SHOOTERS WONDER IF BILL HEER IS GOING TO ACCEPT

Oklahoma Expert Has Chance of Lifetime to Gather Some Money for Himself in Meeting Frank Troeh, Whom He Defeated at Seattle Last Season in a Sensational Match.

TWO of the greatest amateur trapshooters in the country—William H. Heer of Guthrie, Okla., national amateur champion of 1918, and Frank M. Troeh of Vancouver, Wash., national high average champion last year, will meet in a 500 target match race for a purse of \$5000 during the thirty-fifth annual tournament of the Sportsmen's Association of the Northwest to be staged on the Everding Park traps of the Portland Gun club June 21, 23, 24, and 25, provided the Oklahoma man accepts the challenge to be hurled at him by the local club officials this week.

Heer defeated Troeh in a similar match last year at Seattle by a margin of three targets and since that time the local gunners have been anxious to see the two experts lined-up against each other again. The purse is the biggest ever offered for a match of this kind.

Should Heer refuse to accept the defi, the challenge will be declared open to any individual amateur shooter in the world. It has been rumored that R. A. King, the Colorado champion, will accept the challenge in case it is turned down by Heer.

The details of the match have not been arranged by the committee named by President Felix Friedlander, Arthur K. Downs, E. B. Morris, P. J. Holohan and George Berts.

In view of the fact that Heer defeated Troeh last year, it has been decided to leave a number of details to him, but in case he refuses to accept the defi the details will be arranged between the local club's committee and the backers of the man who accepts the defi.

Is Talk of Shooters

This match, whether it be between Troeh and Heer or Troeh and any other amateur, will attract hundreds of trapshooting enthusiasts to Portland. It has been the talk of the trapshooting world since the Portland Gun club announced its intention to issue a challenge on behalf of Troeh.

There has been a feeling among the Northwest trap followers that Troeh is the greatest amateur shooter in the country, and the fact that he beat Heer by a number of targets in the Sunny South Handicap this year leads the local trapmen to believe that he will triumph over Heer in the June match.

