply. "The Northwest Epworth league centen-ary secretary," said Dr. Guthrie, "is to be Rev. J. Edgar Purdy of Wilbur, Wash. He is to arrive in Portland in a few days and will make his headquarters here in the centenary office in the Platt building."

After the centenary drive is over Dr. Guthrie hopes to be able to take the 20 area secretaries and to make them the head of branch offices of the Epworth league, where free leaflets and without the present two weeks' delay in writing to Chicago. This came as a welcome announcement to local Metho dist Epworth league leaders. In speaking of the young people's part

Dr. Guthrie said: "The centenary has no right to claim all the glory, for they appropriated the young people's program as their own. Three of the four big points of the centenary movement have been part of the young people's program for 10 years. They are the stewardship of prayer, stewardship of life, and stewardship of money. have been pushing the first through our comrades of the morning watch organization, the second through our life work recruit classes, and the last through our adoption of the 24-hour day league and tithing plan." The Epworth leagues of the nation

have 588,000 members, according to Dr. Guthrie, and they are expected to give a minimum of \$400,000 each year for the next five years, or a total of \$2,000,-000 of the \$105,000,000 drive which the denomination is making. Dr. Guthrie "We expect to accomplish this said: feat by having 40 per cent of the membership sign up as Christian stewards and 75 per cent as 24-hour day leaguers." The general secretary made it plain to the young people that they must work in harmony with the church and not expect to put on a separate centenary drive of their own. The leaguers are to assist the church workers and out by a leaguer. Pledges secured in

## START BIG DRIVE Six Million Dollar Fund to Be Raised to Insure Spiritual

Democracy Abroad.

"VICTORY CAMPAIGN" NAME

City Director Rev. F. C. Laslette Describes Purpose to Better World in Way War Failed To.

Sunday, March 16, Northern Baptist laymen will start their campaign to raise \$6,000,000, which funds they intend to use toward insuring spiritual democracy at home and rehabilitation work abroad. This campaign is known as the "Victory campaign." Rev. F. C. Laslette, city director, sald in describ-ing the work: "The great Victory campaign has been launched by the seven nillion Baptists of America as a drive toward 100 per cent efficiency along moral, spiritual intellectual and social lines at home and abroad. It is for the betterment of the whole world in ways

that the war failed to accomplish. If this drive is successful the leaders of the church in New York have predicted the following results: "It means that churches which have been slightly damaged will be repaired; churches that have been totally destroyed will be re-built; the rehabilitation of Baptist pastors and families; the construction of chapels at strategic locations in rebuil districts; the relief of Christian families for whom government provision is not sufficient and special provision for orphans, widows and disabled soldiers.' The Victory campaign is a laymen's movement, and although the clergy are not excused from active part, they are not supposed to shoulder the burden. Every church in the Northern Baptist onvention has been effectively organ ized by laymen and great things are expected between March 16 and the end of the month, when the entire fund must be raised. Harley Hallgren, state president of the Baptist Young People's union, is state director of the Victory campaign. He is the youngest man in Oregon directing a reconstruction program for any of the denominations.
