TODAY'S FORECASTS Portland and vicinity-Tonight and Saturday fair: northerly winds. Oregon and Washington-Tonight and Sat-urday fair: northerly winds.

WEATHER CONDITIONS

WEATHER CONDITIONS Low pressure prevails over California, Ne-vada, Utah and parts of Arizona and Idaho, attended by precipitation over most of the area covered, and eastward into Colorado Over the remainder of the country the pressure is high and the weather has remained fair. In the Northern plains states and Upper Mississippi val-ley the pressure is unneually high. The weather is much milder in Western Canada and in Utah and North Dakota, and is much colder in Okla-homa, Missouri and Illinois. The temperature is abnormally high in the North Atlantic states and in Utah and Alberta, and is much below normal in Northern Montana. Elsewhere the departures are unimportant.