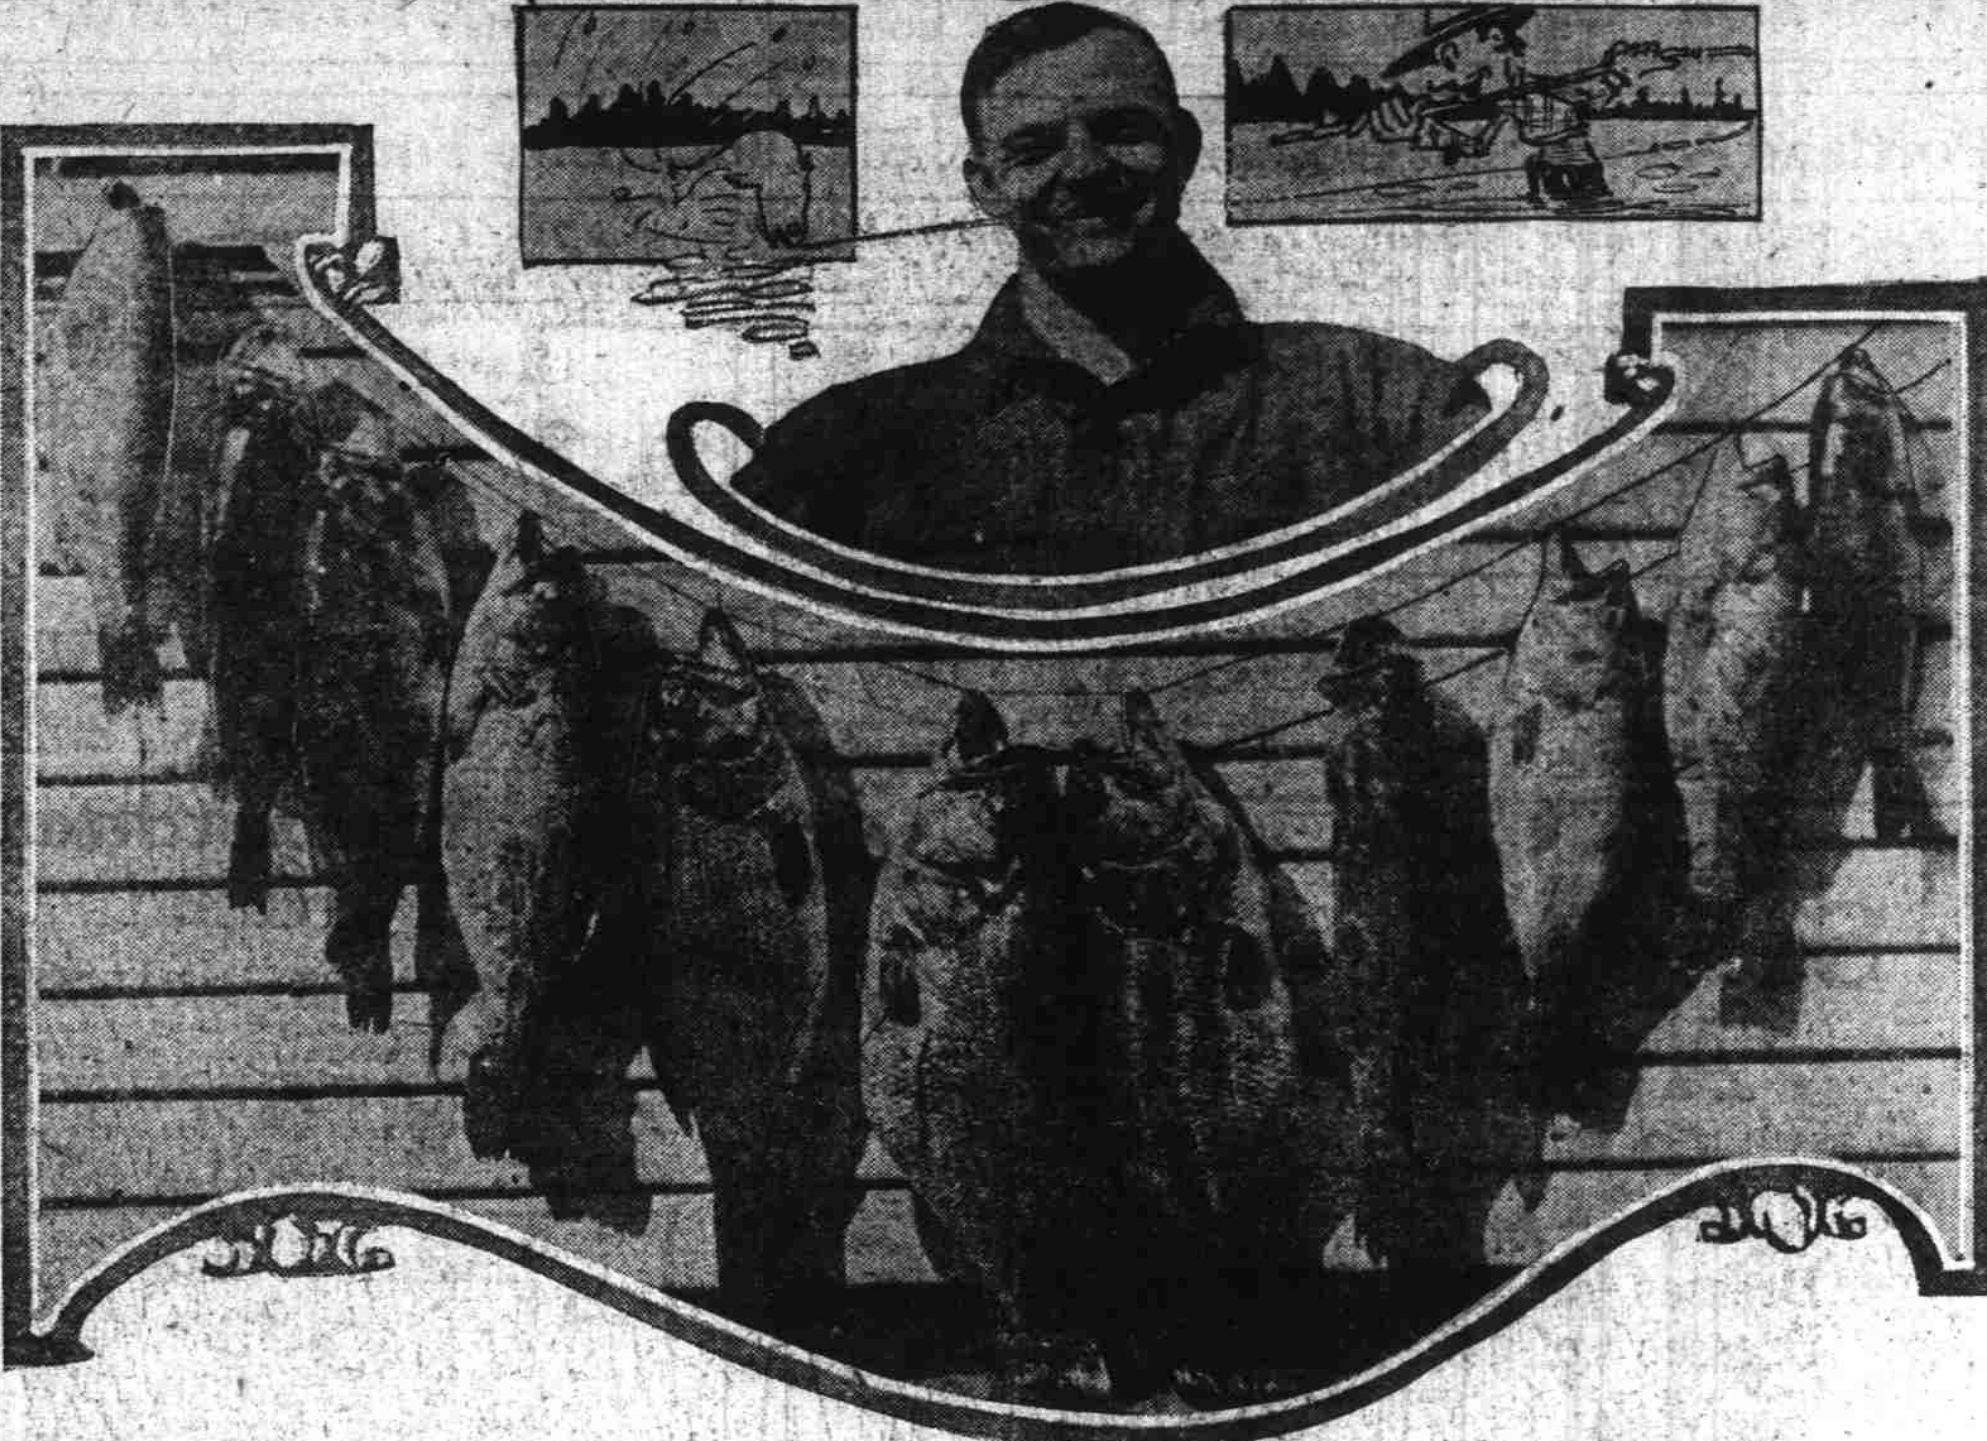

No Advantage Here

Shooting over the Portland Gun club traps, which are second to none in the country, will afford sportsmen an opportunity to witness an event which would rank second to none in sportdom. There would be no advantage to either man in shooting over the local traps.

In addition to this match the program of the Northwest shoot is in itself enough to attract shooters from the middle west and California points. There will be 500 registered targets with over \$600 in cash added to the program and nine trophy events with money and trophies as prizes. The trophies are among the most valued in trapshooting and some of them having been in competition for 25 years.

RAINBOW AND CUTTHROAT TROUT NOT THE ONLY FISH IN OREGON

How'd you like to sink your teeth into this string of black bass, caught in the Willamette river by R. E. Cook, late of the base hospital at Camp Lewis, who is shown above his catch. They were taken on a tandem spinner. The largest was about eight pounds and they averaged about 3 1/2 pounds. Cook fished with T. Garlin and they drew about 140 out of the river at St. Johns in the last week.

WAVERLEY BEATS MEN OF TACOMA

Portlanders Take Every Match But That Played by W. E. Ayer and P. E. Johns.

WAVERLEY COUNTRY CLUB golfers won a complete victory over the Tacoma Country club Saturday in the all-day tournament, winning every match but one, which was a tie. The final score stood: Waverley 46, Tacoma 53. The playing in almost every case was close and many good shots were made. Several players finished the day with fine scores. Several holes were made in par.

The best match of the day was between A. E. White, Waverley, and J. Dempsey of Tacoma. White winning both in the afternoon and evening. White was driving very straight, and made two's on his fourteenth and ninth holes. Dempsey made many puts that had loads of stem behind them and sailed away into the auras, but didn't hold their course, making his second shots more difficult. White finished the morning match with a score of 108 and the afternoon with a score of 78.

