Yes, the bungslows are well built—thoroughly double constructed. You would expect to pay so much more. Permits have been taken out for the construction of 57 bungslows, of various types and sizes, all to be built in Rose City. You may choose your own location and have the house constructed along lines to suit your own fancy. You just drive to 51st and Siskiyou and see the houses now under construction. A great many think that just because a house is newly built it is noorly built. Seeing is believing. See for yourself. Then, too, these homes are being sold on very attractive terms. Perfect title guaranteed. Call at either of our offices and ye will be glad to show you the plans and also the various locations to choose from.
