

RED TERROR RUNS CLOSE RACE WITH PLANS FOR PEACE

World Problems Are Resolved Into Struggle Between Legions of Anarchy and Forces of Order

WILSON HAS NO TIME TO REST

Men Wrestling With Big Problems at Conference in Paris Labor to Prevent Evil Outcome.

By John Edwin Nevin Paris, March 21.—(I. N. S.)—The world's problems are now resolved in a race between the forces of anarchy and those of law and order.

This statement, made by one of the biggest factors at the peace conference, shows just exactly what insiders feel concerning the need for haste in getting something accomplished which will permit the world's affairs to be diverted into normal channels.

President and Premiers Anxious It also explains why President Wilson is taking no time for rest nor most imperative outdoor exercise, but is devoting all of his waking hours to speeding up the peace conference machinery.

President Wilson and Premier Lloyd George are in complete accord. Premier Clemenceau has differed on some matters, but the differences were more details than on principles.

There is no longer any talk here of a "preliminary treaty." The document now under consideration has been officially named "the first treaty." The name describes it exactly.

This document, when submitted for signatures, will contain all of the important problems which can be settled by the conference. Also, it will refer many ordinarily great problems to a later day settlement, under the League of Nations.

First Treaty Sweeping The peace commissioners pointed out today that the first treaty must more or less include every possible final agreement.

Furthermore, it allows the completion of the mandatory system for the former German colonies and other such problems, lightening the actual burden of the peace conference.

The first treaty will remain in complete force until the League of Nations allows the redrafting of a later one, probably in May.

What difference does it make how long it takes to accomplish its objects? said a British delegate today. His comment fairly represents the viewpoint of the Anglo-American leaders at the conference.

MOSIER-THE DALLES COLUMBIA HIGHWAY ROUTE TO BE LOCATED

State Commission to Meet Next Month for Purpose of Taking Final Action in Matter.

The Dalles, March 21.—Location of the Columbia river highway between Mosier and The Dalles will be definitely decided by the state highway commission at a meeting to be held on April 8, according to W. L. Thompson, a member of the commission, who has been here making a reconnaissance of the two routes proposed.

One follows the foothills along the present Chenoweth grade, while the other route would follow the river, practically paralleling the O-W. R. & N. tracks.

Engineers are now here making preliminary surveys and estimates.

Only One Paving Bid The Dalles, March 21.—Only one bid was received by the city council Tuesday evening on the paving to be laid here this summer. The United States Construction company of Portland bid \$4,686 for the work which includes portions of several streets. Three bids were submitted on the Ninth street bridge. The United Construction company was low, with a bid of \$897.

Homemade Booze Sold The Dalles, March 21.—William Wilkie, arrested here, has been selling an intoxicating liquor of his own manufacture, according to local police. They say that Wilkie purchased denatured alcohol at local drugstores and put it through a process which removed the poisonous ingredients, after which he mixed in some flavors and offered it to the local trade. He pleaded guilty to a charge of vagrancy and was released, upon promising to leave town.

Death Come to John Duffy The Dalles, March 21.—John Duffy, a bachelor, 58 years old, died here Tuesday after several months' illness. He was a native of Ireland, but came to this country as a youth and lived at Castle Rock and later at Bremerton, Wash. For the past year and a half he had made his home here with his brother, Matt Duffy.

Four Divorces Are Granted The Dalles, March 21.—Four divorces were granted this week by Circuit Judge Fred W. Wilson, as follows: Mrs. Effie Criss from J. A. Craft, cruelty; Josie B. Cyphers from C. Cyphers, cruelty; Mrs. Hazel Cramblet from Ira Cramblet, cruelty, and Andrew Christianson from Elsie Christianson, desertion.

Case of Smallpox Develops The Dalles, March 21.—A case of smallpox has been discovered here. C. C. Collins developed marked symptoms of the disease. He has been isolated in the city hospital.

O. A. C. Fall Term Will Open Sept. 22; Other Dates Fixed Oregon Agricultural College, Corvallis, March 21.—The fall term at the Oregon Agricultural college will open on September 22, according to the decision of the administrative council. The second term will begin January 5, 1920, and the third term on March 29, 1920. A three day vacation will be allowed at Thanksgiving time and two weeks at Christmas, December 20 to January 5. During the winter holiday season the Farmers' and Homemakers' week will be held, which includes conferences on rural life problems. This year they were called off because of war conditions but the year before the Farmers' week attendance was 1239. The date set for next year is December 29 to January 31.

Winter short courses will start January 5, and end on January 31. College commencement exercises will begin with a baccalaureate sermon Sunday, June 6, graduation exercises being held June 8. Final examinations will take place June 8 to 11. The summer school will begin June 21 and end July 31.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—Adv.