J. Martin Watson, Waverley professional, played a hard match against E. Martin, Tacoma's professional, winning on the day. Watson lost the morning round, 3 and 2, and won 4 and 3 in the afternoon. The Tacoma professional made the seventeenth hole in three shots, holing out of the rough on his third shot. The two will play again today and their match appears to be going to stage a comeback in grand style.

W. F. Kettenbach played a good game for Waverley against W. G. Heller, winning both in the morning and afternoon. In the morning he finished 7

HORROR OF BASE BLOW SEEN AT LOS

Three of McCredie's Pitchers Are Walloped for Ten Runs; Beavers, Nil.

LOS ANGELES, Cal., April 12.—Greatly to the surprise of some Waverley supporters, the youth of the Beavers from Portland, who lost a 10-0 game today to Los Angeles, Minister McCredie has been telling us great gobs of good stuff about his pitching staff, but one wonders if it is as good a pitching staff as McCredie thinks it is.

Three—count them—Lefty James, Tom Lukano and Carroll Jones, came to pitch, and each received his bumping. Maybe it was the soldiers' parade that upset them, but it shouldn't, for nearly all of them were in the service. At any rate, they were much upset. Los Angeles has won the series by taking four games out of the first five. Tomorrow's games won't count in the series, but McCredie plans on using Penner and Oldham in an effort to capture both of them.

Brown Allows Four Hits

James and Brown pitched nice ball until the fourth, when the former faltered, but the latter went on through in whitewash style, holding the Beavers to four hits.

With one out in the fourth Schick walked and Kenworthy singled, the former making third, whence he came in on Fournier's single to right. Crawford's out moved the runners along and Ellis doubled, clearing the sacks. Driscoll singled to center and Ellis was caught at the plate.

Killifer scored the fourth run on his single, moving up when Farmer caught Brown at third, the pitcher having singled previously, and crossing in on Signlin's bad throw on Schick's grounder.

Luke Takes It Up

Baker batted for James in the fifth and Luke won out on the pitching. Kenworthy took up the pitching. Kenworthy doubled, followed by Crawford's single, giving one run.

Lukano went out in the seventh frame, which is here presented as tersely as possible in view of the slaughter: Lapan walked, Brown safe at first and Lapan at second on Lukano's error. Killifer safe at first on Lukano's error, filling the bases. Schick singled to center, scoring Lapan. Kenworthy singled to left, scoring Brown. Crawford replaced Lukano. Fournier hit into a double play, Fuller to Signlin to Blue. Killifer scoring and Schick taking third. Crawford singled to right, scoring Signlin. Ellis out, Jones to Blue. Four runs, three hits, two errors.

Driscoll Gets Triple

Driscoll tripled to center, and scored when Signlin threw Lapan out in the eighth.

The score: PORTLAND: Fuller, 2b, 4; Signlin, 1b, 4; Farmer, 3b, 4; Walker, cf, 4; Blue, lf, 4; Brown, p, 4. LOS ANGELES: James, 1b, 0; Lukano, 2b, 0; Jones, 3b, 0; Signlin, 1b, 0; Farmer, 3b, 0; Walker, cf, 0; Blue, lf, 0; Brown, p, 0. Total: 28 to 0.

Seals Win Fifth Straight Against Seattle Players

San Francisco, April 12.—San Francisco made it five in a row from Seattle this afternoon, the score being 5 to 2. Lefty Mastis, who was in the box for Seattle, pitched pretty ball except in the sixth inning when his wildness, coupled with two errors, cost him two runs. In the eighth the Seals bunched hits, making four safe blows out of five.

The score: SEATTLE: Compton, lf, 5; Niehoff, 2b, 5; Wilhelm, cf, 4; Fabrique, ss, 4; Gutschman, 1b, 4; Murphy, 3b, 4; Malla, p, 4. SAN FRANCISCO: Fitzgerald, lf, 4; Harper, cf, 4; Caveney, ss, 4; Schaller, 1b, 4; Brooks, 3b, 4. Total: 35 to 2.

Howard's Team Wins

Sacramento, April 12.—Del Howard's Oakes with Kremer in the box, proved too strong for Bill Rodgers' Senators today. Oakes won, 5-2. Rodgers used Piercey and Bromley but neither could stem the batting streak of the Oakes, who got their bingles when hits.

The score: OAKLAND: Morse, 2b, 3; Willie, lf, 3; Griggs, 1b, 3; Lane, cf, 3; Stamm, p, 3. SACRAMENTO: Powell, 3b, 4; Griggs, 1b, 4; Weller, lf, 4; Fisher, cf, 4; Benn, ss, 4; Piercey, p, 4. Total: 34 to 2.

Wheeler Dell Too Much for Mormons and Tige Gathers

Salt Lake, Utah, April 12.—Eddie Herr's Salt Lake Bees were unmercifully slaughtered this afternoon by the Vernon Tigers to the tune of 10 to 2. While Dell for Vernon was holding the Bees to seven hits the tigers were piling up a total of 14 off the delivery of Adolph Schinkle and Willett. Vernon played errorless ball, while Salt Lake made two bores. The game was featured by extra base hitting in which Shelley, Chadbourne, Edgington, Alcock and Mulvey took the lead.

The score: VERNON: Mitchell, 3b, 4; Chadbourne, cf, 4; Boston, 1b, 4; Beck, 2b, 4; Edgington, 1b, 4; Hop, 2b, 4; Lusk, p, 4. SALT LAKE: Schinkle, 1b, 4; Willett, p, 4. Total: 34 to 2.

HI SCHOOL BALL OPEN THIS WEEK

Jefferson and Hill Will Start Season at Multnomah Field Tuesday Afternoon.

TUESDAY marks the opening of the 1919 interscholastic league baseball season. The initial contest will be played on Multnomah field between the Jefferson high school and the Hill Military academy teams.

Coch Coach Quigley, of Jefferson, has a strong team lined up for this season and the followers of the blue and gold team are hopeful of annexing the league championship.

The other games scheduled for this week are: Benson vs. Franklin, Wednesday afternoon and Lincoln vs. Columbia, Thursday.

Directors of the league at a meeting Thursday decided not to charge any admission for the games this season. They also announced that all games would be staged on Multnomah field, except when two are billed for the same day.

Leon Fabre, Ed. Rankin and E. H. Burton have been named as the league umpires for the season.

OREGON AGGIES WIN FIRST PLACE FROM MULTNOMAH STARS

Freshmen Win Northwest Indoor Track and Field Championships at Columbia University for Corvallis Team—Ralph Spearow of Multnomah Annexes Individual Point Honors.

COACH BILL HARGISS' rookies aided the Oregon Agricultural college team in nosing out the Multnomah Amateur Athletic club athletes in the Northwest indoor championship track and field meet Saturday in the Columbia university coliseum. With the rookies entered separately but their points totaled with the varsity, the Corvallis institution piled up a total of 62 1-3 points, the winning of the relay race giving the Aggies the championship.

The Multnomah club team, which piling up most of its points in the field events, scored a total of 48 1-3 points. Oregon finished third with 22 1-3 points. The Chemawa Indians scored two points and Willamette university one. In the academic events, the Jefferson high school team took first place with 29 points. Virgil Earl's Washington high school men, by winning the scholastic relay, took second place with 12 points. The Franklin high school was third with eight points. The points scored by the other schools follow: Corvallis high 4, Columbia university 2, Lincoln high school 2, and James John high school 2.

No records were smashed in the meet, although Maurice Snook, the former Jefferson high school athlete running under the colors of the Oregon Aggies, threatened the 50 yard mark.

Former interscholastic league stars showed their heels to some veteran performers in piling up points. Ralph Spearow, ex-Lincoln high school athlete, was winner of the individual point trophy by winning first place in the broad jump and placing second in the high jump and pole vault. Maurice Snook, former Jefferson star sprinter, won the 50 and 220-yard open events. Webster of Multnomah and Foster of Oregon each won nine points.

Sam Bellah, the ex-national pole vault champion, although he has been out of competition for a number of years, tried to shatter his world's indoor mark but failed, and Millard Webster, who was jumping in wonder at the meet, tried to establish a new high jump mark, but fell short only by an inch.

Meet Successful

The meet was one of the best staged, and a great deal of interest was shown by spectators from all over the state. Vera Windnagle, former Oregon and Cornell star, lost the half-mile run to Ralph Coleman, his teammate, by a narrow margin. Windnagle lacked condition as the result of not having enough training.

The academy teams created considerable interest, especially the 220-yard run, in which 18 school athletes participated. Wells, a lanky youth of Washington, captured first place.

Snook Shows Class

The 50 yard open dash brought out a class of performers and admission for the meet was \$1.00. Oregon captain, the favorite, but Snook, the Aggie freshman, sprang a surprise by nosing Webster out of first place. The other Oregon men, finished third and Decroval of Multnomah was fourth.

The academy teams showed a performance in the 220 yard event, and he had the outside lane, which was the hardest of the four. His time for the 220 was 55 seconds.

The open quarter mile was an exciting race with Kellogg of O. A. C. holding the lead all the way, but there was a pretty fight for second, third and fourth places. Driscoll of Multnomah coming from behind on the last lap and finishing third.

Coleman Ran Pretty Race

Ralph Coleman, former Aggie, beat Vera Windnagle in the half mile. Coleman ran a splendid race and led nearly all the way, Windnagle holding second place during a greater part of the race. Windnagle started his sprint a trifle late to overcome his teammate. Swan led in the mile all the way with Coleman and Foster of Multnomah fighting for second and third place.

The two mile cross country event failed to attract much interest, being the only institution to enter a full team, so instead of this event being a team affair it was decided to have a regular event and points were awarded to the first four men. Multnomah athletes won first place in every field event but the high jump was won easily by Webster.

Jefferson Has Speedsters

The Jefferson high school athletes took two places in the 440, 880, 50 yard dash and the hurdle race. Coulter and Driscoll finished first and second respectively in the dash and Drinker and McAndie took the same place in the hurdles. Wright won the 440 yard dash, half with McAlison taking third in the 880 and Krueger fourth in the quarter.

There was a little dispute over the academic relay, the runners being started on the wrong mark, which made the event a yards short of the regular distance. Most brought out that there will be close competition in the state and city scholastic meets.

Baltimore Feds Are Awarded \$240,000 In Baseball Suit

Washington, April 12.—(U. P.)—A verdict in favor of the Baltimore Federal league club was returned by the jury in its suit against organized baseball late today.

Damages were awarded at \$240,000. The Baltimore Federals had asked for \$300,000.

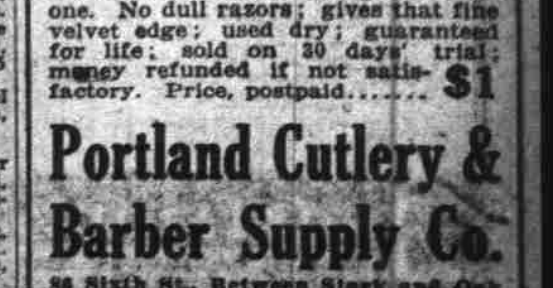

Organized baseball attorneys immediately served notice that they would file a motion for a new trial.

The Baltimore Federal league club brought suit against the national baseball commission and National league, charging organized baseball with violation of the Sherman anti-trust law.

Dressing-up for Easter

HATS FOR EASTER Every shape, style and color is here for your selection.

With one out in the fourth Schick walked and Kenworthy singled, the former making third, whence he came in on Fournier's single to right. Crawford's out moved the runners along and Ellis doubled, clearing the sacks. Driscoll singled to center and Ellis was caught at the plate.

Killifer scored the fourth run on his single, moving up when Farmer caught Brown at third, the pitcher having singled previously, and crossing in on Signlin's bad throw on Schick's grounder.

Luke Takes It Up

Baker batted for James in the fifth and Luke won out on the pitching. Kenworthy took up the pitching. Kenworthy doubled, followed by Crawford's single, giving one run.

Lukano went out in the seventh frame, which is here presented as tersely as possible in view of the slaughter: Lapan walked, Brown safe at first and Lapan at second on Lukano's error. Killifer safe at first on Lukano's error, filling the bases. Schick singled to center, scoring Lapan. Kenworthy singled to left, scoring Brown. Crawford replaced Lukano. Fournier hit into a double play, Fuller to Signlin to Blue. Killifer scoring and Schick taking third. Crawford singled to right, scoring Signlin. Ellis out, Jones to Blue. Four runs, three hits, two errors.

Driscoll Gets Triple
